Hijacking Jesus Jason Jimenez,2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don t realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh *Hijacking Jesus* addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus s life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

Introducing Christianity to Mormons Eric Johnson,2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who

believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism, *Introducing Christianity to Mormons* is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions, contrast points between Mormonism and Christianity that illuminate God's truth, biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church. Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

Christian Theology Adam Harwood, 2022-10-19. The church has been entrusted with God's revelation and to steward the word of truth, we must confess the Bible's teaching with clarity and conviction. Adam Harwood's *Christian Theology* is both biblically faithful and historically informed, providing a fresh synthesis of the essential doctrines of the faith. Writing from a Baptist perspective, Harwood brings fresh insights that many systematic theologies lack. With readable prose, suggestions for further study, and discussion questions, *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why.

Scripture in the Theologies of W. Pannenberg and D.G. Bloesch Frank M. Hasel, 2004-03-01. Scripture has always played an important role in Christian theology. This study provides an issue-oriented overview of the concepts of Scripture in Protestant theology from the 16th-century Reformation onward. It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians, W. Pannenberg and D. G. Bloesch. It analyzes, compares, and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture. Despite fundamentally different starting points and other significant distinctions, Pannenberg and Bloesch reveal surprising similarities. This seems to suggest that for both, the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam.

40 Questions About Baptism and the Lord's Supper John S. Hammett, 2015-06-27. Appropriate for the student and thoughtful layperson, *40 Questions About Baptism and the Lord's Supper* answers forty of the most common and most difficult questions about the two Protestant ordinances. There is significant diversity of views on these subjects, and the skilled, evenhanded biblical analysis sheds light on the many theological and pastoral considerations regarding baptism and communion. Baptism and the Lord's Supper are practiced by almost all Christian churches, but they disagree on the meaning, proper participants, even the proper names for these observances. This book includes the major theological issues, such as infant baptism, open and closed communion, and the nature of God's activity in these celebrations; the views held by different denominations, from Roman Catholic to Lutheran, Reformed, Baptist, and others; and a number of practical issues, such as the proper age at which to baptize a child, the frequency with which the Lord's Supper should be observed, and whether these two practices should be observed only in

churches This volume will be helpful to pastors worship leaders college and seminary students and of interest to all Christians who want to grow in their understanding of these two basic Christian acts of worship Each chapter is succinct and readable with footnotes indicating additional sources for those who wish to go further The Christ-Centered Expositor Tony Merida,2016-10-01 The Christ Centered Expositor by pastor and preaching professor Tony Merida provides a comprehensive overview of effective expository preaching that begins with the inner life of the expositor and then moves to the essential elements of sermon preparation and delivery Ideal for pastors teachers and students The Christ Centered Expositor will equip you for greater faithfulness to God his Word and his mission **John Warwick Montgomery's Legal Apologetic** Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age *Against the Darkness* Graham A. Cole,2019-11-12 Many Christians live as though they are effectively alone in the world However there is another realm of intelligent life that plays a role in the world angelic beings This book explores the doctrine of angels and demons answering key questions about their nature and the implications for Christians beliefs and behavior helping readers see their place in the larger biblical plotline that includes supernatural beings An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ s victory on the cross *Understanding the Faith* Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you ll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn t Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It s a required resource for every Christian s bookshelf The One God Michael L. Chiavone,2009-05-01 In what sense is God one How can those who worship Jesus Christ his Father and the Holy Spirit claim to be monotheists These questions were answered by the early church and their answering analogies models and language have come down to the church today

However theology is not stagnant and the twentieth century has seen several new models of the Trinity emerge Many of these models have focused on the three persons without adequately considering the consequences for the unity of God The One God seeks to develop an understanding of the unity of the Triune God by examining the positions put forward by Karl Rahner Millard Erickson John Zizioulas and Wolfhart Pannenberg After carefully presenting and critically examining each of these positions this book offers a synthesis an understanding of the unity of God that is historically informed theologically adequate internally coherent and able to explain Christian monotheism in a new century By affirming both the singular divine essence of God and the genuine eternal interdependence of distinct divine persons in God The One God affirms the personal and the natural levels of ontology both crucial for understanding God humanity and the world **Asian Journal of**

Pentecostal Studies, Volume 20, Number 1 Dave Johnson,2018-04-03 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections Paul the Jewish Theologian Brad H. Young,1995-09-01 Paul the Jewish Theologian reveals Saul of Tarsus as a man who though rejected in the synagogue never truly left Judaism Author Young disagrees with long held notions that Hellenism was the context which most influenced Paul s communication of the Gospel This skewed notion has led to widely divergent interpretations of Paul s writings Only in rightly aligning Paul as rooted in his Jewishness and training as a Pharisee can he be correctly interpreted Young asserts that Paul s view of the Torah was always positive and he separates Jesus mission among the Jews from Paul s call to the Gentiles **Capital Punishment in the Pentateuch** Simon Skidmore,2022-11-17 Through the application of mimetic theory Skidmore examines the social impact of capital punishment upon the community and explores the cathartic nature of this practice within key Pentateuchal texts Skidmore shows how Mimetic theorists such as Girard advance a view that a community ravaged by vengeance and blood feuds may be saved from extinction by scapegoating one of their own As the community select a common scapegoat and vent their collective violence upon this person peace and order are restored Though an in depth analysis of various passages Skidmore reveals this process in key Pentateuchal texts concerning capital punishment These observations suggest that biblical capital punishment may have functioned as a means of protecting the Israelite community by managing rivalry and violence **Catalog of Copyright Entries.
