**The Evolving Role of the Public Prosecutor** Victoria Colvin, Philip Stenning, 2018-09-24 The modern public prosecutor is a figure both powerful and enigmatic Legal scholars and criminologists often identify three essential components of criminal justice systems police courts and corrections Yet increasingly the public prosecutor occupies a distinct role independent from any of these branches Acting outside of the court and therefore largely out of the public eye the prosecutor s control over whether and what charges proceed to court can limit judicial discretion on sentencing open pathways to alternative measures and even deny entry into the criminal justice system entirely In this sense the prosecutor serves as a

true gatekeeper to the criminal process This book addresses key aspects of the evolving role of domestic and international prosecutors in common law and civil law systems in the twenty first century and the challenges posed by this evolution This collection of chapters from respected scholars takes an international comparative approach and explores how these different legal systems have borrowed theorisations and articulations of the prosecutorial role from each other in adapting the office to changing conditions and expectations The volume is structured around four main themes relating to the role of the modern prosecutor the nature of the prosecutor s office the role of the prosecutor in investigations prosecutorial discretion and how it is exercised and politicisation and accountability of prosecutors This book is essential for scholars and students in criminal justice pre law legal studies criminology justice studies and political science and is useful as a resource for those interested in legal change around the world

**To Protect and Serve** Norm Stamper, 2016-06-07 The police in America belong to the people not the other way around Yet millions of Americans experience their cops as racist brutal and trigger happy an overly aggressive militarized enemy of the people For their part today s officers feel they are under siege misunderstood unfairly criticized and scapegoated for society s ills Is there a fix Former Seattle Police Chief Norm Stamper believes there is Policing is in crisis The last decade has witnessed a vast increase in police aggression misconduct and militarization along with a corresponding reduction in transparency and accountability It is not just noticeable in African American and other minority communities where there have been a series of high profile tragedies but in towns and cities across the country Racism from raw individualized versions to insidious systemic examples appears to be on the rise in our police departments Overall our police officers have grown more and more alienated from the people they ve been hired to serve In *To Protect and Serve* Stamper delivers a revolutionary new model for American law enforcement the community based police department It calls for fundamental changes in the federal government s role in local policing as well as citizen participation in all aspects of police operations policymaking program development crime fighting and service delivery entry level and ongoing education and training oversight of police conduct and especially relevant to today s challenges joint community police crisis management Nothing will ever change until the system itself is radically restructured and here Stamper shows us how
