Kimmons, 2010-03-03 In An Infinity of Interpretations Dr Kimmons explores a simple thesis Life has no meaning except what we assign to it Dr Kimmons simple thesis helps us begin to understand why there is such a variety of interpretations of just about everything encountered in modern times including ideas and behavioral phenomena from politics science social science entertainment and religion Dr Kimmons proposes that most of what we want to accomplish in this lifetime is driven not by a quest for money power sex glory religion or objective knowledge Rather what we want to accomplish in this lifetime is driven by our desire to understand justify and perpetuate our life While including bits and pieces of his own life story along with social commentary about a variety of matters taking place in these times in this book Dr Kimmons addresses the origins of his thesis and uses Freud and White as part of a theoretical framework for his thesis The core of Dr Kimmons book however is his attempt to illustrate how individuals may actualize themselves through completely different processes but all

with the same ultimate goal or end in mind To understand justify and perpetuate ones life Is it true that there are few if any absolutes in this world Dr Kimmons seems to believe that and through his examination of a simple thesis encourages us to proceed carefully in this life lest we offend life itself     Barack Obama Michael V.
