Dragonsong:

Dragonsong Anne McCaffrey, 2023-09-05 Fifteen year old Menolly allies with magnificent dragons in the first book in the Harper Hall trilogy set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series. For centuries the world of Pern has faced a destructive force known as Thread. But the number of magnificent dragons who have protected this world and the men and women who ride them are dwindling. As fewer dragons ride the winds and destruction falls from the sky, Menolly has only one dream: to sing, play and weave the music that comes to her so easily. She wishes to become a Harper. But despite her great talents, her father believes that a young girl is unworthy of such a respected position and forbids her to pursue her dreams. So Menolly runs away, taking shelter in a cave by the sea. Miraculously, she happens upon nine fire lizards that could possibly save her world and change her life forever. **Dragonsong** Anne

Dragonsong Anne McCaffrey, 1995-01-01 *Dragon Song* Andreas Zimmermann, 2021-04-29 The Zedmore family is no stranger to dragons and the magical world of Shard, but this time war is brewing. Teens Alex and Jared and their little sister Madison are safely back on Earth after their adventures in Shard last summer, and their parents Lynn and Eddie want nothing more than to keep their family safe and close. This is not to be, however; they find themselves urgently summoned back to Shard while shadowy agencies pursue them on Earth. Soon the Zedmore's are plunged into the centre of a civil war between dragon factions and their allies. While making new friends with elves, satyrs, pixies and one mischievous wizard named Trevistar, the Zedmore's learn that magic runs in their blood. They race to master their unique magical abilities as the conflict on Shard worsens and threatens to spill over onto Earth. Will they master their new skills in time to be useful? And will it be enough to save their lives and stop the bloodshed? An adventure that combines magic and intrigue. *Dragon Song* is the second book in the Legend of Shard series. **Dragon Song** Jonathan Moeller, 2022-04-19 Dragons love attention, but wealth and fame can draw the wrong kind of notice. I don't like parties and I definitely don't like crowds, but I promised the dragon Delaxsicoria I would go to one of her concerts, and I've run out of excuses. But I did save Delaxsicoria's life, and she's a friend, so it won't be so bad. Except some of her family's enemies have decided this is a perfect time to take revenge. And unless I stop them, a lot of innocent people might die in the crossfire. *Dragon's Song* Sara Stern, 2005-04 She was different now, far

different than the girl who had left the battlements of Domar with nothing more than a dream and emptiness, where a dragon

should be Selah of Domar always felt a special connection to dragons Since a young age the great beasts provided her the security and solace that her family could not Selah wrestles for something more but she doesn't know which direction to take When a recruiting dragonrider offers her a place of training at Dragonhold the fortress of the dragonriders she eagerly accepts As the lone female apprentice at Dragonhold Selah faces resistance from her peers It is during the Choosing a ceremony where newborn dragons select their caretakers that Selah learns her true heritage A terrible accident interrupts the ritual leaving Selah at the mercy of the dragon god Stormhunter The secret he reveals forces Selah to come to terms with what she truly is but the truth will change her forever and attract the attention of those who wish the end of the dragonriders
