Past Addresses Ron De Torre,2010-04-22 They told the man called Chinook he volunteered to give up his past his family and his memories to protect his country from terrorism But they lied He may have been a terrorist himself and the question What good is it if you become what you are fighting haunts him All he has left is the memory of a little girl Connie is an environmental terrorist who experiences a spiritual awakening She is preaching an anti religion doctrine that is threatening a major part contributor s business interests Todd is a high school football star who shatters his town s innocence by turning in his abusive drug dispensing coach Their football team is the only thing his economically depressed hometown can be proud Past Addresses is a story about three people driven by their sense of justice the consequences of their actions their effect on family and loved ones and what results when their paths intersect More at <http://dtdesertrat.wordpress.com> **New**

Addresses Kenneth Koch,2012-07-25 Kenneth Koch who has already considerably stretched our ideas of what it is possible to do in poetry David Lehman here takes on the classic poetic device of apostrophe or direct address His use of it gives him yet another chance to say things never said before in prose or in verse and as well to bring new life to a form in which Donne talked to Death Shelley to the West Wind Whitman to the Earth Pound to his Songs O Hara to the Sun at Fire Island Koch in this new book talks to things important in his life to Breath to World War Two to Orgasms to the French Language to Jewishness to Psychoanalysis to Sleep to his Heart to Friendship to High Spirits to his Twenties to the Unknown He makes of all these new addresses an exhilarating autobiography of a most surprising and unforeseeable kind [Letters and Extracts from the Addresses and Occasional Writings of J. Memory Sophie Miller,2019-03-01 First Memory Multiple Me is a chronological journey of memories leading Sophie through a near death experience a kidnapping an angelic intervention numerous abuses UFO encounters and the struggle to accept her choices for this lifetime and ultimately becoming able to offer forgiveness to her abuser *When All Else Fails* Raven Wright,2020-07-20 Being in the midst of a chronic illness can be extremely difficult Raven Wright came to realize through a partial recovery and a relapse that the issue was not in fact physical Or it was not only physical She came to recognize that

patterns of past trauma and abuse were also in need of healing It became clear that the magnitude of the physical pain and duress that she was in was in fact equal to the amount of emotional pain that she had been carrying around for a lifetime She finally understood that the key to physical healing for her was to heal the entire person The journey of physical emotional and spiritual is what may be missing if a physical recovery isn't happening At the time she was hitting a wall and declining in her healing She realized that she could not simply throw medicine at a broken heart She had to dig deeper There was not one aspect of life past or present that had not been addressed and overturned It was crucial to her recovery And because she turned this into an opportunity for healing her life became more fulfilling and happy than she could have ever imagined

emotional abuse and how she carried these injustices in her mind and body for many years leading to debilitating back pain headaches panic attacks depression and feelings of inadequacy In this touching memoir Robinson shows that the tragedies of war don't end when the last bomb is dropped or the last prisoner freed they continue in subtle but devastating ways Like many German citizens during and after the war Robinson was simply trying to survive a terrifying situation she had nothing to do with She describes how her spirit was devastated by hopelessness and how she entertained thoughts of suicide The Inner War shares lessons she learned at a chronic pain rehabilitation center that allowed her to start on a path to peace and love
