Marchal, 2017-02-09 Relatively brief and seemingly unassuming Philippians is frequently underestimated by its readers and users This guide shows that what lies within this letter is much more complicated and dynamic than many expect After surveying the major historical problems and the methods scholars use to arrive at competing solutions Marchal focuses on the letter's famous hymn of Christ a rare glimpse into a tradition created by the community in Philippi even earlier than Paul's letter Given its impact and potential the hymn deserves sustained attention including its connections to slavery and other modes of social power Turning to the letter as a whole Marchal asks how this letter fits with types of argumentation in Greco Roman culture moving then into a detailed sketch of the rhetorical patterns in the letter from unity and sameness to hierarchy and modeling Feminist and empire critical approaches are presented alongside more traditional assumptions and ideas throughout signaling how choices in approach and starting points have historically affected the scholarly visions and communal uses for Philippians In the final chapter the letter is put to a series of atypical uses as the insights of queer theories are brought into surprising interaction with the arguments in the letter Tarrying over unmentionable ideas and provocative moments that readers typically race past this chapter takes the reader from the hierarchical heights of a cosmic Christ to the depths of excrement being emptied from the same body from the arguments of waste to revealing asides about human waste and feminine lack The performative power and possibilities of Paul's letters has never been stranger nor more subversive of the too often destructive and dehumanizing uses of biblical images ideas and arguments **Plays for Today** Kenneth Jaikaransingh, 2017-06-19 Ti Jean and his Brothers was Derek Walcott's first venture into musical plays and is still his most popular work A lilting St Lucian folk tale it tells the story of a poor family who dwell on the edge of a magical forest haunted by the devil's spirits The brilliance of Walcott's writing draws us into the realms of fantasy where the actual and the miraculous collide Dennis Scott's An Echo in the Bone is set during a traditional Nine Night Ceremony held to honour the spirit of the dead Shattering sequential time in a series of dreamlike episodes the play takes us back to the time of plantations and slavery and the savage murder of the white estate owner Who killed Mr Charles The answers lie deep in the racial memory they echo in the bone The giddy atmosphere of carnival is the setting for Errol Hill's Man Better Man a rumbustious colourful comedy musical about stickfighters With dance and song the battling troubadours and the calypsonian weave a tale of braver superstition and fraudulence When first performed the Times described it as a blazing electrifying feast of rhythm and colour Theatre Studies Kenneth Pickering, Mark Woolgar, 2017-09-16 An interactive text covering the requirements of undergraduate and diploma courses in theatre drama and performing arts successfully integrating both practical and theoretical work The
