Jennifer Allen

Dra Teacher Observation Guide:

A Sense of Belonging Jennifer Allen, 2023-10-10 Too often new teachers enter the profession excited to make a difference in the lives of children only to find themselves disillusioned and overwhelmed with the expectations of the classroom In *A Sense of Belonging* Jennifer Allen shares her stories and journey in creating an infrastructure of support for new teachers within her school district *A Sense of Belonging* provides research based practical ideas on how to support new teachers while honoring the innovation idealism and optimistic enthusiasm that they bring to the classroom From supporting new teachers early in the year with administering and analyzing literacy assessments through using student work to guide instruction to offering ongoing help with curriculum planning Jennifer shares strategies on fostering relationships with new teachers starting before school even begins creating learning environments for new teachers to be reflective practitioners coaching new teachers in their classrooms and providing opportunities for them to observe their peers in action supporting new teachers beyond their first year through gradual release of support over their first several years in the classroom and facilitating professional development opportunities where new and veteran teachers learn alongside one another Jennifer believes and her book demonstrates that when schools embrace encourage and celebrate the work of new teachers they establish a supportive environment that fosters excellence and improves retention

Assessing and Addressing Literacy Needs Barbara Combs, 2011-04-07 *Assessing and Addressing Literacy Needs* Cases and Instructional Strategies is designed to help preservice and inservice teachers understand the problems that children encounter when learning to read and to provide key instructional strategies related to best practices in literacy instruction The text promotes reflection and analysis that will provoke thoughtful responses and discussions to help teachers use assessments to identify problems and employ appropriate strategies to help their students become better readers Provided by publisher

The Literacy Coach's Companion, PreK-3 Maryann Mraz, Robert Algozzine, Brian Kissel, 2009 Literacy coaches have become an increasingly important part of school literacy teams As a result there is a greater need for understanding the issues related to this growing position This book addresses those issues and highlights the expanding role of literacy coaches in early and elementary literacy programs Chapters feature user friendly guidelines and evidence based strategies for sustained professional development protocols for classroom observations and teacher conferences and vignettes offering solutions to common coaching challenges Coaches will discover how to Define an effective proactive role in promoting literacy initiatives Strengthen content knowledge and coaching skills to support teachers efforts and students literacy development Collaborate with teachers and school leaders to establish productive learning communities and Communicate their changing roles to administrators Publisher's website

Becoming a Literacy Leader Jennifer Allen, 2023-10-10 In this second edition of *Becoming a Literacy Leader* Supporting Learning and Change author Jennifer Allen reflects on her work as a literacy specialist and how the role has evolved in the decade since she wrote the first edition Her experiences can apply to all school

leaders including principals coaches teachers support staff and office administrators Allen focuses on three ideas to describe her work Layered Leadership the multitude of supports in place for teachers to encourage learning and change within schools Shared experiences that develop community and develop common understanding of practices curriculum and assessment Importance of rowing in the same direction in that literacy coaches and leaders stay interconnected and aligned to the goals of the school Allen knows the challenges of teachers face and advocates literacy coaches implement these layers of support within a school including in class support curriculum support and assessment study group facilitation and the cultivation of teacher leadership In *Becoming a Literacy Leader* she provides an explicit framework for implementing these layers of coaching and explains how administrators can use the literacy leader position to build and sustain change within their schools This book will be the road map for how literacy leaders and coaches approach their work with purpose and intention Online videos that accompany the book bring the text alive by showing readers what coaching looks and sounds like

Forum, 1983 *Resources in Education*, 2001 *Teaching Elementary Social Studies* James A. DuPlass, 2008 Written for the elementary social studies methods course this interactive program combines features of a textbook and a workbook with thorough integration between the print text and a dynamic web site Increasingly majors in elementary education if not the population at large are more attuned to reading interactive material with relatively brief narrative bulleted items text boxes and targeted messages like web pages rather than traditional denser text To accommodate these preferences the layout of the print text features a larger than usual font an 8 x 11 trim size and spiral binding and the content includes an abundance of bulleted lists shaded text boxes and contemporary graphics The program s interactive approach and flexibility allow the professor to model the kinds of teaching principles and practices that students will want to use in their own elementary school classrooms These principles and practices are integrated throughout the text and include a focus on active learning strategies application of constructivist principles focus on Big Ideas and thinking skills use of the Internet and modeling of Best Practices and Performance based assessments based on INTASC and NCATE standard Thus the book will serve as a springboard for classroom activities web site explorations and or instructor led activities **Research in**

Teachers' Personal Epistemologies Gregory Schraw,Jo Lunn Brownlee,Lori Olafson,Michelle Vander Veldt Brye,2017-07-01 The focus of this book is to explore teachers evolving personal epistemologies or the beliefs we hold about the origin and development of knowledge in the context of teaching The chapters focus on a range of conceptual frameworks about how university and field based experiences influence the connections between teachers personal epistemologies and teaching practice In an earlier volume we investigated preservice and inservice teachers beliefs and teaching practices Brownlee Schraw and Berthelsen 2011 While we addressed the nature of teachers personal epistemologies learning and teaching practices and approaches for changing beliefs throughout teacher education programs the volume did not address conceptual frameworks for the development of teacher s personal epistemologies To address this gap the book is focused on teacher educators teachers and teacher education programmers in universities with an overall aim of highlighting how we might support preservice teachers involvement in learning that is challenging and inservice teachers engagement in professional experiences that promote changes in teaching practice We argue that teachers need to be encouraged to question their beliefs and develop increasingly sophisticated beliefs about their knowledge and their students knowledge that facilitate learning and intellectual growth
