Revivals Visitations And Moves Of God ,2021-07-01 Revival is bringing something that is dead back to life Much of today's Church needs reviving When God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation The move of God results in evangelization missions and the fulfilling of the Great Commission Starting in the book of Acts and down through the centuries there have been numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5:7-8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10:30am Indian Time GMT 5:30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org>

exodus of those who believe Is it at such an urgent time as this that He gathers the Jews back to the land of Israel From the viewpoint of a partial preterist Saunders reviews the prophecies concerning the Roman Empire to this juncture Who was the beast and how did he enter the holy temple during the AD 70 tribulation Was Ezekiel s prophecy concerning Gog and Magog against Jerusalem actually the Crusades Are the devastating droughts in many countries in recent decades a fulfillment of Zechariah 14 Who were the ten kings in prophecy There was an end to the holy temple according to Daniel now we see the end of life on this earth according to scripture There are two signs in recent history that were given as a warning the Titanic and the events with the Schindler Jews during Holocaust King Yeshua s Visitation communicates now is the time to humbly open the door to the King It is a wake up call to everyone on the planet Yeshua s words come to pass without delay and the door to salvation is closing This demands our attention above all else This book makes the connection of the global crises unfolding prophetically We are much further along in prophecy than many realize Part two of King Yeshua s Visitation describes a visitation of a different kind such as contacts between two dimensions and the God established witnesses who testify for believers in salvation

and The Matrix It looks at the diverse content and often surprising impact of these and other films and reveals how these depictions have helped determine and been determined by particularly American notions of who Jesus was how he lived and died and what he means for both our religious and secular cultures Through an objective consideration of these movies the emergent religious culture of mainstream American film becomes apparent as a central element in Hollywood movies and in American popular culture at large
