From the Hood to the Heights Tanisha Jamison,2021-09-27 From the Hood to the Heights Building Success from the Ground Up By Tanisha Jamison Growing up in the notorious and poverty stricken part of Cleveland Ohio Tanisha Jamison almost gave up due to the vicissitudes of life that trolled her This promising talented young girl aspired to become a world famous artist but that dream changed when she became a mom at the age of sixteen She worked hard to finish college but depression set in and crushed things further Childhood setbacks early pregnancy depression psychological trauma and damaging family addictions all rocked Tanisha Jamison s humble beginning Despite everything Tanisha never

pitied herself Through this book Tanisha dissects the effects of being born from a poor environment and shares her journey From the Hood to the Heights Discordant Comrades Allison Drew,2019-07-12 This title was first published in 2000 This book considers the fortunes of socialism in South Africa from the doctrine s arrival around 1900 to its legal suppression in 1950 Socialism s universal claims had to come to terms with South Africa s singular national experience in which a racial ideology and a racial division of the working class played a far greater role than in any other country The left in South Africa had to deal with all the complexities of ideology and strategy that faced their counterparts in Europe and North America but in South Africa it was further vexed by challenges of profound racial and national inequalities and a white labour movement which sought protection through racial segregation Communism rather than Social Democracy prevailed hence the reverberations of the splits in the Communist International were far more debilitating in South Africa than anywhere else In the years after World War II African nationalism became the dominant influence on the South African left chiefly through the relationship between the ANC and the Communist Party Discordant Comrades draws on a wide range of primary sources from inside and outside South Africa including the archives of the Communist International in Moscow The result is a scholarly and challenging analysis of the South African left Discipline Without Stress Resource Guide Dr. Marvin Marshall,2011-05 This printable 100 page Resource Guide is the manual for seminars conducted by Dr Marvin Marshall The guide explains the difference between classroom management and discipline a better approach than relying on rules three practices that reduce stress and increase effectiveness the Raise Responsibility System discipline program and how to use the system to increase motivation in learning Flyer'dam Gyz la La Rivière,Fleur Kolk,2007 Collecting more than 2 000 fliers and posters for Rotterdam nightlife and cultural events Flyer dam reads like a catalogue raisonné for the design history of that city s now infamous clubbing scene of the past 30 years but without the pedagogy Flyers and posters for parties events and concerts from the 1980s through today are reproduced in giddy spreads that sometimes capture as many 20 vibrant items of ephemera per page The rise of house acid gabber illegal parties and R and B as well as techno drum n bass hip hop breakbeatz the alternative scene and art pop parties are all documented here along with profiles of clubbers mainly young and urban and trends in graphic styles typographies and influences This collection of club flyers reflects a penchant for design and pop culture in general with visual references as disparate as Japanese manga 1960s psychedelia PlayStation Dutch pornography and Bauhaus philosophy However with the development of new digital techniques it is also interesting to track the directions designers are taking with more appropriated imagery from the Internet and of course more computer generated artwork in general Aside from providing an exhaustive history of recent popular graphic design in the Netherlands Flyer dam celebrates the culture of international youth in an exuberant accessible format **The Coronation Party** Norma Curtis,2023-03-16 A heart warming and emotional saga perfect for the coronation perfect for fans of Nancy Revell Rosie Goodwin and Vicky Beeby This joyful saga is the perfect read to get you in the Coronation spirit MY WEEKLY Entirely

charming and utterly joyful TRISHA ASHLEY _____ Spring 1953 The sun is shining on Little Green Street the bunting is being brought out and Britain is getting ready to crown its new Queen For Helen Jones whose father died on the same day as the old king the coronation might just represent a fresh start Her husband Tad organiser of the local street party is determined to put a smile back on her face Whereas for Emlyn Hughes who has secretly admired beautiful single mother Nancy for years the sudden festive spirit might just be the prompt he needs to finally confess his feelings As the cakes are baked and the national anthem is rehearsed the street is finally ready to cast aside the shadow of war for a moment of true joy But Emlyn and Tad s plans are shaken by the arrival of an unexpected letter and an unwelcome guest As old secrets threaten to ruin their new starts only the power of good neighbours and kind hearts can keep the street together and make sure they have a party that s fit for a Queen *Education Savings Accounts* Nat Malkus,Adam Peshek,Gerard

Robinson,2017-03-16 School choice has been central to American education policy debate for a quarter century But throughout school choice has been just that school choice In a potentially profound development Education Savings Accounts ESAs reimagine parent choice in ways that may upend many assumptions that have framed issues of school choice in the past ESAs offer something wholly new allowing parents to customize their child s education by stitching together traditional schools and different education providers including tutors therapists online and blended models Of course a raft of new questions and potential challenges accompany these new ESA programs which in 2015 existed in five states Arizona Florida Mississippi Nevada and Tennessee and were introduced by legislators in another sixteen Yet for all their potential import ESAs are barely understood This volume seeks to provide a comprehensive fair minded treatment of ESAs and will address the rationale for them the challenges they pose what it takes for them to work and the political and legal dynamics at play
