Jordan, 2001-11-13 *Taking on the Gods* explores a clinical theological approach to the treatment of individuals couples and families suffering from neurotic styles of life Merle Jordan exposes the origins of neuroses in idolatry the substitution of false psychological gods for the true God as the center of ultimate reality In attempting to earn the approval of these false gods and to escape their harsh judgment one enters into a second idolatry becoming one's own Messiah parts of the self are sacrificed to placate the false

gods The resulting personality distortions are the source of many emotional difficulties Jordan discusses not only the role of pastoral counselors in helping clients confront their idols but also the counselors responsibility to recognize their own false gods Topics covered include Pastoral Counseling as the Encounter Between Gods The Implicit Religious Drama in Marital and Family Counseling The Operational Theology of the Common Cold Depression and Self justification Versus Justification by Faith Through Grace According to Jordan helping people to take on their gods to free themselves to experience the loving God is the heart of the pastoral counselor s task

At the Interface of Transactional Analysis, Psychoanalysis, and Body Psychotherapy William F. Cornell, 2018-08-15 At the Interface of Transactional Analysis Psychoanalysis and Body Psychotherapy revolves around two intertwined themes that of the critique and expansion of the theory and practice of transactional analysis and that of the generative richness discovered at the intersection of transactional analysis psychoanalysis and somatic psychotherapy William F Cornell explores the work of psychotherapists and counsellors through the lenses of clinical theory practice supervision and ethics The reader is thus invited into a more vivid experience of being engaged and touched by this work s often deep and at times difficult intimacy The book is grounded in the approaches of contemporary transactional analysis and psychoanalysis using detailed case discussions to convey the flesh of these professional and yet all too human working relationships Attention is paid to the force and richness of the transferential and countertransferential tensions that pervade and enliven the therapeutic process Unconscious processes are viewed as fundamentally creative and life seeking with the vital functions of fantasy imagination and play brought into the foreground In the era of short term cognitive behavioural solution focused and evidence based models of counselling and psychotherapy At the Interface of Transactional Analysis Psychoanalysis and Body Psychotherapy seeks to demonstrate the power and creativity of longer term dynamically oriented work

Dealing with Depression William M Clements, Richard L Dayringer, 2014-01-09 This important book explores strategies to enable clergy and lay persons to identify and help individuals suffering from depression It contains many techniques that can be used in managing depression including coping devices treatments and interventions which actually help depressed persons to improve their mental health *Dealing With Depression* describes types of depression and related symptoms to help clergy develop a more complete understanding of the disorder They will learn to recognize the symptoms of depression and be better able to help individuals who suffer from it This useful guide includes a step by step approach to depression intervention and proven techniques readers can use to enable people to cope more successfully with depression This important book has also been translated into a Chinese version *Dealing With Depression* brings together expert psychologists who explore five modalities for conceptualizing and managing depression which deflates for clergy the often intimidating quality of the disorder These experts discuss in practical and understandable ways the helping techniques they use and explain their understanding of depression and their methods of treatment A medical religious case conference with these experts shows how clergy and laity can help ease depression and

an extensive bibliography is included to facilitate further reference Dealing With Depression puts this common disorder back into the human life situation where it can be seen as just another temporary disturbance to which human beings are vulnerable but which need not significantly distort their lives relationships spiritual development or prosperity of body mind and soul

Intensive Transactional Analysis Psychotherapy Marco Sambin, Francesco Scotta, 2018-06-13 Intensive Transactional Analysis Psychotherapy An Integrated Model ITAP introduces a new approach of psychotherapy Based on psychodynamic foundations the ITAP integrates the most recent trends in short term dynamic psychotherapy and Transactional Analysis This book develops an innovative clear and complete clinical model of ITAP and introduces the reader step by step to the theoretical basis underlying the technique of this intervention The authors introduce the therapeutic procedure by bringing together the theory with brief clinical examples thereby demonstrating the attitude of the intense therapist as well as which theoretical pathways to take to progress with the patient In addition to the modulation of the technique based on the level of the patient s suffering there is also a systematic examination of which cases should be treated with ITAP and in what way Intensive Transactional Analysis Psychotherapy is a therapy which can be easily used by all therapists and this book will be of great interest to Transactional Analysis therapists and other therapists interested in Transactional Analysis and short term dynamic psychotherapy
