In the middle ground, there are rolling hills or mountains. In the background, there is a bright, hazy sky. A hand is visible in the upper left, reaching out towards the sky. The overall color palette is dominated by greens, yellows, and browns, with a soft, painterly style.

shall see visions And your old men shall dream dreams Acts 2 17 ASV There has never been a greater time for God s people to put aside their petty religious insanities and wake up to hear His voice whether it comes in the explosive eruption of a volcano a clap of thunder or a whisper in your ear in the stillness of the night Inside the cover of this book are essential ingredients to hear His voice in the quiet of the night The WORD says and the sheep follow him for they know his voice John 10 4 ASV Do you know His voice Perhaps it s time we take the principles found within this book and learn to recognize all the ways that He can and is speaking to us Pastor Joseph Landreth Follow Me and I will make you become fishers of men Mark 1 17 NKJV

Hear God Through Your Dreams Workbook Mark Virkler,Patti Virkler,2011 Do you often wake up feeling there was a significant message in your dream but you re just not sure what it is Like Daniel and Joseph do you long to be able to help others understand their own dreams and win them to Christ as you explain His night messages to them Wouldn t it be nice if you could receive mid course corrections from the Lord while you sleep Do you wish you could be receiving divine inspiration creative solutions to problems and direction from the Lord during that third of your life that you re just sleeping Understanding Dreams Man s view of dreams Do you feel like sleep is a waste of time Do you usually only remember bits and pieces of your dreams that don t make any sense Or worse yet not remember any of your dreams at all God s view of dreams The Bible declares that God counsels us at night through our dreams Ps 16 7 and is full of examples and illustrations of this principle In the dreams in the Bible God gives wise direction concerning the next step to take He grants wisdom and encourages people in faith He shows them how to escape coming calamity and how to provide for their families in the midst of imminent disasters God even enters into covenants with people and grants them gifts in their dreams Where this teaching will lead you This teaching series leads you in examining every dream in the Bible to see how they reveal and illustrate principles of Christian dream interpretation You will receive abundant confirmation that God speaks to His children through their night visions Num 12 6 Acts 2 17 You will also explore your own dreams learning the language of symbolism which your heart uses as it communicates to you God s divine wisdom You will learn how to let the Holy Spirit be your Teacher as you learn to interpret God s messages to you through your dreams All of us can learn to hear from God during the two hours of dream life we have each night and these training materials will coach you in this skill The best teaching I have ever seen on interpreting dreams Sid Roth I have just interviewed Mark Virkler an extraordinarily gifted man of God who teaches a course on understanding dreams I have interviewed many on this subject over the years but Mark s approach is different He is a very logical teacher He guarantees after taking his course you will have at least a dream a week and understand them I took him up on his challenge and it is working for me I have had very few literal dreams in my life And frankly I usually ignore the symbolic dreams I call them pizza dreams However since I started following Mark s instructions I have had dreams and I understand them None of the other courses have worked for me Now I have received major direction I am so excited when I go to bed and look forward to God speaking to me in my dreams
