Riding the Line Rex Taylor, 2012-10 Riding dirt bikes solo in remote areas is not conducive to safety The two most basic rules of safety are don't go out alone and always tell someone your itinerary But most of the time Rex Taylor rode alone That greatly increased the danger but simplified his logistics And it was just not possible to tell anyone his plans because he rarely had more than a general idea himself of his route or destination The risks were worth the thrill of riding a high powered machine across landscapes of unsurpassed natural beauty in total isolation He could rely on nothing but pluck and a lot of luck And his luck held to an unlikely degree A flat tire a broken bike part a broken body part or running out of gas could have meant disaster or death But he tried not to think about that too much **Suzuki DR650SE Clymer Manual** Clymer
