## **Ethnic Groups In Conflict Updated Edition With A New Preface:**

**Ethnic Groups in Conflict, Updated Edition With a New Preface** Donald L. Horowitz, 2000 To understand ethnic conflict is an ambitious task but by focusing on the logic and structure of conflict and discussing measures to abate it Horowitz brings important insight into an urgent issues that affects all strata of society everywhere

**Ethnic Groups in Conflict, Updated Edition With a New Preface** Donald L. Horowitz, 2001-04-09 Drawing material from dozens of divided societies Donald L Horowitz constructs his theory of ethnic conflict relating ethnic affiliations to kinship and intergroup relations to the fear of domination A groundbreaking work when it was published in 1985 the book remains an original and powerfully argued comparative analysis of one of the most important forces in the contemporary world

**Crossing Lines** Madhavi Devasher, 2024-04-24 This book explains why how and where ethnic political parties unexpectedly seek votes from non coethnics and when voters support non coethnic parties It draws on case studies of three Indian states Uttar Pradesh Punjab Rajasthan and of Indian national elections to demonstrate how differences in party systems impact political party strategies and voter choices It shows that multipolar party systems encourage political parties to provide physical security representation and economic benefits for minorities especially Muslims in India and as a result foster cross ethnic links between parties and voters However as political arenas become dominated by two or even one party advocacy for the interests of marginalized groups declines weakening cross ethnic linkages The book thus explains why representation and advocacy for Muslims in Uttar Pradesh and at the national level has alternated dramatically in the 21st century Based on original fieldwork and supplemented by existing surveys and secondary sources from the 1990s to the present day the book addresses critical themes such as inclusion and substantive representation in a democracy caste and minority politics ethnic violence and inter ethnic linkages between politicians and voters Demonstrating why political parties support and protect the interests of marginalized ethnic groups in certain political conditions but not others the volume also speaks to larger questions of the health of multiethnic democracies and democratic backsliding around the world

**The Oxford Handbook of Political Psychology** Leonie Huddy, David O. Sears, Jack S. Levy, Jennifer Jerit, 2023 This updated third edition gathers together an international group of distinguished scholars to provide an up to date account of key topics and areas of research in political psychology Focusing first on political psychology at the individual level attitudes values decision making ideology personality and then moving to the collective group identity mass mobilization political violence this fully interdisciplinary volume covers models of the mass public and political elites and addresses both domestic issues and foreign policy Now with new chapters on authoritarianism nationalism status hierarchies and minority political identities along with updated material this is an essential reference for scholars and students interested in the intersection of the two fields

**Terrorism, Gender and Women** Alexandra Phelan, 2020-12-17 Terrorism Gender and Women Towards an Integrated Research Agenda encourages greater integration of gender sensitive approaches to studies of violent extremism and terrorism This book seeks

to create and inspire a dialogue among scholars of conflict terrorism and gender by suggesting the necessity of incorporating gender analysis to fill gaps within and further enhance our understanding of political violence The chapters featured in the book interrogate how recent developments in the field such as the proliferation of propaganda and online messaging the decline or shifting presence of ISIS the continued rise of far right extremism and the changing roles of women in political violence necessitate a gendered understanding of radicalisation participation and of strategies to counter and prevent both violent extremism and terrorism Taken together they encourage a discussion of new ways in understanding how women and men can be affected by terrorism and violent extremism differently and how involvement can often be influenced by highly gendered experiences and considerations The chapters in this book were originally published as a special issue of the journal *Studies in Conflict Terrorism* **Federalist Solutions to Pakistan's Political Crises** Sikander Ahmed Shah, 2024-04-30

*Federalist Solutions to Pakistan's Political Crises* investigates the transformative potential of communal democratic norms within Pakistan's politico economic sphere Analyzing the current consociational structure which inordinately predicates federal organization on ethnic identity the book reveals the particular challenges facing Pakistan exacerbated by the imposition of neoliberal norms on its society and economy Advocating for a localized centripetalist model Sikander Ahmed Shah proposes leveraging power sharing to counter the prevailing hegemonic trends and to foster greater sociocultural cohesion within Pakistan's diverse polity This model entails dividing Pakistan's federal provinces into smaller diverse entities more reflective of their particular constituent demographics while integrating key democratic principles such as distributive justice grassroots democracy minority protections and multiculturalism into its governance structures The book explores Pakistan's civil military asymmetry emphasizing the influential role of the military establishment and its intertwined relationship with preexisting inter ethnic tensions The analysis also extends to the China Pakistan Economic Corridor CPEC examining its impact on Pakistan's federal structure socio economic fabric and civil military dynamics within the context of China's distinctive economy Throughout the work seeks to provide locally relevant and indigenously viable solutions for positive and equitable outcomes challenging historical power imbalances that have marginalized certain groups in Pakistan

**The Routledge Handbook of Autocratization** Aurel Croissant, Luca Tomini, 2024-05-14 The Routledge Handbook of Autocratization comprehensively and systematically explores the current understanding and uncharted research paths of autocratization With wide reaching regional coverage and expert analysis from Asia North and South America Europa the Middle East and North Africa this handbook reveals cross country and cross regional analysis and insights and presents in depth explanations and consequences of autocratization Arranged in five thematic parts chapters explore the basic aspects of conceptualization theorization and measurement of autocratization the role of various political and non political actors as perpetrators supporters bystanders or defenders of democracy against autocratization processes and the consequences across various policy fields Showcasing cutting edge research developments the handbook illustrates the deeply complex

nature of the field examining important topics in need of renewed consideration at a time of growing concerns for democracy and the global spread of authoritarian challenges to democracy The Routledge Handbook of Autocratization will be a key reference for those interested in and studying authoritarianism democratization human rights governance democracy and more broadly comparative politics and regional area studies Chapter 2 and Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 International license chapter 2 and Creative Commons Attribution CC BY 4.0 International license Chapter 11

***Root Narrative Theory and Conflict Resolution*** Solon Simmons, 2020-01-30 This book introduces Root Narrative Theory a new approach for narrative analysis decoding moral politics and for building respect and understanding in conditions of radical disagreement This theory of moral politics bridges emotion and reason and rather than relying on what people say it helps both the analyst and the practitioner to focus on what people mean in a language that parties to the conflict understand Based on a simple idea the legacy effects of abuses of power the book argues that conflicts only endure and escalate where there is a clash of interpretations about the history of institutional power Providing theoretically complex but easy to use tools this book offers a completely new way to think about storytelling the effects of abusive power on interpretation the relationship between power and conceptions of justice and the origins and substance of ultimate values By locating the source of radical disagreement in story structures and political history rather than in biological or cognitive systems Root Narrative Theory bridges the divides between reason and emotion realism and idealism without losing sight of the inescapable human element at work in the world's most devastating conflicts This book will be of much interest to students of conflict resolution peace studies and International Relations as well as to practitioners of conflict resolution The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**A Critical Evaluation of "Territorial Separation" as a Method of Addressing Ethnic Conflicts** Ako S. Jalal, 2022-07-26 A Critical Evaluation of Territorial Separation as a Method of Addressing Ethnic Conflicts focuses on the reasons that have contributed to ethnic conflicts in Kirkuk In the book Ako S. Jalal addresses geographic economic political and social factors He argues in the outcome of the research that the previous applied methods like power sharing and Constitution rewriting could not address ethnic conflicts effectively Finally Jalal proves through the research hypothesis that the basic method to address ethnic conflicts in Kirkuk is territorial separation

**Volatile States in International Politics** Eleonora Mattiacci, 2022-12-19 An in depth account of why countries treacherous foreign policies often have harmless origins how this predicament shapes international politics and what to do about it The increasing unpredictability of state behavior in recent world politics is a surprising development The uncertainty that results intensifies conflict and stymies trust In Volatile States in International Politics Eleonora Mattiacci offers the first account of this issue that investigates which states have been volatile and why Leveraging statistical

techniques and archival data in a probing analysis of rivals and allies since the end of World War II she rejects attempts at dismissing volatility as reflecting mercurial leaders or intractable issues Instead Mattiacci explains that a state acts in a volatile manner when its clashing domestic interests leverage power to achieve their goals on the international arena In demonstrating states potential for volatile behaviors she asks us to reconsider how much we really know about change and instability in international politics When properly understood she shows volatile behavior can become less confusing for observers and potentially less dangerous This book offers novel evidence based tools to cope with volatility in the global arena

**Democracy in Hard Places** ,2022-07-22 The last fifteen years have witnessed a democratic recession Democracies previously thought to be well established Hungary Poland Brazil and even the United States have been threatened by the rise of ultra nationalist and populist leaders who pay lip service to the will of the people while daily undermining the freedom and pluralism that are the foundations of democratic governance The possibility of democratic collapse where we least expected it has added new urgency to the age old inquiry into how democracy once attained can be made to last In *Democracy in Hard Places* Scott Mainwaring and Tarek Masoud bring together a distinguished cast of contributors to illustrate how democracies around the world continue to survive even in an age of democratic decline Collectively they argue that we can learn much from democratic survivals that were just as unexpected as the democratic erosions that have occurred in some corners of the developed world Just as social scientists long believed that well established Western educated industrialized and rich democracies were immortal so too did they assign little chance of democracy to countries that lacked these characteristics And yet in defiance of decades of social science wisdom many countries that were bereft of these hypothesized enabling conditions for democracy not only achieved it but maintained it year after year How does democracy persist in countries that are ethnically heterogenous wracked by economic crisis and plagued by state weakness What is the secret of democratic longevity in hard places This book the first to date to systematically examine the survival persistence of unlikely democracies presents nine case studies in which democracy emerged and survived against the odds Adopting a comparative cross regional perspective the authors derive lessons about what makes democracy stick despite tumult and crisis economic underdevelopment ethnolinguistic fragmentation and chronic institutional weakness By bringing these cases into dialogue with each other Mainwaring and Masoud derive powerful theoretical lessons for how democracy can be built and maintained in places where dominant social science theories would cause us to least expect it

*The Aftermath of the Bangladesh Liberation War of 1971* Amit Ranjan,Taj Hashmi,Mazhar Abbas,2024-09-02 This book analyses the human dimension during and after the Bangladesh Liberation War of 1971 The chapters investigate questions of belonging and being an alien civil rights and ethnic demands and broader issues of citizenship and statelessness The analysis centres around the situation of those who crossed into the Indian side of the border during the Liberation War the Bengali speaking population who chose Pakistan as their country after the birth of

Bangladesh and stranded Pakistani or Bihari Muslims living in Bangladesh The book addresses three key questions how do the modern nation states of India Pakistan and Bangladesh categorize citizens based on the narratives of 1971 how the acceptance of certain groups as part of the Indian citizenry affected its concept of belonging and after 1971 how do Pakistan and Bangladesh define who is part of their citizenry and how do so called aliens negotiate their identity in national debates A timely contribution to the subject of forced migration citizenship and identities in South Asia edited by three academics with Indian Pakistani and Bangladeshi heritage this book will be of interest to a variety of academics studying the history politics and sociology of South Asia

**Political Violence in Southeast Asia since 1945** Eve Monique Zucker, Ben Kiernan, 2021-04-18 This book examines postwar waves of political violence that affected six Southeast Asian countries Indonesia Burma Myanmar Cambodia Thailand the Philippines and Vietnam from the wars of independence in the mid twentieth century to the recent Rohingya genocide Featuring cases not previously explored and offering fresh insights into more familiar cases the chapters cover a range of topics including the technologies of violence the politics of fear inclusion and exclusion justice and ethics repetitions of mass violence events impunity law ethnic and racial killings crimes against humanity and genocide The book delves into the violence that has reverberated across the region spurred by local and global politics and ideologies through the examination of such themes as identity ascription and formation existential and ontological questions collective memories of violence and social and political transformation In our current era of global social and political transition the volume s case studies provide an opportunity to consider potential repercussions and outcomes of various political and ideological positionings and policies Enhancing our understanding of the technologies techniques motives causes consequences and connections between violent episodes in the Southeast Asian cases the book raises key questions for the study of mass violence worldwide

**The Future of Digital Work: The Challenge of Inequality** Rajendra K. Bandi, Ranjini C. R., Stefan Klein, Shirin Madon, Eric Monteiro, 2020-12-03 This book constitutes the refereed proceedings of the IFIP WG 8.2.9.1.9.4 Joint Working Conference on the Future of Digital Work The Challenge of Inequality IFIPJWC 2020 which was supposed to be held in Hyderabad India in December 2020 but was held virtually due to the COVID 19 pandemic This conference was organized for IFIP s 60th anniversary and to commemorate its mission to achieve worldwide professional and socially responsible development and application of ICTs The 22 full papers presented together with an introduction and two keynotes were carefully reviewed and selected from 29 submissions They are organized in topics on innovation and entrepreneurship the social significance of digital platforms transforming healthcare and the dark side of digitalization

**Civil Wars in Africa** Kelechi A. Kalu, George Klay Kieh Jr., 2022-05-05 Civil Wars in Africa edited by Kelechi A Kalu and George Klay Kieh Jr examines civil conflicts throughout various African countries They argue that civil wars in Africa are by products of the contradictions and crises engendered by the post colonial state building and nation building projects in Africa With few exceptions the post colonial states in Africa have failed to build societies that

invest in the material well being of their citizens protect their political civil and other rights promote accountability transparency the rule of law judicial independence and the holding of free and fair elections and promote ethnic pluralism tolerance mutual respect and peaceful co existence among others In addition the contributors show that the post colonial states in Africa have been ruled by corrupt and autocratic leaders who are obsessed with the maintenance of state power as the pathway to ensuring the private accumulation of wealth through sundry illegal means including bribery extortion and theft of public funds In sum this volume addresses how the failure of the post colonial African state to shepherd the process of building democratic societies based on the centrality of human security has led to the erosion of the legitimacy of the state and its custodians Thus once the contradictions and crises reached their crescendo these post colonial societies than implode into civil wars even at the micro level

**Making Peace with Referendums** Joana Amaral, 2019-07-18 Referendums have become an undeniably important and perhaps inescapable peacemaking tool in contemporary peace processes As such understanding the ways in which referendum outcomes are shaped by peace negotiations is vital Drawing upon two case studies Amaral presents an empirically rich comparative analysis of the Annan Plan in Cyprus and the Good Friday Agreement in Northern Ireland She examines the negotiations offering new interview material with key political and civil figures involved in the peace negotiations and referendum campaigns in both cases Amaral argues that referendums are unsuitable for traditional secretive and exclusionist peace negotiations that fail to engage and educate the public They rather require inclusive negotiations that involve a broad spectrum of political stakeholders and civil society at the early stages of the process This peacemaking approach can allow referendums to positively shape societies in conflict and be a crucial step toward lasting peace

**The Oxford Handbook of Nigerian History** Toyin Falola, Matthew M. Heaton, 2022 Thirty six chapters covering the history of Nigeria from prehistoric times to the twenty first century Accessible overviews of both the political narrative as well as the deeper histories of social organization identity formation and inter group relationships cutting edge analysis of key themes from highly respected scholars in a single forward facing volume Book jacket

**The Comparative Method and Civil-Military Relations** J. 'Bayo Adekanye, 2024-10-11 Comprising critical writings in civil military relations theory and research this book of essays integrates the ideas and insights drawn from political science particularly its subfields of comparative politics theory and methodology both normative and empirical with those from the combined disciplines of philosophy of science history sociology and development studies bringing out the relevance of these ideas and insights for understanding and analysing the issues central to the place and role of military in the Nigerian society This book will be useful to students academics journalists and activists working on Nigeria in particular and Africa in general Print edition not for sale in Nigeria

**Varieties of Nationalism** Harris Mylonas, Maya Tudor, 2023-08-03 Nationalism has long been a normatively and empirically contested concept associated with democratic revolutions and public goods provision but also with xenophobia genocide and wars Moving beyond facile distinctions between good and bad nationalisms

the authors argue that nationalism is an empirically variegated ideology Definitional disagreements Eurocentric conceptualizations and linear associations between ethnicity and nationalism have hampered our ability to synthesize insights This Element proposes that nationalism can be broken down productively into parts based on three key questions 1 Does a nation exist 2 How do national narratives vary 3 When do national narratives matter The answers to these questions generate five dimensions along which nationalism varies elite fragmentation and popular fragmentation of national communities ascriptiveness and thickness of national narratives and salience of national identities

**Political Instability in Guinea-Bissau** Ricardo Real P. de Sousa, Jens Herpolsheimer, Jara Cuadrado, 2025-04-25 How can we make sense of the persistent political instability in Guinea Bissau a small country that has hosted extensive international interventions and made world news headlines over several decades This book tackles this question arguing for the need to understand politics in Guinea Bissau as intricately linked to and deeply embedded in transnational regional and trans regional dynamics Taking a multidimensional approach the book brings together international scholars who have studied politics in Guinea Bissau and Africa for many years at different levels and from diverse perspectives Together the contributors provide an up to date analysis of crucial actors and processes whilst also putting them in historical perspective The volume connects the study of politics in Guinea Bissau to a range of empirical phenomena and theoretical debates that have wider relevance far beyond its borders In this way it enables a better understanding of regional and international politics demonstrating how apparently marginal cases are not marginal at all but are actively entangled in broader multi dimensional politics With important new perspectives and insights both on Guinea Bissau and wider regional dynamics this book will be an important read for researchers and policy makers involved in African politics and security issues
