Success Management Ali Soofastaei,2020-12-18 Success management is a very exciting topic that can not only help us to achieve different interests but also provide us with a powerful tool to keep them as permanent benefits in life

This book aims to help people who have decided to choose a better path in life and improve their quality of life in different aspects. Those who despite the desire to progress need validated methods to save their time and money in order to achieve success and sustain it in life. The presented principles in this book are based on scientific standards in a very simple language and with dozens of examples so that the reader can easily communicate with them. This book presents a comprehensive executive program to guide the reader step by step from the current situation to the desired situation. This practical program is not limited to a specific time and place and successful people throughout history and across the world have used it consciously or unconsciously. The numerous actual examples presented in the book show the practical power of the principles and rules that have been addressed in various chapters. In short, this book gives you all the tools you need to design and build an ideal life. Approved tools with which no excuses for failure have been accepted.

Measuring Business Interruption Losses and Other Commercial Damages Patrick A. Gaughan, 2020-06-23. Measure business interruption losses with confidence. You hope for the best and plan for the worst. It's your job. But when the unimaginable happens, are you truly prepared for those business interruption losses? *Measuring Business Interruption Losses and Other Commercial Damages* is the only book in the field that explains the complicated process of measuring business interruption damages after you've been hit by the unexpected, whether the losses are from natural or man-made disasters or whether the performance of one company adversely affects the performance of another. Understand the methodology for how lost profits should be measured. Deal with the many common types of cases in business interruption lawsuits in commercial litigation. Take a look at exhibits, tables, and graphs. Benefit from updated data, case studies, and case law references. Don't get caught off guard. Get ahead of planning for measuring your interruption losses before disaster strikes.
