An apparently strong balance sheet and impressive reported profits may be hiding all sorts of problems that could even spell bankruptcy. So how do you know whether a company is well run and doing well? Decide which ratios and benchmarks to use to assess performance. Work out if a company has massaged its results. Recognize the danger signs on the corporate horizon. Compare companies operating in different sectors or countries. These and many other important questions are answered in a completely updated and revised sixth edition of this clear and comprehensive guide. It is aimed at anyone who wants to understand a company's annual report, judge a customer's creditworthiness, assess a company's investment potential and much more.      ACCA Skills F7 Financial Reporting (International and UK) Study Text 2014 BPP Learning Media, 2014-06-01 The examining team reviewed F7 Study Text covers all the relevant ACCA F7 syllabus topics and offers examiner advice on approaching the paper.
