Dragon Key Don Pendleton, 2015-02-01 DRAGON S LAIR When an American operative is jailed Mack Bolan must finish the agent's mission to smuggle a Chinese activist and his family out of the country But getting the dissident away alive becomes a logistical nightmare for Bolan and the two inexperienced CIA agents assisting him Not only are the Chinese authorities on their tail but the activist insists on retrieving a stolen flash drive in Shanghai The memory key contains sensitive information belonging to a renegade general As determined to recover the data as the dissident is the general has hired a legendary assassin famous for eliminating anyone who gets in his way In a battle where only one champion can survive Bolan may have met his match But the Executioner is used to fighting against overwhelming odds and has something much more important on his side justice *A Final Judgment* Michael A. Black, 2016-11-01 Lawyers Chicago based Private Detective Ron Shade has a cop's inherent distrust of them even though it's been years since he was relieved of his badge Still when his old friend Rick Walters who happens to be a member of the bar needs help doing the legwork for a wrongful death lawsuit Shade reluctantly agrees Then he finds out they'll be going up against the preeminent attorney in Cook County Mason Gilbert and his famous detective associate Big John Flood Both men are local legends and Shade feels like a novice stepping into the ring for a title shot To make matters worse the trial is in only three weeks and there's a lot of work to do The first PI that Rick Walters hired committed suicide midway through the preparation Or did he Little inconsistencies start to pop up as Shade begins his investigation and pretty soon he's hot on the trail of something very elusive in a case like this The truth Then an opportunity he's been dreaming of suddenly materializes a shot at the world heavyweight kickboxing championship Finding himself up against seemingly unbeatable opponents Shade feels like he's been swept up in a maelstrom as he tries to cover all the bases But this time Shade finds out that the final judgment just might be death *The Faithful Executioner* Joel F. Harrington, 2013-03-19 The extraordinary story of a renaissance era executioner and his world based on a rare and overlooked journal In a dusty German bookshop the noted historian Joel F Harrington stumbled upon a remarkable document the journal of a sixteenth century executioner The journal gave an account of the 394 people Meister Frantz Schmidt executed and the hundreds more he tortured flogged or disfigured for more than forty five years in the city of Nuremberg But the portrait of Schmidt that gradually emerged was not that of a monster Could a man who practiced such cruelty also be insightful compassionate even progressive In *The Faithful Executioner* Harrington teases out the hidden meanings and drama of Schmidt's journal Deemed an official outcast Meister Frantz sought to prove himself worthy of honor and free his children from the stigma of his profession Harrington uncovers details of Schmidt's life and work the shocking but often familiar crimes of the day the medical practice that he felt was his true calling and his lifelong struggle to reconcile his craft with his religious faith In this groundbreaking and intimate portrait Harrington shows us that our thinking about justice and punishment and our sense of our own humanity are not so remote from the world of *The Faithful Executioner*

A Killing Frost Michael A. Black, 2016-11-01 It hasn't exactly been a banner year for Chicago based private detective Ron Shade. First his main ladylove left for a new life in California. Then his faithful old Chevy turned over its second hundred thousand miles and died. Finally Shade realized that his expensive downtown office was a luxury that he could no longer afford. In an attempt to bounce back and take control of this life, Shade buys a new Camaro Z 28, gets a high powered ad in the yellow pages and in the process of bidding his office adieu when Maria Castro walks into his life. Maria asks Shade to help find her friend Juanita's missing fiancé, an illegal alien that the cops don't seem too concerned about. When the fiancé turns up floating face down in a local shipping canal, Maria convinces him to stay on the case despite his reservations. This is only the beginning of Shade's quest into the heart of darkness, his search for something resembling the truth and his hope to bring justice to the criminals he's tracking.

Pope's Last Case and Other Stories Michael A. Black, 2019-01-17 Set in the latter half of the fabulous 1940s, Pope's Last Case and Other Stories details the adventures of tough, hardboiled ex-Private Eye Vince Pope and his lovely, rich socialite wife Laura. Vince, a veteran of WW II, has hung up his PI shingle in favor of a life of leisure, but old pals and new troubles keep interfering. Written as an homage to Dashiell Hammett's The Thin Man, this collection of short stories deftly captures the mood and optimism of the country after the Second World War when men were men and the ladies were gorgeous. Join Vince and Laura as they confront gangsters, crimes of passion, crooked politicians, and even a serial killer in this thrill-packed collection of stories that also has the continuity of a novel. Stories included in this collection: Whodunit, A Girl's Best Friend, Between Two Worlds, Lost Weekend, No Promises, Bitter Almonds, Knockouts, Pope's Last Case.

Against his better judgment, he lets her back in, but when she's gone without so much as a goodbye kiss, leaving him once with only bittersweet memories of what might have been. Then Paula turns up dead, the apparent victim of a hit and run accident. Though shocked, Shade moves on with his life until Paula's young cousin Laurie shows up in Chicago, asking him to look into the matter. Shade's investigation takes a walk on the seedy side and begins to attract the attention of some very powerful enemies. But whenever Shade gets close to the truth, somebody seems to end up dead, and he suddenly finds himself the prime suspect in a homicide investigation. Working to clear himself and find out who killed Paula, Shade goes up against some redoubtable foes who will stop at nothing to ensure his search for the truth won't be completed.
