The Choice I Made When I Was Twenty-Three Mark Sevilano Jr.,2014-03-05 The choice I made when I was twenty three is about a young man s becoming of age story It s about overcoming battles with identity sexuality and spirituality At age twenty three Mark faces his secrets pain and anger from the past and announces to his parents that he is gay After his announcement he begins feeling empty and desperate once again searching for help and answers One day in his room he receives help in a way he least expected Mark perseveres through some of his hardest moments in life eventually marrying his true love Through it all he realizes that everything people do become and achieve all starts with the power of a choice Here is Mark s story of hope to those who have ever wondered who am I What am I here for And how one choice can put you in a brand new direction that will change your life forever **Bludgeon Ball Genesis** VR. Sibeko, You never lose anything That which shatters finds itself whole They say some can never be whole but that is not the truth All becomes whole simply because it changes The meltdown of a single nation blew apart the house of cards which made the world economy and birthed the Final Crash A chain reaction was set off that altered the landscape of the planet down to the planet s crust Governments borders society the crumbled Earth held a violent rebellion against Nature and itself Chaos reigned in its wake until even that grew old and ruinous calmed Sixteen year old Nati has never seen another human being except old man Raditz Together they travelled through the wastelands intersecting between the Xhosa Zulu Pedi Venda and San territories where nothing can survive the hellish fury which is now the African sun The day she saw her first sign of human life she lost the only man she d ever known and the course of her life descended into a road that led her to an oasis at the edge of the world where nothing can escape Humans are hard to deal with impossible to figure out or trust most especially when you have something everyone wants a way out If Nati wants out alive she will have to bet her life on a game she had never so much as heard of Bludgeon Ball and if she can survive without breaking every bone in her body and trust in her less than honest partner then she just might make it out alive When survival through strength is the only thing you know the best solution can be found in a game where fatal assault is literally in the name *The Cut Flower Handbook* Lisa Mason Ziegler,2024-02-27 The Cut Flower Handbook is a gorgeously illustrated all encompassing guide to growing your own cut flowers at home *Mothership* Tony Chandler,2003-06 In the midst of Galactic War a new life form is born an AI starship But with all its weapons and sophisticated programming the sentient starship is not equipped for its greatest challenge that of becoming the mother to the last three children of humanity The deadly T kaan soon begin the hunt again after they discover that the human race is not quite extinct As Mother faces these impossible odds she discovers that deep inside her massive memory systems she holds another treasure a knowledgebase that contains all the science lore wisdom and art of the human race since the beginning of time Now Mother must fight not only to save humanity from extinction but also from being forgotten by the rest of the universe **Toxic Schools** Bowen Paille,2013-10-04 Violent urban schools loom large in our culture for decades they have served as the centerpieces of political campaigns and as window dressing for brutal

television shows and movies Yet unequal access to quality schools remains the single greatest failing of our society and one of the most hotly debated issues of our time Of all the usual words used to describe non selective city schools segregated unequal violent none comes close to characterizing their systemic dysfunction in high poverty neighborhoods The most accurate word is toxic When Bowen Paulle speaks of toxicity he speaks of educational worlds dominated by intimidation and anxiety by ambivalence degradation and shame Based on six years of teaching and research in the South Bronx and in Southeast Amsterdam Toxic Schools is the first fully participatory ethnographic study of its kind and a searing examination of daily life in two radically different settings What these schools have in common however are not the predictable ideas about race and educational achievement but the tragically similar habituated stress responses of students forced to endure the experience of constant vulnerability From both sides of the Atlantic Ocean Paulle paints an intimate portrait of how students and teachers actually cope in real time with the chronic stress peer group dynamics and subtle power politics of urban educational spaces in the perpetual shadow of aggression **Imperial Crusades** Alexander Cockburn,Jeffrey St. Clair,2004-06-17 The political and human carnage of the wars in Iraq Afghanistan and Yugoslavia are chronicled in this book featuring entries from the authors former marines historians a psychologist an economist a human rights lawyer and former CIA analysts
