## **Ending The Homework Hassle:**

*Ending the Homework Hassle* John Rosemond, John K. Rosemond, 1990 Homework can be one of the most frustrating of all problem areas for children and parents In this helpful guide Rosemond warns against parental interference and demonstrates ways to help children learn to work on their own and to take responsibility for getting the work done themselves

**Ending the Homework Hassle** John K. Rosemond, **The Homework Myth** Alfie Kohn, 2007-04-03 Death and taxes come later what seems inevitable for children is the idea that after spending the day at school they must then complete more academic assignments at home The predictable results stress and conflict frustration and exhaustion Parents respond by reassuring themselves that at least the benefits outweigh the costs But what if they don't In *The Homework Myth* nationally known educator and parenting expert Alfie Kohn systematically examines the usual defenses of homework that it promotes higher achievement reinforces learning and teaches study skills and responsibility None of these assumptions he shows actually passes the test of research logic or experience So why do we continue to administer this modern cod liver oil or even demand a larger dose Kohn's incisive analysis reveals how a mistrust of children a set of misconceptions about learning and a misguided focus on competitiveness have all left our kids with less free time and our families with more conflict Pointing to parents who have fought back and schools that have proved educational excellence is possible without homework Kohn shows how we can rethink what happens during and after school in order to rescue our families and our children's love of learning

**Why Parents Should Fear Myspace** W. D. Edmiston,2007 Electronic communication is changing the world The dangers of social networking over the Internet are detailed in this volume Relationships *Middle School and the Age of Adjustment* Eileen Bernstein,2002-07-30 Middle school is a time in children s lives when they experience tremendous changes physically emotionally and socially It is a very vulnerable stage when children are exposed to risky behaviors intense peer pressure and a possible academic decline Parents need to be aware of the issues and challenges that their children face so that they can help to solve problems in a proactive manner When parents work closely with school personnel young adolescents are guided more effectively The author who has worked as a middle school counselor reveals actual problems that a school counselor might encounter among students and provides vignettes of student situations and conversations with parents She provides many suggestions to help parents establish boundaries for their children and give guidance as they navigate the troubled

waters of early adolescence She stresses that parents who are informed about the problems their children will face can better help them deal with the issues      **Making the "Terrible" Twos Terrific!** John Rosemond, John K.

Rosemond, 2013-08-13 Rosemond guides parents through the steps of establishing an effective disciplinary style and a tried and true recipe for bringing out the very best in young children      *Teen-Proofing* John Rosemond, 2012-11-06 In *Teen*

*Proofing* now available in paperback he tackles the challenges of raising a teenager with his trademark user friendly humorous and commonsense style Rosemond lays out a perfectly sound and logical case for recognizing the realities of the teen parent relationship forming the foundation and parenting with the Long Rope Principle In short the author demonstrates how Mom and Dad can avoid the pitfalls of becoming dictatorial Control Freaks skirt the potholes of turning into permissive Wimps and enjoy the freedom and rewards of parenting in a controlled but not controlling and relaxed manner Teenagers Rosemond readily admits can be a challenge But infusing young adults with a sense of personal responsibility then showing them the results of good and bad choices is a goal every parent can achieve      **The New Six-Point Plan for Raising**

**Happy, Healthy Children** John Rosemond, 2013-02-05 Renowned and respected family psychologist John Rosemond blames child centered parenting books from recent decades for creating a generation of dependent often defiant children He sets the record straight in *The New Six Point Plan for Raising Happy Healthy Children* an updated version of his highly successful book published more than fifteen years ago Booms in technology and mass media have created significant changes in society in the last two decades The text in this revised book has been thoroughly updated to reflect today's society yet the foundation of Rosemond's timeless and effective approach remains constant He encourages families to return to tried and true fundamental parenting truths that people did naturally before the new science of parenting Parents aren't their children's friends they are their leaders Parents are at the center of a family not kids Your marriage must come before your children Each chapter includes easy to relate to questions from parents which Rosemond answers with both common sense and a sense of humor For families feeling overwhelmed by competing advice about parenting this book will ground them with logical proven approaches to the most significant challenges parents face today From issues such as self esteem and discipline to television and chores this straightforward guidance will facilitate a return to parent centered families where children are raised into responsible adults      **To Spank Or Not to Spank** John Rosemond, John K. Rosemond, 1994-10-13 A

child rearing expert presents a study of child directed discipline offering a common sense approach to the issue of discipline parental authority and self esteem      *Understanding Your Teen* Jim Burns, 2017-11-14 Parenting teenagers is one of the biggest challenges parents face But fear not Tackling the realities of our day family expert Jim Burns shows how parents can help their teens attain a healthy self identity establish good relationships make wise decisions and grow in their relationship with God Whether you're facing serious troubles or looking for simple tips for a better family life this book offers help and hope      **Because I Said So!** John Rosemond, 1996-08 Contains over three hundred sixty tips on raising children including

common sense advice on spoiled children sibling rivalry and television issues      Working Mother ,2004-09 The magazine that helps career moms balance their personal and professional lives      **Overcoming Underachieving** Ruth Peters,2009-02-04 A parenting specialist and child psychologist helps tackle a headache for parents and kids alike homework and gets underachievers back on track Is your child constantly bored or frustrated at school Has homework become more of a family crisis than a learning exercise every evening As any parent of a school age child can tell you helping children to achieve at school and get into a good college is a primary concern Parents are starting to worry about this when their children are still very young knowing that the work habits and study skills their children develop in elementary school will affect their performance in middle school high school and eventually college Unfortunately bad habits on the part of kids and parents can result in poor academic performance and tense parent child relationships Now in *Overcoming Underachieving* Dr Ruth Peters a trusted child psychologist who has helped thousands of children and their parents solve scholastic problems tackles kids academic underachievement head on and presents a clear strategy that has worked for her clients and can work for almost all kids who aren t performing as well as they could With a practical program targeted for parents of children from first through the twelfth grade this book gives concrete advice about how to reward performance build a child s self concept help kids battle apathy identify common behavioral patterns among parents and children that lead to academic underachievement As the market is inundated with new study aids and guidebooks and expensive tutors Dr Peters s straightforward strategic plan is a breath of fresh air for parents and children *Overcoming Underachieving* is the best tool for helping your kids get the better grades they want and deserve      **You Can Do It** Michael E. Bernard,2009-11-29 From the founder of You Can Do It Education a program for promoting student social emotional wellbeing and achievement that is being used in thousands of schools a guide to supporting struggling students California State University professor and educational psychologist Michael Bernard shows parents how to help their children succeed in school to the very best of their abilities *You Can Do It* reveals the various types of underachieving students tells how to prevent problems before they start explains which parenting techniques work and which don t as well as what attitudes and motivational skills children need to learn      Igniting Wonder, Reflection, and Change in Our Schools Rick Jetter,2017-03-16 Containing real stories from real school leaders teachers students and parents in seven key areas this book demonstrates how educators can use narrative to trigger wonder reflection and change in their classrooms and schools By including examples of the narrative process in action this book invites educators to think deeply about their daily practices struggles and victories in order to carry out immediate and incredible changes in their own schools The authentic stories presented in this book offer ideas for fostering a positive learning environment and for finding solutions to the most challenging issues today in areas such as teacher student relationships learning and instruction assessment motivation educational policies and politics and student engagement By using the powerful self reflective tool of narrative this book will help educators to increase student achievement while

constructing a positive school culture that is built on igniting authentic stories      *Better Homes and Gardens* ,1990      **A**  
**Family of Value** John Rosemond,2012-12-18 John Rosemond s A Family of Value presents a critical view of the child care  
literature of the past quarter century and argues for an end to overindulgent parenting and a return to the goal of instilling  
moral values such as responsibility respectfulness and resourcefulness
