Classical Spanish Drama in Restoration English (1660-1700) Jorge Braga Riera, 2009 Printbegr nsninger Der kan printes 10 sider ad gangen og max 40 sider pr session Spanish Drama Before, Lope De Vega (Classic Reprint) J. P. Wickersham Crawford, 2015-07-09 Excerpt from Spanish Drama Before Lope De Vega Seventy years have passed since the first appearance of Adolph Friedrich von Schack's *Geschichte der dramatischen Literatur und Kunst in Spanien* the first part of which was devoted to a study of the predecessors of Lope de Vega and while many critical studies have been written upon individual dramatists and many plays not mentioned by Schack have been discovered and published no attempt has been made since that time to write a history of the earlier Spanish drama Limitations of space have prevented me from attempting to write a detailed history of the Spanish drama before Lope de Vega but I have tried to give at least an outline of the development of dramatic literature in that period I am fully aware of the fact that the picture which I present is incomplete but it is my hope that I have succeeded in presenting here the results of the studies of my many predecessors as well as of my own reading and that this little book will serve as a starting point for further investigation in a subject that offers so much of interest I have limited myself to a consideration of the drama in the Spanish language and have therefore paid little attention to the plays of that period written in Catalan and Valencian With considerable regret I have included only the Castilian plays of Gil Vicente and the plays in which the Castilian element seems to predominate and I have not even touched upon the many disputed points in the biography of the great Portuguese poet I wish to express my gratitude to my friend and colleague Professor Hugo A Rennert for his kindness in reading my manuscript About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Spanish Drama** George Henry Lewes, 2018-02-06 Excerpt from *The Spanish Drama* Lope De Vega and Calderon Lope DE vega and calderon are the subjects of two interesting chapters in *Literary History* which have been handled with less fulness than almost any others of equal importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Spanish Tragedy** Thomas

Sullivan, 2009-10-29 This book recounts the afterlife of the great Golden Age dramatist Pedro Calderón de la Barca in Dutch and German speaking Europe The high quality of the German critical and philosophical tradition has led to a far greater appreciation of Calderón outside than inside his native Spain and it is in the German territories that the playwright's influence has been most remarkable and widespread Professor Sullivan documents and analyses Calderón's reception and influence on the stage and on playwriting criticism philosophy and music in these territories In addressing his book to students of both the German and the Spanish traditions Professor Sullivan has supplied the necessary background to both cultures and has rendered all quotations into English The range of material will also make the book important for students of philosophy comparative drama and German opera Catalogue of the Library Hispanic Society of America.
