W6AQ,2014-06-02 Worlds Best Hobby is an unusual title for a memoir which is exactly what this book is Its my life in the
fascinating hobby of Amateur Radio Much of my professional life is spent producing documentary and reality programs for
television including more than a few about Ham Radio where I learned that the purpose of a title is to attract an audience
and if it was also true all the better The challenge with documentary films is to make them entertaining first and foremost
and informational if possible Ive tried very hard to make this book entertaining and from feedback Ive gotten from Hams and
wannabee Hams who found it posted online as I was writing it Ive succeeded at least to some extent I tried to make the book
fun because Ham Radio is fun And Ham Radio has more facets than a cheap diamond as youll discover as you dig into Worlds
