Duffield, 1974 **Dramas and Dramatic Scenes (Classic Reprint)** William Henry Venable, 2017-12-16 Excerpt from *Dramas and Dramatic Scenes* The comic selections in several instances essentially include the underplots of the dramas from which they are taken and are therefore quite complete in themselves Some of the sprightliest pieces as *Braggadocio* and *Detraction* comprise satisfactory portions of plays that as a whole are not adapted to the modern stage The version of *William Tell* here given is not identical with the common acting edition of that drama Though this volume is designed primarily to supply scenes for dramatic representation it may also be used as a rhetorical reader or as a reference book for students in English literature since it contains characteristic productions of representative authors from Shakespeare to Bulwer The editor wishes to record his acknowledgment of the great assistance rendered by his wife in selecting and transcribing

material for the entire series of Eclectic Acting Plays of which this is the third and last volume He would also thank Mrs Robert Rogers of Cincinnati for the continued use of her library rich in dramatic literature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
