Erotic Poems Oxford Worlds Classics:

Goethe Ritchie Robertson, 2016 Johann Wolfgang von Goethe lived to the age of 82 and wrote prodigiously in every genre drama poetry fiction autobiography travel narrative translation from French and Italian and critical essays on art and literature besides copious letters and diaries Ritchie Robertson draws out key themes of his work and explains its lasting importance

Faust: Part Two J. W. von Goethe, 2008-05-08 Loosely connected with Part One and the German legend of Faust Part Two is a dramatic epic rather than a strictly constructed drama It is conceived as an act of homage to classical Greek culture and inspired above all by the world of story telling and myth at the heart of the Greek tradition as well as owing some of its material to the Arabian Nights tales The restless and ruthless hero advised by his cynical demon companion Mephistopheles visits classical Greece in search of the beautiful Helen of Troy Returning to modern times he seeks to crown his career by gaining control of the elements and at his death is carried up into the unknown regions still in pursuit of the Eternal Feminine David Luke's translation of Part One won the European Poetry Translation Prize Here he again imitates the varied verse forms of the original and provides a highly readable and acceptable translation supported by an introduction full notes and an index of classical mythology

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Selected Poetry Goethe, 2005-04-28 Shall I embrace you must I let you go Again you haunt me come then hold me fast Goethe viewed the writing of poetry as essentially autobiographical and the works selected in this volume represent over sixty years in the life of the poet In early poems such as Prometheus he rails against religion in an almost ecstatic fervour while To the Moon is an enigmatic meditation on the end of a love affair The Roman Elegies show Goethe's use of Classical metres in homage to ancient Rome and its poets and The Diary suppressed for more than a century is a narrative poem whose eroticism is unusually combined with its morality Arranged chronologically David Luke's verse translations are set alongside the German originals to give a picture of Goethe's poetic development This edition also includes an introduction and notes placing the poems in the context of the poet's life and times

Selected Poems Paul Verlaine, 1999 Verlaine ranks alongside Baudelaire Mallarmé and Rimbaud as one of the most influential poets of late nineteenth century France Remarkable not only for his exquisitely crafted verse Verlaine is also the poet of strong emotions and appetites with an unrivalled gift for the sheer music of poetry and an inventive approach to its technique This bilingual edition provides the most comprehensive selection of his poetry yet offering some 170 poems in lively and fresh translations It also offers a lucid introduction which illuminates Verlaine's poetic form within the context of French Impressionism and the poetry of sensation

Reading Ovid Peter Jones, 2007-03-08 Presents a selection of stories from Ovid's Metamorphoses the most famous and influential collection of

Greek and Roman myths in the world It includes well known stories like those of Daedalus and Icarus Pygmalion Narcissus and King Midas The book is designed for those who have completed an introductory course in Latin and aims to help such users to enjoy the story telling character drawing and language of one of the world s most delightful and influential poets The text is accompanied by full vocabulary and grammar notes with assistance based on two widely used beginners courses Reading Latin and Wheelock s Latin Essays at the end of each passage point up important detail and show how the logic of each story unfolds while study sections offer questions for discussion and ways of thinking further about the passage No other intermediate text is so carefully designed to make reading Ovid a pleasure

Erotic Poems Johann Wolfgang von Goethe,1999 Editorial censorship has long obscured Goethe s Roman Elegies which were inspired by Goethe s sexual liberation in Italy and his love for the woman he took as his unofficial wife on his return to Germany They are here presented as Goethe boldly conceived them together with the long suppressed narrative poem known as The Diary Completing the edition is a selection from Goethe s more light hearted and much censored cycle of erotica the Venetian Epigrams An illuminating Introduction by Hans Vaget provides the background to these poems as well as showing some of the profound and little known connections between them

The Erotics of War in German Romanticism Patricia Anne Simpson,2006 In The Erotics of War in German Romanticism Patricia Anne Simpson explores the ways early nineteenth century German philosophers poets and artists represent war and erotic desire The author argues that gender is connected to a larger debate about the construction of the self in relation to a community at a time that this definition is under revision She analyzes the culture of war as it shapes the bonds of fraternal familial and eventually national identity Simpson defines the erotics of war as discursive attempts to assert the priority of ethical identity and citizenship over individualized desire The seemingly ancillary problem of female desire emerges not as a marginal issue but as the focal point of a debate about identity

Reading the Novels of John Williams Mark Asquith,2017-12-06 John Williams as the New Yorker noted recently was author of the greatest American novel you ve have never heard of He died in obscurity but has enjoyed a literary renaissance due to the worldwide critical acclaim greeting recent reissues of his major novel Butcher s Crossing Augustus and particularly Stoner With films of both Butcher s Crossing and Stoner already in pre production it is clear that Williams star is in the ascendant This book is designed to offer a critical introduction to his writing It is developed through solid scholarly research but is structured and written in a clear and direct style that makes it accessible for academics students and general readers alike It offers a clear sense of the novelist s early life and work which includes an evaluation of his academic life he was a professor at the University of Denver and neglected poetry The bulk of the book is given over to readings of the three major novels they offer an appreciation of Williams literary craft combined with an assessment of literary and cultural influences and an overview of contemporary critical reactions Few authors have written such disparate works in terms of subject matter genre and style however they are all united in their effort to grapple with deeper existential questions For

whether his characters are riding the Western plains speaking in the Roman Forum or reading in a dusty library they all demonstrate Williams preoccupation with the ways in which youthful hopes and a strong sense of who we are shaped by life's accidents. How we make the life meaningful, learn to love another human being, confront failure, these are the well points of Williams understated tragedies. Unfortunately, such meditations are rarely fashionable, but neither are they ever unfashionable. George Orwell observed that the only true critic is time; this study makes clear that Williams' time has come.

Pan Knut Hamsun, 2023. In his 1894 breakthrough novel *Pan*, Knut Hamsun provides a lyrical yet disturbing analysis of love and the dark recesses of the human psyche. Lieutenant Thomas Glahn roams Norway's northernmost wilds alone, save only for his faithful dog Aesop. Living out of a rudimentary hut at the edge of a vast forest, Glahn pursues his solitary existence hunting and fishing until the strange girl Edvarda comes into his life. Edvarda is the daughter of a merchant in a nearby town, and both are strongly attracted to one another, but neither understands the other's love. Glahn becomes overwhelmed by the society of people where Edvarda lives and suffers a series of tragedies during their time together. A new translation by Terence Cave of Hamsun's 1894 novel restores the power and virtuosity of Hamsun's original and includes an illuminating introduction and explanatory notes.

Nana Émile Zola, 2020-03-26. She was the golden beast, an unconscious force, the very scent of her could bring the world to ruin. Nana, daughter of a drunk and a laundress, is the Helen of Troy of Paris. A sexually magnetic, high-class prostitute and actress, she becomes a celebrity, rapidly conquering society, ruining all men who fall under her spell, especially Count Muffat, Chamberlain to the Empress. Nana herself meets a terrible fate, consumed by her own dissipation and extravagance, just as the disastrous war with Prussia is declared. *Nana* is the ninth instalment in the twenty-volume Rougon-Macquart series. The novel opens in 1867, the year of the World Fair, when Paris, thronged by a cosmopolitan elite, was *la Ville Lumière*, the glittering setting and object of Zola's scathing denunciation of society's hypocrisy and moral corruption. *Nana* comes to symbolize the Second Empire regime itself in all its excesses, but in the final chapters the narrator seems to suggest that the coming disaster is not so much a result of the corruption of the Empire as of rampant female sexuality.

The Bright Side of Life Émile Zola, 2018-06-14. Neither spoke another word; they were gripped by a shared, unthinking madness as they plunged headlong together into vertiginous rapture. Orphaned with a substantial inheritance at the age of ten, Pauline Quenu is taken from Paris to live with her relatives, Monsieur and Madame Chanteau, and their son Lazare, in the village of Bonneville on the wild Normandy coast. Her presence enlivens the household, and Pauline is the only one who can ease Chanteau's gout-ridden agony. Her love of life contrasts with the insularity and pessimism that infects the family, especially Lazare, for whom she develops a devoted passion. Gradually, Madame Chanteau starts to take advantage of Pauline's generous nature, and jealousy and resentment threaten to blight all their lives. The arrival of a pretty family friend, Louise, brings tensions to a head. The twelfth novel in the Rougon-Macquart series, *The Bright Side of Life*, is remarkable for its depiction of intense emotions and physical and mental suffering. The precarious location of Bonneville and the changing

moods of the sea mirror the turbulent relations of the characters and as the story unfolds its title comes to seem ever more ironic Anna Karenina Leo Tolstoy,2016 One of the greatest novels ever written Anna Karenina is the story of a beautiful woman whose passionate love for a handsome officer sweeps aside all other ties This major translation conveys Tolstoy's precision of meaning and emotional accuracy in an English version that is highly readable and stylistically faithful *His Excellency Eugène Rougon* Émile Zola,2018-03-08 He loved power for power's sake He was without question the greatest of the Rougons His Excellency Eugène Rougon 1876 is the sixth novel in Zola's twenty-volume Rougon Macquart cycle A political novel set in the corridors of power and in the upper echelons of French Second Empire society including the Imperial court it focuses on the fluctuating fortunes of the authoritarian Eugène Rougon the vice Emperor But it is more than just a chronicle It plunges the reader into the essential dynamics of the political the rivalries the scheming the jockeying for position the ups and downs the play of interests the lobbying and gossip the patronage and string pulling the bribery and blackmail and especially the manipulation of language for political purposes The novel's themes especially its treatment of political discourse have remarkable contemporary resonance His Excellency Eugène Rougon is about politics everywhere

Mademoiselle Fifi and Other Stories Guy de Maupassant,2024-02-13 It was raining as it only rains in Normandy as though great gouts of water were being sprayed by some angry giant hand Maupassant believed that we delude ourselves into believing that we are not animals acting upon instinct but rational creatures capable of idealistic beliefs and actions and survive only on the drug of self-deception Maupassant's disgust with creation was only equalled by his contempt for human hypocrisy and in these tales he takes a scalpel to our illusions and cuts to the bone But his clinical pessimism is redeemed by a sense of the absurd and a warmer compassion for humanity bleeding Unsentimental but always honest he persuades us that life is an incomprehensible cosmic farce This translation of twenty tales shows Maupassant at his bitter bawdy chilling best It features some of his grimmest and most famous stories such as A Vendetta and The Grove of Olives and it also reflects both his moods and his mastery of the short story The Little Keg is rich in comic invention while the disturbing Who Can Tell draws its power from the strange forces which drove its author into madness ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up-to-date bibliographies for further study and much more *The Dream* Émile Zola,2018-09-20 Is it wrong to love whatever is beautiful and rich I love it precisely because it is beautiful because it is rich because I think it brings joy to my heart On Christmas day in the flurry of a snow storm the Huberts discover a ragged nine-year-old girl sheltering under the neighbouring cathedral porch Childless and pious the couple take in and raise Angelique as their own The girl is intensely passionate and given to rage and disobedience as well as love and religious fervour Inspired by The Golden Legend Angelique creates a dream world all of her own peopled with

spirits As part of her dream vision she becomes convinced she will marry a rich and handsome young prince Her wish seemingly comes true when she falls in love with a lord's son The sixteenth novel in the Rougon Macquart series The Dream marks a departure by Zola from the conventions of realism Here Zola explores the persistence of mysticism but also blends elements of fairy tale with the naturalist techniques for which he had become known This edition contains a wide ranging introduction placing Zola's changing concerns in the context of his wider work and illuminates key themes in the novel such as architecture heraldry and the lives of the saints

Borges, Desire, and Sex Ariel de la Fuente, 2018-11-21 Until now Jorge Luis Borges has been considered an asexual author who could not read or write about sex but in this study historian Ariel de la Fuente reveals for the first time the relationship between Borges's sexual biography his erotic readings and the expression of desire and sex in his literature

Bioscience and the Good Life Iain Brassington, 2013-12-05 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The field of biotechnology has provided us with radical revisions and reappraisals of the nature and possibilities of our biological existence Yet beyond its immediate utility does a life that is healthier longer or freer from disease make us better or more moral people Bioscience and the Good Life explores the complex relationship between modern biosciences and human flourishing their sympathies and schisms and the instances of their reconciliation Here cognitive enhancement longevity and the spectacle of excellence in sports are examined within the context of what constitutes a life well lived Framing biotechnological innovation in the discourse of duty and ethics Brassington advances an insightful and involved response to the existing debates between bioscientific optimists and pessimists one which mediates their differences and expands the traditional scope of their arguments

Twenty Years After Alexandre Dumas, 2008-09-11 Two decades have passed since the musketeers triumphed over Cardinal Richelieu and Milady Time has weakened their resolve and dispersed their loyalties But treasons and stratagems still cry out for justice civil war endangers the throne of France and in England Cromwell threatens to send Charles I to the scaffold The quartet of musketeers come out of retirement to cross swords with time the malevolence of men and the forces of history But their greatest test is the titanic struggle with the son of Milady who wears the face of evil

Evelina Frances Burney, 2002-04-18 Lord Orville did me the honour to hand me to the coach talking all the way of the honour I had done him O these fashionable people Frances Burney's first and most enduringly popular novel is a vivid satirical and seductive account of the pleasures and dangers of fashionable life in late eighteenth century London As she describes her heroine's entry into society womanhood and inevitably love Burney exposes the vulnerability of female innocence in an image conscious and often cruel world where social snobbery and sexual aggression are played out in the public arenas of pleasure gardens theatre visits and balls But Evelina's innocence also makes her a shrewd commentator on the excesses and absurdities of manners and social ambitions as well as attracting the attention of the eminently eligible Lord Orville Evelina comic and shrewd is at once a guide to fashionable London a satirical attack on

the new consumerism an investigation of women's position in the late eighteenth century and a love story The new introduction and full notes to this edition help make this richness all the more readily available to a modern reader ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Goethe A. N. Wilson, 2024-09-26 A TELEGRAPH BOOK OF THE YEAR

Wild brilliant and has all the intelligence to rival its subject Five Stars Frances Wilson The Telegraph Exuberant and wide ranging Literary Review Passionate The Times A spellbinding recreation of Goethe's life and work from one of our greatest biographers Goethe was the inventor of the psychological novel a pioneer scientist great man of the theatre and a leading politician As A N Wilson argues in this groundbreaking biography it was his genius and insatiable curiosity that helped catapult the Western world into the modern era A N Wilson tackles the life of Goethe with characteristic wit and verve From his youth as a wild literary prodigy to his later years as Germany's most respected elder statesman Wilson hones in on Goethe's undying obsession with the work he would spend his entire life writing *Faust* Goethe spent over 60 years writing his retelling of *Faust* a strange and powerful work that absorbed all the philosophical questions of his time as well as the revolutions and empires that came and went It is his greatest work but as Wilson explores it is also something much more it is the myth of how we came to be modern
