Preaching the Presence of God Eunjoo Mary Kim, 2023-07-31 Into this new wave of homiletical insight comes a remarkable book by Eunjoo Mary Kim Over against any notion of homiletical theory created in a cultural vacuum Kim focuses with precision and insight on the Asian American context showing how Asian American Christians are affected by the delicate interplay between the traditional religious heritage of the East and the new cultural situation in America The Asian American pulpit will be richer for her efforts and the field of homiletics will be wiser for her vision from the Foreword Kim s much needed resource provides clear and thoughtful insights on preaching from an Asian American perspective This book first explores the distinctiveness of the Asian American congregation and spirituality and then goes further to develop a theology of preaching

that fully considers the uniqueness of this spirituality In addition Kim provides sound perspectives on Asian American biblical interpretation helpful sermon development and design and a sample sermon to make this book invaluable a resource that sets the standard in Asian American preaching *Science in the New Age* David J. Hess,1993 In *Science in the New Age* David Hess explores ideologies of the paranormal in the United States He offers a map of the labyrinth of views put forward by parapsychologists and skeptical debunkers spirit channelers and crystal healers Hollywood poltergeist scripts and prophets of the New Age Adopting a cultural perspective Hess moves beyond the question of who is right or wrong to the cultural politics of how each group constructs its own boundaries of true and false knowledge Hess begins by looking at each group s unique version of knowledge science and religion and at its story about the other groups Comparing the various discourses texts writers and groups as cultures he shows how skeptics parapsychologists and New Agers may disagree vehemently with each other but end up sharing many rhetorical strategies metaphors models values and cultural categories Furthermore he argues their shared paraculture has a great deal in common with the larger culture of the United States The dialogue on the paranormal Hess concludes has as much to do with gender power and cultural values as it does with spirits extrasensory perception and crystal healing *Gods Journey* Peter Kristian Fryksäter,2023-02-23 The intensity is the living word is the love of God that flows within all of us The children of God s a task that awaits us here in the eternity of life we walk together are curious discovering all the possibilities that the property of life s United life brings forth within all of us

The Legacy of Edith Kramer Lani Gerity,Susan Ainlay Anand,2017-12-06 *The Legacy of Edith Kramer* presents a unique exploration into the life and work of the groundbreaking artist and art therapist This edited volume examines the artist s personal and cultural history prior to relocating to the United States as well as the later years when she worked as an artist art therapist and teacher as she developed her theoretical understanding of art therapy Kramer s solutions to creating a meaningful artist s life run throughout the chapters within this book and provide the reader with a sense of what is possible Written by an international group of contributors this informative new text offers a multifaceted view of Edith Kramer that will be appreciated by current and future art therapists looking to better understand Kramer s exceptional mind and contributions to the field *Head and Heart* Victor Mansfield,2002-07-01 This unusual book tells the story of an astrophysicist s search for meaning from psychological philosophical and spiritual points of view Mansfield weaves personal memoir with clear scientific discussion and quotes such famous thinkers and writers as Steven Weinberg Jane Goodall Joseph Campbell C G Jung Nelson Mandela Robert Frost and the Sufi poet Rumi In plain language Mansfield explores radio astronomy the nature of time relativity cosmological expansion and quantum mechanics with personal examples of meditation dreams and synchronicity to show that spiritual experience offers a fundamentally different window into reality than that given by science And he tackles these questions What is invisible matter Am I merely a complex tangle of atoms and molecules controlled by the laws of physics What is the nature of soul How is modern science a form of religion You will be

charmed by Mansfield's anecdotes to dramatize his own struggles with such questions. In a culture where the relationship between science and spirituality continues to be strained, he offers hope for a higher synthesis that embraces dissenting worldviews and encourages compassionate action in the world.
