Allison,2021-09-29 Can love beat the odds or will the dice decide their fate Expecting the usual entertainment at the local Nova Scotia exhibition Charles Hazard is less than impressed by the secluded corn maze his long time friend and secret crush Tiffany drags him to The repulsive state of decay and the creepy dummy guarding the entrance of the maze have Charles anxious to leave but his sense of self preservation wars with his desire to make Tiffany happy Tiffany Morrow doesn't think much of the tarot card reading she had only days before the annual exhibition and has all but forgotten the prophet's words and how she drew the Death card when she comes across a spooky corn maze There's only one person she wants to explore the stalks with She's been in love with her best friend Charles for as long as she can remember His level head introverted tendencies and unique ginger sexiness call to the most intimate parts of her Their fun quickly takes a dark turn when the maze morphs into a game of life or death From a quiet sunflower field to a treacherous walk across a volcano's cone to an encounter with a creature out of horror legends each roll of the dice forces them to work as a team or perish in a way they most fear Amidst the danger filled labyrinth they delight in small stolen moments and find the soul mate they have been searching for However as with most games of chance performed at a devil's will there is more to this sport than there appears Could they really be the only ones within the walls of their confines or are other creatures lurking In a terrifying twist of fate their chances at forever could be ripped away from them by a single roll of the dice Victory may linger out of reach and a curse of eternal agony and loneliness could be their fate Or just once the dice might roll in their favor But what are the odds of that *Eternity's Gamble* is a friends to lovers paranormal horror romance **Eternity's Sunrise** Leo Damrosch,2015-10-28 William Blake overlooked in his time remains an enigmatic figure to contemporary readers despite his near canonical status Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language in which words and images unite in a unique interpretation of self and society He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience social political philosophical religious erotic and aesthetic He believed that we live in the midst of Eternity here and now and that if we could open our consciousness to the fullness of being it would be like experiencing a sunrise that never ends Following Blake's life from beginning to end acclaimed biographer Leo Damrosch draws extensively on Blake's poems his paintings and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world The author's goal is to inspire the reader with the passion he has for his subject achieving the imaginative response that Blake himself sought to excite The book is an invitation to understanding and enjoyment an invitation to appreciate Blake's imaginative world and in so doing to open the doors of our perception **Eternity's Mark** Maeve Greyson,2011-10-24 A sexy Scot A mystical inheritance What could go wrong Veterinarian Hannah MacPherson knows better than to believe in love at first or any sight True being swept away by Taggart de Gaelson to the vast Scottish castle she's mysteriously inherited is uber romantic The

legacy is totally legitimate and its messenger is big broad shouldered and smokin in more ways than one Too bad Taggart forgot to mention that Hannah s also a Guardian of magical dragons called the Draecna And as Hannah s sworn otherworldly protector Taggart is honor bound not to lay a hand on her no matter how close he gets But turning duty into pleasure is just too tempting And for Hannah mastering her powers and saving two worlds from evil will be way easier than showing one hardheaded warrior that breaking all the rules means they are eternally made for each other *Eternity's Guide to Immortality* Robert Falkenstein,2022-04-13 In a moment of time author Robert Falkenstein transcended both the mind and the understanding of humans to see the greatest victory celebration of the ages that of heaven where time merges into eternity and children from all tongues races and nations who once walked the earth are joined together as one to usher in a new age in which neither pain nor death will have a place Building on this experience Eternity s Guide to Immortality seeks to fill your heart with joy and wonder as you journey through heaven s golden streets Come see the endless sights and sounds of heaven through the eyes and words of countless generations who enjoyed its deep and endless joys It is truly a world beyond comprehension where God has made provision for all Learn about God s plan for you and discover why He wants you to live with Him forever where time ends and eternity begins where the endless pains and worries of this world cannot enter There you will never be alone This personal narrative and testimony invites you to explore what heaven has in store for you so that you may embrace God s plan for you
