**Divini Redemptoris ... on atheistic communism** Pope Pius XI, 1958      *Encyclical of Pope Pius X on the Doctrines of the Modernists* Saint Pius X, Aeterna Press, 2015-07-31 The office divinely committed to Us of feeding the Lord's flock has especially this duty assigned to it by Christ namely to guard with the greatest vigilance the deposit of the faith delivered to the saints rejecting the profane novelties of words and oppositions of knowledge falsely so called There has never been a time when this watchfulness of the supreme pastor was not necessary to the Catholic body for owing to the efforts of the enemy of the human race there have never been lacking men speaking perverse things Acts xx 30 vain talkers and seducers Tit i 10 erring and driving into error 2 Tim iii 13 Aeterna Press      **Pascendi Dominici Gregis** Catholic Church. Pope (1903-1914 : Pius X), 2023      **Encyclical Letter of Pope Pius X on the Doctrines of the Modernists** Catholic Church. Pope (1903-1914 : Pius X), Pope Pius X,      *Pascendi Dominici Gregis* Pius X. Pope St., 2017-03-26 Promulgated on September 8 1907 Pascendi Dominici Gregis Feeding the Lord's Flock is a powerful and prophetic encyclical offered by Pope St Pius X at a critical time in the Catholic Church In it the Holy Father diagnoses and details the burgeoning of Modernism in the Church He goes on to condemn Modernism and prescribe measures to prevent retard and extirpate it from the Church Read in the light of the ecclesiastical chaos that would emerge in the 1960's and flourish in the decades thereafter it becomes clear that Pope St Pius X was correct in his concern about and desire to destroy the plague of Modernism      **The Encyclical of His Holiness Pius X on the Doctrine of the Modernists** Thomas E. Judge, Thomas E Judge DD, Brother Hermenegild, 2014-03-20 This is a Latin and English version of Pascendi with a commentary afterwards It is an excellent presentation of this most important Encyclical A deplorable and dishonorable tendency common enough in every age of the history of Christianity but especially conspicuous at the present hour leads certain minds to avow loudly their allegiance to the Catholic Church and to parade their professions of loyalty to her institutions in order that they may the more effectively rend her unity by heresy and schism They may not all be equally conscious of the drift of their agitation or of the depth and dangers of their treason Carried away by their enthusiasm for mistaken methods of reform held in bondage by their subserviency to false systems of philosophy viewing history and institutions in the warm glow of sentiment and emotion instead of in the cold white light of intelligence they are tossed about by every wind of doctrine after having cast to the waves the guidance of reason authority and tradition Their books and pamphlets are generally written in a captivating style because most of their statements derive substance form and color from incandescent imaginations and are confessedly exempted from conforming to the laws either of inductive or deductive logic It has been well said that while God in the beginning created men in His image men now create Him in their image The Modernists conception of Him His attributes and our relations to Him are a factitious product a sort of Stromata to borrow the title of one of Clement of Alexandria's works formed out of the most heterogeneous philosophical theories The idea of Contingency associated with the name of M Boutroux

Herbert Spencer's Relativity Newman's principle of Development Loisy's Kenotic hypothesis the Pragmatism of Professor James and Blondel's Philosophy of Action are blended together in a manner that recalls the ingredients of the caldron by which the witches foretold the fortunes of Macbeth in the cave on the blasted heath But the unifying controlling and organizing principle of their system is to be sought in Kant's teaching concerning the limitations of Our Reason and the authority of Conscience The following passage written more than four years ago by the Rev William Turner S T D in his History of Philosophy exactly describes the dependence of Modernism on the Critical Philosophy of Immanuel Kant

Pope (1903-1914 : Pius X),1937      **Encyclical Letter of Our Most Holy Lord Pius X. - On the Doctrines of the Modernists** Pope Pius X,2007-10 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may

be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing

**On the Doctrines of the Modernists** Pope Pius X, 2023-07-18 Pope Pius X offers a point by point refutation of the arguments put forth by the theological movement known as Modernism With clear and precise language he defends the traditional teachings of the Catholic Church and rebuts the critiques leveled against them This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Pascendi Pope Pius X, 2022-08-10 Pascendi Dominici gregis which is translated in English to Feeding the Lord s Flock is a papal encyclical letter promulgated by Pope Pius X Pius X viewed the church as under siege intellectually from rationalism and materialism politically from liberalism and anti clericalism The pope condemned modernism a loose movement of Catholic biblical scholars philosophers and theologians who believed that the church could not ignore new scientific historical research concerning the Bible

**The Programme of Modernism**, 1908 **The Doctrine of Modernism and Its Refutation** John A. Godrycz, 1908 **Raymond Brown, 'The Jews,' and the Gospel of John** Sonya Shetty Cronin, 2015-02-26 Until the mid 1960s most commentators of the Gospel of John were aware of a polemic against the Jews yet they did not consider it with reference to contemporary ethical discussion A shift in focus in Johannine scholarship is noticeable from the mid 1960s and 1970s to the present where commentators began to connect the Gospel s polemic against the Jews with potential anti Judaism in the text As yet very little work has been done to answer the question of how this change in sensitivity came about This book is a historiography of one scholar s growing awareness of potential anti Judaism in the Gospel of John with the intention of using this individual history to explain the larger trend in biblical studies Sonya Cronin examines the published work of Raymond Brown a prominent Catholic New Testament scholar between the years 1960 1998 The book contextualizes Brown s work by evaluating the impact of ecclesiastical statements and the influence of earlier and contemporary Johannine scholarship on Brown s biblical interpretation and then posits theories as to why change
