Dragon Dreams (the Chronicles of Shadow and Light) Dusty Lynn Holloway, 2011-01-22 A prophecy of murder An elf hunted by dragons One man who risks everything to save her Nachal is a human that should not be having prophetic Dragon Dreams But he does Every night he dreams of an elf running through flames trying in vain to outrun the Rebel Dragon Obsidian Every night he sees her fall Sees her eyes close Feels her heart as it slows and then stops Every night through the connection of the dream he dies with her It s a spiral that he can t control and it s slowly driving him insane Auri is an elf raised by a powerful human king not of her own blood Left behind by the mother who perished far from the elven isle El dell she seeks to forge her life among the humans Her journey takes her to the land of her heritage To a place that holds both a haunting betrayal and a miracle that just might save her life Together they become embroiled in a conspiracy where destinies are intertwined love is born in the fallout of ultimate sacrifice and the only path to victory lies through the searing flames of dragon fire

*Nightmare Movies* Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining

guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye
