Ending Up Kingsley Amis, 2015-04-28 A group of disgruntled septuagenarians prepare for their final days in this dark and very funny English novel about death and the inevitability of growing old The Observer Everyone wants a comfortable place to die and Kingsley Amis's characters have found it in Tuppeny happeny Cottage where assorted septuagenarians have come together to see one another out the door of life There's grotesque Adela whose sole passion is her cheapness her brother Brigadier Bernard Bastable always strategizing a new retreat to the bathroom before sallying forth to play some especially nasty practical joke Shorty the servant who years ago had a fling with the brigadier in the barracks and now organizes his day around a trail of hidden bottles George Zever the distinguished professor of history bedridden and helpless to articulate his still coherent thoughts and Marigold who slowly but surely is forgetting it all And now it is Christmas Children and grandchildren are coming to visit their ailing elders They don't know what lies in store before the story ends None of us do Ending Up is a grimly hilarious dance of death full of bickering bitching backstabbing drinking of course and idiocy of all sorts It is a book about dying people and about a dying England clinging to its memories of greatness as it succumbs to terminal decay The Red Thread: Twenty Years of NYRB Classics Edwin Frank, 2019-09-24 To celebrate the 20th anniversary of NYRB Classics a handpicked anthology of selections from the series In Greek mythology Ariadne gave Theseus a ball of red thread to guide him through the labyrinth and the Red Thread offers a path through and a way to explore the ins and outs and twists and turns of the celebrated NYRB Classics series now twenty years old The collection brings together twenty five pieces drawn from the more than five hundred books that have come out as NYRB Classics over the last twenty years Stories essays interviews poems along with chapters from novels and memoirs and other longer narratives have been selected by Edwin Frank the series editor to chart a distinctive entertaining and thought provoking course across the expansive and varied terrain of the Classics series The Old Devils Kingsley Amis, 2012-10-02 Booker Prize Winner A pub gathering of elderly married couples devolves into booze inflected reminiscing and complaining in this sharp and funny English comedy about marriage aging and friendship The Washington Post Age has done everything except mellow the characters in Kingsley Amis's The Old Devils which turns its humane and ironic gaze on a group of Welsh married couples who have been spending their golden years when all of a sudden the evening starts starting after breakfast nattering complaining reminiscing and above all drinking This more or less orderly social world is thrown off kilter however when two old friends unexpectedly return from England Alun Weaver now a celebrated man of Welsh letters and his entrancing wife Rhiannon Long dormant rivalries and romances are rudely awakened as life at the Bible and Crown the local pub is changed irrevocably Considered by Martin Amis to be Kingsley Amis s greatest achievement a book that stands comparison with any English novel of the twentieth century The Old Devils confronts the attrition of ageing with rare candor sympathy and moral intelligence <u>Dear Illusion</u> Kingsley Amis, 2015-08-04 With Lucky Jim Kingsley Amis established himself as the bad boy of

twentieth century British letters Later he became famous as another kind of bad boy an inveterate boozer a red faced scourge of political correctness He was consistent throughout in being a committed enemy of any form of right thinking which helped to make him one of the most consistently unconventional and exploratory writers of his day a master of classical English prose who was unafraid to apply himself to literary genres all too often dismissed as low Science fiction the spy story the ghost story were all grist for Amis s mill and nowhere is the experimental spirit in which he worked his will to test both reality and the reader's imagination more apparent than in his short stories. These woodchips from his workshop as he called them are anything but throwaway work They are instead the essence of Amis a brew that is as tonic as it is The End of the Hunt Thomas Flanagan, 2016-04-05 Volume 3 of Thomas Flanagan s Irish History Trilogy intoxicating This third volume of Thomas Flanagan's best selling Irish history trilogy which begins with The Year of the French and continues with The Tenants of Time brings to epic life the events of the Irish War of Independence Flanagan's gaze is both world historical and intimate as he tells the story of Janice Nugent a recent war widow who strikes up a romance with Christopher Blake a historian and propagandist for the IRA of Patrick Prentiss discharged from the British army after losing an arm in World War I to find Dublin engulfed in civil turmoil of a Virgil toting gunman named Frank Lacy and of a panorama of meticulously drawn historical figures on both sides of the conflict from Winston Churchill and Lloyd George to Eamon de Valera and Michael Collins While violence escalates and losses mount the once mighty British Empire shows signs of strain and Irish independence finally glimmers on the horizon Take a Girl Like You Kingsley Amis, 2015-04-28 Take a Girl Like You may well be Kingsley Amis's most ambitious reckoning with the serious subject at the heart of his work the sheer squalor emotional material sexual you name it of modern life It also introduces one of the rare unqualified good guys in Amis s rogue ridden world Jenny Bunn a girl from the English north country come south to teach school in a small smug town where she hopes to find love and fortune Jenny is a beauty and men and women are crazy about her most of all handsome Patrick Standish who Jenny also likes But Jenny and Patrick live in a world where it s becoming ridiculously difficult disastrously difficult to sort out the claims of sex and the claims of love The End of the World Marcia Sa Cavalcante Schuback, Susanna Lindberg, 2017-03-29 The end of the world opens up philosophical questions concerning the very notion of the world which is a fundamental element of all existential phenomenological and hermeneutical philosophy Is the end of the world for us somebody s death the end of being in the world or the extinction of many or of all the end of the world itself Is the erosion of the world a phenomenon that does not in fact affect the notion of the world as a fundamental feature of all existential ontological inquiry This volume examines the present state of these concerns in philosophy film and literature It presents a philosophical hermeneutics of the present state of the world and explores the principal questions of the philosophical accounts of the end of the world such as finality and finitude It also shows how literature and cinema have ventured to express the end of the world while asking if a consequent expression of the end of the world is also an end of its

expression The Rough Guide to Classic Novels Simon Mason, 2008-05-01 Get the lowdown on the best fiction ever written Over 230 of the world's greatest novels are covered from Quixote 1614 to Orhan Pamuk's Snow 2002 with fascinating information about their plots and their authors and suggestions for what to read next The guide comes complete with recommendations of the best editions and translations for every genre from the most enticing crime and punishment to love sex heroes and anti heroes not to mention all the classics of comedy and satire horror and mystery and many other literary genres With feature boxes on experimental novels female novelists short reviews of interesting film and TV adaptations and information on how the novel began this guide will point you to all the classic literature you ll ever need Barry Tharaud, 2020 Shows that the writings of Paul Bowles who is often seen as a literary renegade owe much to the antinomian American tradition of Emerson and his literary descendants **Testing the Current** William McPherson, 2013-01-08 Growing up in a small upper Midwestern town in the late 1930s young Tommy MacAllister is scarcely aware of the Depression much less the rumblings of war in Europe For his parents and their set life seems to revolve around dinners and dancing at the country club tennis dates and rounds of golf holiday parties summers on the Island and sparkling occasions full of people and drinks and food and laughter But curious as he is and impatient to grow up Tommy will soon come to glimpse the darkness that lies beneath so much genteel complacency hidden histories and embarrassing poor relations the subtle and not so subtle slighting of the help the mockery of President Roosevelt and the commandment they talked least about in Sunday school adultery In Testing the Current William McPherson subtly sets off his wide eyed protagonist's perspective with mature reflection and wry humor and surrounds him with a cast of vibrant characters creating a scrupulously observed portrait of a place and time that will shimmer in readers minds long after the final page is turned

Against Redemption Franco Baldasso,2022-12-06 WINNER HELEN AND HOWARD R MARRARO PRIZE IN ITALIAN HISTORY Discloses the richness of ideas and sheds light on the controversy that characterized the transition from fascism to democracy examining authors works and memories that were subsequently silenced by Cold War politics How a shared memory of Fascism and its cultural heritage took shape is still today the most disputed question of modern Italy crossing the boundaries between academic and public discourse Against Redemption concentrates on the historical period in which disagreement was at its highest the transition between the downfall of Mussolini in July 1943 and the victory of the Christian Democrats over the Left in the 1948 general elections By dispelling the silence around the range of opinion in the years before the ideological struggle fossilized into Cold War oppositions this book points to early postwar literary practices as the main vehicle for intellectual dissent shedding new light on the role of cultural policies in institutionalizing collective memory During Italy s transition to democracy competing narratives over the recent traumatic past emerged and crystallized depicting the country s break with Mussolini s regime as a political and personal redemption from its politics of exclusion and unrestrained use of violence Conversely outstanding authors such as Elsa Morante Carlo Levi Alberto Moravia and Curzio

Malaparte in close dialogue with remarkable but now neglected figures stressed the cultural continuity between the new democracy and Fascism igniting heated debates from opposite political standpoints Their works addressed questions such as the working through of national defeat Italian responsibility in World War II and the Holocaust revealing how the social racial and gender biases that characterized Fascism survived after its demise and haunted the newborn democracy End of Time Brian Greene, 2020-02-18 NEW YORK TIMES BESTSELLER A captivating exploration of deep time and humanity s search for purpose from the world renowned physicist and best selling author of The Elegant Universe Few humans share Greene's mastery of both the latest cosmological science and English prose The New York Times Until the End of Time is Brian Greene's breathtaking new exploration of the cosmos and our quest to find meaning in the face of this vast expanse Greene takes us on a journey from the big bang to the end of time exploring how lasting structures formed how life and mind emerged and how we grapple with our existence through narrative myth religion creative expression science the quest for truth and a deep longing for the eternal From particles to planets consciousness to creativity matter to meaning Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos Past through Historical Crime Fiction, Films, and TV Series Barbara Pezzotti, 2016-09-11 This book is the first monograph in English that comprehensively examines the ways in which Italian historical crime novels TV series and films have become a means to intervene in the social and political changes of the country This study explores the ways in which fictional representations of the past mirror contemporaneous anxieties within Italian society in the work of writers such as Leonardo Sciascia Andrea Camilleri Carlo Lucarelli Francesco Guccini Loriano Macchiavelli Marcello Fois Maurizio De Giovanni and Giancarlo De Cataldo film directors such as Elio Petri Pietro Germi Michele Placido and Damiano Damiani and TV series such as the Commissario De Luca series the Commissario Nardone series and Romanzo criminale The series Providing the most wide ranging examination of this sub genre in Italy Barbara Pezzotti places works set in the Risorgimento WWII and the Years of Lead in the larger social and political context of contemporary Italy Transcultural Poetics Yifeng Sun, Dechao Li,2023-02-09 This book examines many facets of transcultural poetics in the English translation of Chinese literature from 12 different expert contributors Translating Chinese literature into English is a special challenge There is a pressing need to overcome a slew of obstacles to the understanding and appreciation of Chinese literary works by readers in the English speaking world Hitherto only intermittent attempts have been made to theorize and explore the exact role of the translator as a cultural and aesthetic mediator informed by cross cultural knowledge awareness and sensitivity Given the complexity of literary translation sophisticated poetics of translation in terms of literary value and aesthetic taste needs to be developed and elaborated more fully from a cross cultural perspective It is therefore necessary to examine attempts to reconcile the desire for authentic transmission of Chinese culture with the need for cultural mediation and appropriation in terms of the production and reception of texts subject to the multiplicity of constraints in order to shed new light on the longstanding

conundrum of Chinese English literary translation by addressing Chinese literature in the multiple contexts of nationalism cross cultural hybridity literary untranslatability the reception of translation and also world literature The book will be of great interest to students and scholars of translation studies Chinese literature and East Asian studies Foreigner in Paris Curzio Malaparte, 2020-05-19 Experience postwar Europe through the diary of a fascinating and witty twentieth century writer and artist Recording his travels in France and Switzerland Curzio Malaparte encounters famous figures such as Cocteau and Camus and captures the fraught restless spirit of Paris after the trauma of war In 1947 Curzio Malaparte returned to Paris for the first time in fourteen years In between he had been condemned by Mussolini to five years in exile and on release repeatedly imprisoned In his intervals of freedom he had been dispatched as a journalist to the Eastern Front and though many of his reports from the bloodlands of Poland and Ukraine were censored his experiences there became the basis for his unclassifiable postwar masterpiece and international bestseller Kaputt Now returning to the one country that had always treated him well the one country he had always loved he was something of a star albeit one that shines with a dusky and disturbing light The journal he kept while in Paris records a range of meetings with remarkable people Jean Cocteau and a dourly unwelcoming Albert Camus among them and is full of Malaparte's characteristically barbed reflections on the temper of the time It is a perfect model of ambiguous reserve as well as humorous self exposure There is for example Malaparte's curious custom of sitting out at night and barking along with the neighborhood dogs dogs after all were his only friends when in exile The French find it puzzling to say the least when it comes to Switzerland it is grounds for prosecution Italian Literature since 1900 in English Translation 1929-2016 Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature

Created and Creating William Edgar, 2016-12-02 Culture plays an undeniable role in the Christian's vocational calling in the world How might we engage our culture with discernment and faithfulness Exploring Scripture and gleaning insights from a variety of theologians William Edgar offers a biblical defense of the cultural mandate arguing that we are most faithful to our calling when we participate in creating culture Anniversaries (Boxed Set) Uwe Johnson, 2018-10-16 A landmark of 20th Century literature about New York in the late 1960s now in English for the first time As a novel Uwe Johnson's masterpiece Anniversaries is at once daringly simple in conception and wonderfully complex and engaging in effect Late in 1967 Johnson already one of the most celebrated German novelists of his generation set out to write a book that would take

the form of an entry for every day of the year that lay ahead The first section was dated August 20 and Johnson had of course no idea what the year would bring that was part of the challenge but he did have his main character Gesine Cresspahl a German emigre living on the Upper West Side of New York City and working as a translator for a bank who is the single mother of a ten year old daughter Marie The book would tell the story of a year in the life of this little family in relation to the unfolding story of the year as winnowed from the pages of the New York Times of which Gesine is a devoted if wary reader These stories would in turn be overlayed by another Gesine is 34 born just as Hitler was coming to power and she has decided to tell Marie the story of her grandparents lives and of her own rural childhood in Nazi Germany It is important that Marie know where and what she comes from The days of the year are also anniversaries of years past The world that was and the world of the 1960s with the struggle for civil rights leading to riots in American cities and abroad the escalating destruction of the Vietnam War are in the end one world Anniversaries was published in four volumes over the more than ten years that it took Johnson to write it and as the volumes came out it became clear that this was one the great twentieth century novels The book courts comparison to Joyce's Ulysses the book of a day and to Proust's In Search of Lost Time the book of a lifetime but it stands apart in its dense polyphonic interplay of voices and stories Anniversaries is many books the book of a mother and daughter of a family and its generations of the country and the city and of two times and two countries that seem farther apart perhaps than they are It is a novel of private life a political novel and a new kind of historical novel reckoning not only with past history but with history in the making Monumental and intimate sweeping in vision and full of incident richly detailed and endlessly absorbing Anniversaries now for the first time available in English in a brilliant new translation by Damion Searls is nothing short of a revelation The Continuous Katherine Mortenhoe D. G. Compton, 2016-07-05 Katherine Mortenhoe lives in a near future very similar to the present day Only in her time dying from anything but old age is unheard of death has been cured So when Katherine is diagnosed with a terminal brain disease brought on by an inability to process an ever increasing volume of sensory input she immediately becomes a celebrity to the pain starved public But Katherine rejects her tragic role She will not agree to be the star of a Human Destiny TV show her last days will not be documented or broadcast What she doesn't realize is that from the moment of diagnosis she s been watched not only by television producers but by a new kind of program host a man with a camera behind his unsleeping eyes Like Margaret Atwood's MaddAddam trilogy Kazuo Ishiguro's Never Let Me Go and the television series Black Mirror The Continuous Katherine Mortenhoe is a thrilling psychological drama that is as wise about human nature as it is about the His Only Son Leopoldo Alas, 2016-10-04 The unlikely hero of His Only Son Bonifacio Reyes is a nature of technology romantic and a flautist by vocation and a failed clerk and kept husband by necessity who dreams of a novelesque life Tied to his shrill and sickly wife by her purse strings he enters timidly into a love affair with Serafina a seductive second rate opera singer encouraged by her manager who mistakes Bonifacio for a potential patron Meanwhile Bonifacio s wife experiences a

parallel awakening and in the midst of a long barren marriage surprises them both with a son but is it Bonifacio s In the accompanying novella Do a Berta the heroine of the title an aged poor but well born woman forfeits her beloved estate in search of a portrait that may be all that remains of the secret love of her life While largely unknown outside of Spain Leopoldo Alas was one of the most celebrated writers of criticism in nineteenth century Spain and employed his satirical talents to powerful and humorous effect in fiction His Only Son was Alas s second and final novel full of characteristic humor naturalistic detail descriptive beauty and moral complexity His frail and pitiful characters irrational emotional actors drawn inexorably toward their foolish fates are yet multidimensional individuals often conscious of their own weaknesses and stymied by their very yearnings to be more than the parts they find themselves playing
