Enemies A History Of The Fbi:

Enemies Tim Weiner, 2013-02-26 The hidden history of the FBI and its hundred year war against terrorists spies and anyone it deemed subversive including even American presidents NEW YORK TIMES BESTSELLER NOW A SHOWTIME ORIGINAL DOCUMENTARY SERIES Turns the long history of the FBI into a story that is as compelling and important as today's headlines Jeffrey Toobin author of *American Heiress* *Enemies* is the first definitive history of the FBI's secret intelligence operations from an author whose work on the Pentagon and the CIA won him the Pulitzer Prize and the National Book Award We think of the FBI as America's police force But secret intelligence is the Bureau's first and foremost mission The FBI's secret intelligence and surveillance techniques have created a tug of war between national security and civil liberties a tension that strains the very fabric of a free republic *Enemies* is the story of how presidents have used the FBI to conduct political warfare and how it has sometimes been turned against them And it is the story of how the Bureau became the most powerful intelligence service the United States possesses Named One of the Best Books of the Year by The Washington Post New York Daily News and Slate Pulitzer Prize winning author Tim Weiner has written a riveting inside account of the FBI's secret machinations that goes so deep into the Bureau's skulduggery readers will feel they are tapping the phones along with J Edgar Hoover This is a book that every American who cares about civil liberties should read Jane Mayer author of *Dark Money* Outstanding The New York Times Absorbing a sweeping narrative that is all the more entertaining because it is so redolent with screw ups and scandals Los Angeles Times Fascinating The Wall Street Journal Important and disturbing with all the verve and coherence of a good spy thriller The New York Times Book Review Exciting and fast paced The Daily Beast

Enemies Tim Weiner, 2012 Following his award winning history of the CIA *Legacy of Ashes* Tim Weiner has now written the first full history of the FBI as a secret intelligence service Drawn entirely from first hand materials in the FBI's own files *Enemies* brilliantly brings to life the entire story from the cracking of anarchist cells to the prosecution of the war on terror The United States is a country founded on the ideals of democracy and freedom yet throughout the last century it has used secret and lawless methods to destroy its enemies The Federal Bureau of Investigation is the most powerful of these forces Since its creation before the First World War the FBI has been a secret intelligence service a fact few outsiders know It has made war on Russian spies Italian anarchists Nazi saboteurs American Communists the civil rights and anti war movements and for forty years Islamic jihadists Presidents have used the FBI as a personal instrument of political warfare against Americans using illegal wiretaps electronic surveillance and burglaries At the heart of its story lies J Edgar Hoover who ran the FBI with an iron fist for forty eight years and whose legacy still haunts America today Such creatures of passion disloyalty and anarchy must be crushed out The hand of our power should close over them at once President Woodrow Wilson 1919

A History of Heists Jerry Clark, Ed Palattella, 2015-07-09 No crime is as synonymous with America as bank robbery Though the number of bank robberies nationwide has declined bank robbery

continues to captivate the public and jeopardize the safety of banks and their employees In *A History of Heists* Jerry Clark and Ed Palattella explore how bank robbers have influenced American culture as much as they have reflected it Jesse James Butch Cassidy Bonnie and Clyde John Dillinger Willie Sutton and Patty Hearst are among the most famous figures in the history of crime in the United States Jesse James used his training as a Confederate guerrilla to make bank robbery a political act John Dillinger capitalized on the public's scorn of banks during the Great Depression and became America's first Public Enemy Number One When she held up a bank with the leftist Symbionese Liberation Army Patty Hearst fueled the country's social unrest Jerry Clark and Ed Palattella delve into the backgrounds and motivations of the robbers and explore how they are as complex as the nation whose banks they have plundered But as much as the story of bank robbery in America focuses on the thieves it is also a story of those who investigate the heists As bank robbers became more sophisticated so did the police the Federal Bureau of Investigation and other law enforcement agencies This captivating history show how bank robbery shaped the modern FBI and how it continues to cultivate America's fascination with the noble outlaw bandits seen rightly or wrongly as battling unjust authority

Scapegoating Islam Jeffrey L. Thomas, 2015-09-15 Exploring the experience of Muslims in America following 9/11 this book assesses how anti-Muslim bias within the U.S. government and the larger society undermines American security and democracy In the aftermath of the events of September 11, 2001 Muslims in America have experienced discrimination and intolerance from the U.S. government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community's engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U.S. government continue to perpetuate fear and stereotypes within U.S. citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States

The FBI and Religion Sylvester A. Johnson, Steven Weitzman, 2017-02-07 The Federal Bureau of Investigation has had a long and tortuous relationship with religion over almost the entirety of its existence As early as 1917 the Bureau began to target religious communities and groups it believed were hotbeds of anti-American politics Whether these religious communities were pacifist groups that opposed American wars or religious groups that advocated for white supremacy or direct conflict with the FBI the Bureau has infiltrated and surveilled religious communities that run the gamut of American religious life *The FBI and Religion* recounts this fraught and fascinating history focusing on key moments in the Bureau's history Starting from the beginnings of the FBI before World War I moving through the Civil Rights Movement and the Cold War up to 9/11 and today this book tackles questions essential to understanding not only the history of law enforcement and religion but also the future of

religious liberty in America G-Man (Pulitzer Prize Winner) Beverly Gage, 2023-11-14 Now in paperback the Pulitzer Prize winning biography of J Edgar Hoover deemed Masterful an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work by The Washington Post and everywhere else Revelatory an acknowledgment of the complexities that made Hoover who he was while charging the turbulent currents that eventually swept him aside The New York Times G Man is the groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape Hoover transformed a scandal riddled law enforcement backwater into a modern machine one just as oppressive as it was promising He rose to power and then stayed there decade after decade using the tools of the state to create a personal fiefdom unrivaled in U S history Beverly Gage's monumental work explores the full sweep of Hoover's life and career from his birth in 1895 to a modest Washington civil service family to a strongarm for white supremacists and the politicized Christian right serving eight presidents G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century A crisply written prodigiously researched and frequently astonishing new biography The New Yorker Gage's penetrating account of Hoover's career especially his many long eclipsed triumphs offers a well timed and sobering perspective as yet another institution in our fractured country struggles to maintain trust The Atlantic Gage's triumph is her deft navigation through Hoover's deep state while reminding us of the abuse of power that remains his enduring legacy The Boston Globe

The Safety of the Kingdom J. Michael Martinez, 2015-08-25 The horrendous events of September 11 2001 heightened awareness of terrorism unlike all but a handful of major catastrophes in American history Like the Japanese attack on Pearl Harbor on December 7 1941 and President Kennedy's assassination on November 22 1963 9 11 is a date forever enshrined in our national memory But 9 11 once again raised the question What should government do to eliminate or reduce the likelihood of a future attack How should national leadership balance its responsibility to protect the civil liberties of U S citizens with its sworn duty to protect their lives In The Safety of the Kingdom J Michael Martinez takes up the question of how the United States government has responded to terrorist attacks and in the absence of an attack the fear of foreign and subversive elements that may harm the nation In some cases the government overreaction led to a series of abuses that amplified the severity of the original threat Rather than selecting every instance of government reaction to threats Martinez examines representative cases from the alien and sedition acts in the eighteenth century to the post 9 11 war on terror Edward Snowden's disclosure of classified information related to the NSA's surveillance program brought to the fore an important debate about government scrutiny of its citizens As J Michael Martinez makes clear in this book it is a debate that has been ongoing for centuries Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the

Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *Inga* Scott Farris,2016-10-30 Inga Arvad was the great love of President John F Kennedy s life and also Adolf Hitler s special guest at the 1936 Berlin Olympics She was an actress a foreign correspondent a popular Washington columnist an explorer who lived among a tribe of headhunters one of Hollywood s most influential gossip columnists and a suspected Nazi spy The latter nearly got Kennedy cashiered out of the Navy but instead set in motion the chain of events that led to him becoming a war hero Inga lived where gossip intersects with history and her story as told by author Scott Farris in *Inga* is a rollicking story that demonstrates how private lives influence public events It is also a Hitchcockian tale of how difficult it can be to prove innocence when unjustly accused and how as Inga phrased it what was once a halo can slip down and become a hangman s noose In addition to her romance with Kennedy and the attention of Hitler Arvad married three times to an Egyptian diplomat who insisted they never had divorced the brilliant filmmaker Paul Fejos whom Charlie Chaplin considered a genius and the famed cowboy movie star Tim McCoy She also had affairs with noted surgeon Dr William Cahan the prolific writer John Gunther and Winston s Churchill s right hand man Baron Robert Boothby She was pursued by Wall Street financier Bernard Baruch and Swedish industrialist Axel Wenner Gren reputedly the richest man in the world at the time offered her 1 million to have his child Inga was Miss Denmark of 1931 but by all accounts her admirers among the European and American elite loved Inga not for her physical beauty alone but for her joie de vivre She was a genius with people she was daring and adventurous and she was their equal in intellect Like Isak Dinesen and Clare Boothe Luce Inga Arvad led a life that both sheds light on and defies the stereotypes of women of her time

Harvard Law Review: Volume 131, Number 8 - June 2018 Harvard Law Review,2018-06-07 **Bullets That Changed America** Peter Zablocki,2022-06-27 One gunshot by a single person could be powerful enough to move a whole nation Well known are the assassinations of Abraham Lincoln John F Kennedy William McKinley and Martin Luther King Jr and their long lasting consequences History however is littered with lesser known gunshots that have had equally echoing outcomes Some were small mistakes or misjudgments others intentional acts that sparked events documented in our history textbooks A single bullet serves as the catalyst for each of the stories in this book We may or may not know who fired it but we know each bullet s end point and the effects it had on America s trajectory the wars social movements and political and economic paradigm shifts The names of those involved may not to many be recognizable but the events their acts precipitated are etched in American history *Our Year of War* Daniel P. Bolger,2025-05-01 Two brothers Chuck and Tom Hagel who went to war in Vietnam fought in the same unit and saved each other s life They disagreed about the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots ravaged our cities

Assassins shot our political leaders Black fought white young fought old fathers fought sons And it was the year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each saved the other's life under fire But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century Following the brothers paths from the prairie heartland through a war on the far side of the world and back to a divided America Our Year of War tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united Studies in Intelligence ,2010 **Witch Hunt** Andrea Balis,Elizabeth Levy,2024-04-16 A cutting edge look into a pivotal moment in US history McCarthy's infamous witch hunt for communists during the 1950's Red Scare At the cusp of the Cold War Americans were so afraid of communists living among them that they began to hunt them like witches As Senator Joe McCarthy took up this mantle to hunt down communists in the US citizens grew terrified of being accused so they turned on each other pointing fingers at neighbors friends and even family Told through a unique and inviting screenplay format brought to life with dozens of illustrations by Tim Foley and comprised almost entirely of quotes derived from primary sources Witch Hunt recounts the political craze that gripped America during the Red Scare when McCarthyism forced people to go to extraordinary lengths to keep themselves and their families safe from persecution against their own government

Everyone Who Is Gone Is Here Jonathan Blitzer,2025-01-21 A New York Times bestseller A New York Times Top 10 Book of 2024 Named a Best Book of the Year by The New Yorker Chicago Tribune Newsweek PBS NewsHour LitHub Kirkus Reviews Publishers Lunch Christian Science Monitor and Counterpunch One of Barack Obama's Summer Reading List Picks Named a Notable Book by New York Times and Washington Post Nominated for the Carnegie Medal for Excellence and the Baillie Gifford Prize for Non Fiction What an incredibly thorough documentation of the causes of the immigration crisis the discussions that have been going on through multiple administrations Jon Stewart The Daily Show Everyone Who Is Gone Is Here is sure to take its place as one of the definitive accounts of the U S and Central American immigration puzzle Hopefully those with the power to change things will listen Manuel Roig Franzia Washington Post An epic heartbreaking and deeply reported history of the disastrous humanitarian crisis at the southern border told through the lives of the migrants forced to risk everything and the policymakers who determine their fate by New Yorker staff writer Jonathan Blitzer Everyone who makes the journey faces an impossible choice Hundreds of thousands of people who arrive every year at the US Mexico border travel far from their homes For years the majority came from El Salvador Guatemala and Honduras but many more have begun their journey much farther away Some flee persecution others crime or hunger They may have already been deported but the United States remains their only hope for safety and prosperity They will take their chances As Jonathan

Blitzer dramatizes with forensic unprecedented reporting this crisis is the result of decades of misguided policy and sweeping corruption Brilliantly weaving the stories of Central Americans whose lives have been devastated by chronic political conflict and violence with those of American activists government officials and the politicians responsible for the country's tragically tangled immigration policy Blitzer reveals the full layered picture of this vast and unremitting conflict Everyone Who Is Gone Is Here tells the epic story of the people whose lives ebb and flow across the border delving into the heart of American life itself This vital and remarkable story has shaped the nation's turbulent politics and culture in countless ways and will almost certainly determine its future *Direct Action* L.A. Kauffman, 2017-02-19 What happened to the American left after the Sixties This engrossing account traces the evolution of disruptive protest over the last forty years to tell a larger story about the reshaping of American radicalism showing how the direct action blockades occupations and campaigns of recent activist movements have functioned as laboratories for political experimentation and renewal Propelled by more than a hundred candid interviews conducted over a span of decades this elegant and lively history showcases the voices of key players in an array of movements environmentalist anti nuclear anti apartheid feminist LGBTQ anti globalization racial justice anti war and more across an era when American politics shifted to the right and issue and identity based organizing eclipsed the traditional ideologies of the left As Kauffman a longtime movement insider examines how groups from ACT UP to Occupy Wall Street to Black Lives Matter have used direct action to catalyze change against long odds she details the profound influence of feminism and queerness on radical political practice and how enduring divisions of race have shaped the landscape of activism Written with nuance and humor and revealing deep connections between movements usually viewed in isolation *Direct Action* is essential reading for anyone interested in understanding how protest movements erupt and how they can succeed Lost Son Brett Forrest, 2023-05-23 A young American lost in Russia An FBI cover up A mystery leading from Washington to the heart of the Kremlin's war in Ukraine When Billy Reilly vanished his parents embarked on a desperate search for answers Was their son's disappearance connected to his mysterious work for the FBI or was it a personal quest gone wrong Only when Wall Street Journal reporter Brett Forrest embarks on his own investigation does a picture emerge of the FBI's exploitation of US citizens through a secretive intelligence program a young man's lust for adventure within the world's conflicts and the costs of a rising clash between Moscow and Washington Sept 11th roused Billy Reilly's curiosity for religion's war and the world and its people beyond his small town near Detroit Online Billy taught himself Arabic and Russian His passions led him into jihadi Internet forums attracting the interest of the FBI An amateur drawn into professional intelligence Billy became a Confidential Human Source one of thousands of civilians who assist FBI agents with investigative work often at great hazard and with little recourse When Russia stirred rebellion in Ukraine Billy set out to make his mark In Russia Billy's communications dropped His parents frantic asked the FBI for help but struggled to find answers Grasping for clues the Reilly family turned to Brett Forrest Commencing a quest of his own

Forrest applied years worth of research along with decades of extensive experience in Russia illuminating the inner workings of the national security machine that enmeshed Billy and his family picking up the lost son's trail A masterwork of reporting composed like a thriller blending political maneuvering and international espionage *Lost Son* illustrates one man's coming of age amid new global dangers **Big Intel** J. Michael Waller,2024-01-16 *Big Intel* recounts the dramatic story of the rise and Cold War heroics of the CIA and the American intelligence apparatus followed by its unfortunate slide into Marxist influenced Deep State dysfunction as BIG INTEL became BAD INTEL How the Left Subverted the CIA and FBI Once upon a time the FBI and the CIA fought America's enemies at home and abroad Now they are tools of a growing police state attacking the left's political enemies and spying on ordinary American citizens even parents who push back against radical public schools How did we get here In this revealing and thoroughly documented book a former CIA operative traces the origins of Big Intel to a loose network of Marxist academic agitators known as the Frankfurt School Their ideology appealed to the Ivy League elites populating the CIA but the subversion of the FBI took longer impeded for a time by the bureau's staunchly anti Communist director J Edgar Hoover Eventually both institutions succumbed and today Big Intel is controlled by the cultural Marxists Chronicling the parasitic infiltration of the CIA and FBI *Big Intel* shows how normal intelligence functions have given way to political correctness and never ending pride propaganda trap ping agents in the diversity equity and inclusion house of mirrors Most chilling of all is the emergence of the leftist security state Big Intel has become Bad Intel There are hard times ahead but if Americans remember what freedom once was we can still defang Big Intel and return our intelligence services to the service of democracy *The Cold War* Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **You Have Unleashed a Storm** David Viola,2025-04-22 The panoramic untold story of domestic terrorism and political radicalism in 60s and 70s New York City and its echoes in our current moment New York

City in the 1960s was the beating heart of the United States a global metropolis thriving on its abundance and diversity But in a short time Gotham went through an extraordinary transition The postwar golden years gave way to a frantic era of social political racial and economic turmoil Groups with their own distinct ideological aims gained a presence in the city And with this frenzied new era came a new wave of violence Terrorism has had an impact on the course of US history far greater and for far longer than is commonly understood The ripple effects of this largely forgotten moment and importantly how the authorities countered have played a significant role in how contemporary American life has unfolded Professor at the Center on Terrorism at the John Jay College of Criminal Justice David Viola unveils archival collections newly declassified files and preserved court records in this groundbreaking account of New York City's divergent radical groups bringing to light a candid picture of remarkable people in a remarkable setting

Hoover's War on Gays Douglas M. Charles, 2015-09-18 At the FBI the Sex Deviates program covered a lot of ground literally at its peak J Edgar Hoover's notorious Sex Deviates file encompassed nearly 99 cubic feet or more than 330 000 pages of information In 1977 1978 these files were destroyed and it would seem that four decades of the FBI's dirty secrets went up in smoke But in a remarkable feat of investigative research synthesis and scholarly detective work Douglas M Charles manages to fill in the yawning blanks in the bureau's history of systematic some would say obsessive interest in the lives of gay and lesbian Americans in the twentieth century His book Hoover's War on Gays is the first to fully expose the extraordinary invasion of US citizens privacy perpetrated on a historic scale by an institution tasked with protecting American life For much of the twentieth century when exposure might mean nothing short of ruin gay American men and women had much to fear from law enforcement of every kind but none so much as the FBI with its inexhaustible federal resources connections and its carefully crafted reputation for ethical by the book operations What Hoover's War on Gays reveals rather is the FBI's distinctly unethical off the books long term targeting of gay men and women and their organizations under cover of official rationale such as suspicion of criminal activity or vulnerability to blackmail and influence The book offers a wide scale view of this policy and practice from a notorious child kidnapping and murder of the 1930s ostensibly by a sexual predator with homosexual tendencies educating the public about the threat of deviates through WWII's security concerns about homosexuals who might be compromised by the enemy to the Cold War's Lavender Scare when any and all gays working for the US government shared the fate of suspected Communist sympathizers Charles's work also details paradoxical ways in which these incursions conjured counterefforts like the Mattachine Society ONE Inc and the Daughters of Bilitis aimed at protecting and serving the interests of postwar gay culture With its painstaking recovery of a dark chapter in American history and its new insights into seemingly familiar episodes of that story involving noted journalists politicians and celebrities this thorough and deeply engaging book reveals the perils of authority run amok and stands as a reminder of damage done in the name of decency

The Top Books of the Year Enemies A History Of The Fbi The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Enemies A History Of The Fbi : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
