

Guided Reading Observation Form

The Guided Reading Observation Form is an observation sheet that will make guided reading note-taking easy. I would recommend starting a Guided Reading binder with at least 5 index dividers. Each divider will be for each homogeneous reading group in your class. I would recommend printing the observation sheet (page 4 of this file) and making it 2-sided. One sheet is meant for one student only, and each box is meant for a different guided reading date. Directions on how to complete the observation sheet are on page 2 of this file.

Page 5 of this file is the Guided Reading Observation Log. I recommend printing this page on a different colored paper. I would place it under each divider of your binder on top of the observation sheets. Directions for the log are on page 4 of this file.

With these forms, you should have accurate documentation of each student's progress during guided reading. You can refer back to the forms for Parent-Teacher Conferences or when writing comments for report cards. Happy reading, and thank you for purchasing my product. ☺
