## **End Timers Three Thousand Years Of Waiting For Judgment Day:**

End-Timers Martin Ballard, 2011-08-17 This fascinating history surveys apocalyptic religion through time setting it within a political and social context *End Timers Three Thousand Years of Waiting for Judgment Day* examines the high and low points of millennial expectation across the centuries It shows how and why such beliefs first developed in antiquity and it explores how end timers influenced events as varied as the persecutions of Hellenistic ruler Antiochus Epiphanes and Roman Emperor Nero the Crusades the settlement of North America and the 20th century debacles at Jonestown and Waco Suggesting that anyone who wishes to understand the Middle East today needs to penetrate the background of modern fundamentalism within the three Semitic religions the author illuminates the part played by Christian Zionists in promoting the return of the Jews to the promised land and the resulting formation of the state of Israel as well as subsequent fundamentalist reactions within both Judaism and Islam He also follows the birth of the Christian Right in 19th century Britain and its development and growing influence in the United States Finally the book examines how religious end timers confront the four horsemen of the 21st century apocalypse world population increase depletion of natural resources advanced weaponry and global warming

*The Grand Finale* Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur'an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur'an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God's kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus

40 Questions About the End Times Eckhard J. Schnabel, 2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing Designed for both students and general readers this resource helps them make sense of one of the Bible's most difficult topics Eckhard Schnabel a professor at a leading seminary and the author of several major works looks at the future of the world the church and Israel the return of Jesus and the millennium and the final judgment He answers questions related to the rapture the 144 000 the identity of the two witnesses Armageddon how to interpret Revelation heaven and hell and so forth The result is an even handed treatment that avoids sensationalism and a newspaper headline approach to prophecy that is interpreting prophecy according to current events Rather Schnabel carefully studies the biblical text in light

of its first century context and draws biblically based conclusions      End Times Thomas P Nass,2011-07-01 What are the End Times in the Bible What did Jesus mean when he said Behold I am coming soon A thorough examination of biblical end times teachings this book looks at the topics of death judgment heaven and hell Author and pastor Thomas Nass masterfully presents what the Bible teaches about the end of the world Christ s second coming the resurrection of the body judgment day and other apocalyptic events You ll uncover various misconceptions and false teachings about the last days and Christ s return for a true understanding of Scripture s presentation of the end times Most importantly in reading this book you ll find that the central focus remains on Christ your Savior The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible      *The Third Day Explained* José Luis Rodríguez Calderón,2023-09-23 A messenger of God s words and chosen by Jesus to share them with the world Jos Luis Rodr guez Calder n offers Christians from spiritual leaders to those looking for reassurance during times of faltering faith and everyone in between brand new insight into the Scriptures in his latest book The Third Day Explained is a compilation of some of the spiritual messages that God personally revealed to the author during his studies of the Scriptures Most people don t notice when God wants to reveal new information to them in the form of spiritual revelation Or they may read something but not fully understand the spiritual meaning until the time is right That is what happened here for Rodr guez Calder n and he hopes that in sharing it readers will also receive guidance All that s needed is an open mind and heart a willingness to truly hear God s messages now

End Times to 2019 David Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the

coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more      *Revelation, Apostasy, End, Times, & This Generation* ,      **Rose Guide to End-Times Prophecy** Timothy Paul Jones,David Gundersen,Benjamin Galan,2021-08-03 Rose Guide to End Times Prophecy is an explanation of end times prophecy and the Book of Revelation from several Christian viewpoints Bible prophecy says that Jesus will come again and Christians have wondered for centuries when and how that would take place Includes Book of Revelation Charts and More than 50 Charts Diagrams and Illustrations Rose Guide to End Times Prophecy includes all of the basic end time prophecy charts Christians need to navigate the Book of Revelation the Book of Daniel and other prophetic Bible passages Book of Revelation Charts 4 Views of the End Times Comparison Chart Comparison Charts and Eschatology Charts of Amillennialism Dispensational Premillennialism Premillennialism and Postmillennialism Bible Dispensational Chart and Dispensationalism Time Line Overview of all of the key Bible Prophecy passages Definitions and explanations of all key words and concepts such as end times rapture dispensations book of Revelation apocalypse and more This book is packed full of full color Bible prophecy charts and eschatology charts and is fully reproducible Just photocopy these Revelation charts for your Bible study adult Sunday school class or use as small group curriculum This book explains each view of the end times so that you know what you believe and why This overview of Bible prophecy is an easy to understand book that examines key portions of Scripture and shows different ways that Christians have interpreted them This handy end times explanation includes several timelines of the events before the second coming of Jesus Christ This book includes those end times prophecies charts and helps people understand their own beliefs better no matter which view they hold      **The Last Times** Joseph Augustus Seiss,1878      **Behold! the Lamb of God** Alfredo Sorrentini,2014-12-16 Come and journey with me through the portals of time into a spiritual adventure of unknown proportions Never before expressed in a simple format that is both unique and simple this adventure is narrated in the pages of Behold The Lamb of God Discover the truths about wars and rumors of wars and why there will never be peace in this world where terror persecution and greed are dominant Let us unveil the true nature of Satan the devil according to Holy Scripturesnot through myths and folklores handed down through the centurieswho threatens the very existence of mankind The end of times is a futuristic reality and tomorrow remains a mystery to all of us but the word of God paves the way to hope and salvation for mankind In the pages of Behold The Lamb of God you will see the reality of two future world wars of unimagined proportions and see that the Lamb of God will triumph both times Learn and discover how you can attain everlasting life with God through Jesus Christ and the Holy Spirit I invite
