Drink Fish Smoke Preparing For A Life In Law Enforcement:

Drink, Fish, Smoke J. M. Blevins, 2010-10-10 Law enforcement is a career like no other Rarely do you get a honest explanation of what it takes to become a cop You re told you have to be a good boy or girl scout an upstanding citizen polite get good grades be confident but not judgmental command presence but not be overbearing and most of all be truthful There s no such person It isn t like a regular job You re part of a family part of a team regardless of your private life Your previously private life doesn t matter Now when you go to parties you ll hang out in the corner with other cops and talk cases or rather bitch about your department While considering a career in law enforcement details such as this would be good to know That along with one young man s experience of growing up is why this book was written Charlie was good at only two things shooting a gun and driving fast Cops get to be on a team with a bunch of other guys and wear the same uniforms like in football Law enforcement would be like hanging around friends all the time without any girls telling you what to do always saying Why are you doing that Why don t you be with me Helping others starts with helping yourself he thought All he had to do was turn twenty one the minimum age to be a cop Until then living in Florida in the seventies there was plenty of time to grow up

Hundred Years of Dirt is an unflinching memoir in which the mother is a hero who is never rewarded. It is a meditation on the anger, fear of others, and an obsession with real and imagined borders. Yet it is also a testimony to the strength of familial love and endurance. Journal of the House of Representatives of the United States. United States. Congress. House, 1975. The indomitable Annie Szabo has lost too many friends and loved ones so the death of Margo Spanger hits hard. Margo, Annie's neighbor, was a cultural icon with money and fame. Maybe too much. She used one of her projects, a New Age circus, to fund a women's shelter. When Margo's partner Lili goes missing the day of Margo's death, the circus and shelter fall into disarray. It turns Annie's world upside down too. Her daughter is a resident of the women's shelter and could become the next victim. More trouble: Annie's mother-in-law, the Gypsy fortune teller Madame Mina, plants her trailer in Annie's yard with a vengeance right next to Annie's pet giraffes. Aided by an ex-cop and Mina's plant medicine, Annie uncovers Margo's past. She rattled the power elite: a trapeze flier, one jealous lover, a captain of industry, a long lost son, and an ice blond philanthropist. As Annie delves into their surprisingly tangled lives, one thing becomes clear: the killer is a master of disguises and time is running out. However, when Annie and Madame Mina stop arguing long enough to put their heads together, the truth can't be hidden. Meredith Blevins, author of the acclaimed novel *The Hummingbird Wizard*, continues the tale of the juicy Szabo family women. They learn that under or outside the big top, anything and everything may be an illusion. Engaging and exotic, sexy and fun, *The Vanished Priestess* is an unforgettable mystery featuring a heroine who must walk a treacherous tightrope to save a new lover, her home, and her life.
