**A. E. Powell**

## **Etheric Double Allied Phenomena:**

*The Etheric Double and Allied Phenomena* Arthur Edward Powell, 1925      **The Etheric Double and Allied Phenomena** Arthur Edward Powell, 1973      *The Etheric Double and Allied Phenomena* Arthur E. Powell, 2013-10 This is a new release of the original 1925 edition      **The Etheric Double and Allied Phenomena** Arthur Edward Powell, 1979-12-01

*The Etheric Double* A. E. Powell, 2007-04 According to esoteric teachings we have an energy body of lighter less dense material that is connected to our physical bodies Those who can see it call it the aura and can sometimes tell the state of a person's health by the way it appears Those who use its energy refer to the force as prana chi vital force orgone or a number of other names There are seven chakras or energy points where this energy collects in the etheric body Working with the chakras and these spiritual energies can play a big part in the psychic development and enlightenment of those sensitive enough to work on these levels This book shows you how Subjects include a chapter on each chakra center also Prana or Vitality Force Centres Kundalini Healing Mediumship Birth Death Mesmerism Magnetisation of Objects Ectoplasm and more

**The Etheric Double and Allied Phenomena; The Astral Body; The Mental Body; The Causal Body** Arthur Edward Powell, 1925      *The Etheric Double* A. E. Powell, 2007-04-25 According to esoteric teachings we have an energy body of lighter less dense material that is connected to our physical bodies Those who can see it call it the aura and can sometimes tell the state of a person's health by the way it appears Those who use its energy refer to the force as prana chi vital force orgone or a number of other names There are seven chakras or energy points where this energy collects in the etheric body Working with the chakras and these spiritual energies can play a big part in the psychic development and enlightenment of those sensitive enough to work on these levels This book shows you how Subjects include a chapter on each chakra center also Prana or Vitality Force Centres Kundalini Healing Mediumship Birth Death Mesmerism Magnetisation of Objects Ectoplasm and more      *The Etheric Double, and Allied Phenomena, Etc* Arthur Edward POWELL, 1925      **The Inner Life**

**of Krishnamurti** Aryel Sanat, 2013-11-01 Aryel Sanat's meticulously researched and cogently argued exploration of Krishnamurti's inner life and experiences explodes a number of popular myths about Krishnamurti particularly that he denied the existence of the Theosophical Masters and disdained the esoteric side of the spiritual path Rather Sanat persuasively demonstrates Krishnamurti had a rich and intense esoteric life Moreover the truths of the Ancient Wisdom as revealed through the Masters were a reality to Krishnamurti every day of his life from his boyhood until his death The real story of Krishnamurti's inner life is shown to have critical implications for our understanding of Krishnamurti's life and ideas and for our views of Theosophy Buddhism the teachings of Gurdjieff indeed the entirety of contemporary spiritual thought      *The Astral Body and Other Astral Phenomena* Arthur Edward Powell, 1926      *The Zelator* David Ovason, 2013-06-30 THIS BOOK REVEALS THE CONSPIRACY BY LEONARDO NEWTON GOETHE AND OTHER MEMBERS OF THE INITIATE TRADITION TO INFLUENCE THE COURSE OF HISTORY BY MAGIC From the dawn of history and perhaps beyond a small group of magi

working within a specific magical tradition have believed they have been influencing the course of history guiding mankind towards higher levels of consciousness. There is a reincarnationist philosophy and they believe that as initiates of the highest order they return in local groups at key moments to conspire to change the course of events. Whether or not their beliefs are right, whether or not their magical practices work in the way they believe, this book will prove that certain remarkable individuals, many of them famous in other areas, have undoubtedly held these beliefs. Bestsellers such as *HOLY BLOOD HOLY GRAIL* and *THE TOMB OF GOD* have been written by amateur historians trying to penetrate the veil of secrecy that surrounds this conspiracy. Here for the first time an initiate of the order reveals the truth. *The Western Esoteric Traditions* Nicholas Goodrick-Clarke, 2008-10-14 Western esotericism has now emerged as an academic study in its own right combining spirituality with an empirical observation of the natural world while also relating the humanity to the universe through a harmonious celestial order. This introduction to the Western esoteric traditions offers a concise overview of their historical development. Nicholas Goodrick-Clarke explores these traditions from their roots in Hermeticism, Neo-Platonism and Gnosticism in the early Christian era up to their reverberations in today's scientific paradigms. While the study of Western esotericism is usually confined to the history of ideas, Goodrick-Clarke examines the phenomenon much more broadly. He demonstrates that far from being a strictly intellectual movement, the spread of esotericism owes a great deal to geopolitics and globalization. In Hellenistic culture, for example, the empire of Alexander the Great, which stretched across Egypt and Western Asia to provinces in India, facilitated a mixing of Eastern and Western cultures. As the Greeks absorbed ideas from Egypt, Babylon, Assyria and Persia, they gave rise to the first esoteric movements. From the late sixteenth to the eighteenth centuries, post-Reformation spirituality found expression in theosophy, Rosicrucianism and Freemasonry. Similarly, in the modern era, dissatisfaction with the hegemony of science in Western culture and a lack of faith in traditional Christianity led thinkers like Madame Blavatsky to look East for spiritual inspiration. Goodrick-Clarke further examines Modern esoteric thought in the light of new scientific and medical paradigms along with the analytical psychology of Carl Gustav Jung. This book traces the complete history of these movements and is the definitive account of Western esotericism. **THE TECHNIQUES OF ASTRAL PROJECTION** Dr. Douglas M. Baker, 2014-04-11 **THE TECHNIQUES OF ASTRAL PROJECTION** The subject of Astral Projection is one of paramount significance in this materialistic Age as it proves conclusively the possibility of life after death. It is, however, a phenomenon more often brushed aside by the medical profession as mere hallucination. In this book, Dr. Douglas Baker supplies the reader with case histories proving the reality of Astral Projection as well as describing in detail the various techniques whereby the astral body can be brought out of alignment with the physical so that the individual can be made increasingly conscious in the astral world. He then goes on to describe that astral world and what we may expect to find there. *The Theosophist*, 1927 **The Human Aura** Walter John Kilner, 2000-06 The classic work on an age-old phenomenon *The Magus: Kundalini and the Golden Dawn (Srpski Prevod)* Neven
