**Erasmus and the Age of Reformation** Johan Huizinga, 2021-09-19 Book Excerpt culture among the middle classes a culture of a very narrow strictly ecclesiastical nature indeed but which for that very reason was fit to permeate broad layers of the people What the Windesheimians themselves produced in the way of devotional literature is chiefly limited to edifying booklets and biographies of their own members writings which were distinguished rather by their pious tenor and sincerity than by daring or novel thoughts But of them all the greatest was that immortal work of Thomas Kempis Canon of Saint Agnietenberg near Zwolle the Imitatio Christi Foreigners visiting these regions north of the Scheldt and the Meuse laughed at the rude manners

and the deep drinking of the inhabitants but they also mentioned their sincere piety These countries were already what they have ever remained somewhat contemplative and self contained better adapted for speculating on the world and for reproving it than for astonishing it with dazzling wit Read More [Erasmus Johan Huizinga,1957](#) *Erasmus and Age of Reformation* Johan Huizinga,2014-08-03 This collection of literature attempts to compile many of the classic timeless works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them **The Rock Cycle** Kevin Honold,2021-04 In this collection of essays Kevin Honold explores themes of history and its fading significance in modern American life **Renaissance Humanism in Support of the Gospel in Luther's Early Correspondence** Timothy P.
