

POLICIES VS. PROCEDURES

What is a Policy?

A policy is a set of rules or guidelines for your organization and employees to follow in order to achieve a specific goal (i.e. compliance). Effective policies answer questions about what employees do and why they do it.

What is a Procedure?

A procedure is the counterpart to a policy; it is the instruction on how a policy is followed. It is the step-by-step instruction for how, when, and where the policies will be achieved.
