The Billionaire's Temporary Wife 3

Elasaretin, 2025-01-24 Billionaire Bennett Graham urgently needed a wife to close a business deal, but his fiancée wasn't ready to tie the knots yet. So his grandmother picked the most unassuming maid for him. Everything was supposed to go incredibly well, and all he had to do was wait until he divorced her a year later. But after seeing Malia's ocean eyes, it wasn't looking simple anymore. Before I could get her up, it was as if she felt the light and an uncomfortable sound came out of her mouth. Uh huh. She raised her hand to cover her eyes. But I didn't have time to wait for her to wake up, so I told her to Get Up. My voice seemed to scare her, and her light-fearing eyes suddenly widened, and she kept moving to the corner. The only voice in the quiet art room was her fear-filled voice. No, please go away, don't come close to me. She was afraid of me. I hadn't even spoken to her before. What was she afraid of? This was definitely not going to work. I couldn't talk to her if she couldn't calm down. Then I moved closer to her, my hand on her trembling shoulder, and I whispered soothingly. Calm down. I'm not going to hurt you. I'm not going to hurt you. I assured, and then she moved her hair away from her face as if to stare at me properly. Our eyes met. It was that moment. It felt as if I was enchanted for a moment. Those ocean eyes were the most beautiful eyes I've ever seen.

not alone not in struggling with this desire or in the frustration when we can't find the missing body or the killer When it becomes clear that time is falling short for the next target I hate to think that it also means my time with Ryan will be over before it's truly begun Ryan There's something to be said for not mixing business with pleasure I can't understand how my partner bumbles through cases and manages to find the clues we need and the criminals we want to stop All I can respect and admit is how deeply she's come to matter both on the clock and in my bed Marisa is the one woman I want to keep in my life And the one partner I want to trust to always have my back Focused on these cases we don't have many opportunities to sit down and talk about our futures Not when a serial killer needs to be found before they strike again And not when I'm tempted to show her how well we click and match Sooner or later choices will have to be made If I stay in town to explore this newfound intimacy neither of us can get enough of there's no chance that I would be able to stay on the force I promised myself that I'd never let anyone especially not another woman influence my choice to stay in my career I'll never turn off my dedication to see justice be delivered but this time is different I hate to consider the idea that I might have to walk away from her love after all
