

ENGAGING
with...

Muslims

Many Christians are fearful of engaging in conversation with Muslims—believing that they will be hostile to Christian beliefs and conversations about the Bible.

This short book is designed to help both Christians and whole churches understand more about the variety of Muslims there are living in the West, and to reach out to them with the good news of the gospel.

John Klaassen is Associate Professor of Global Studies at Boyce College, in Louisville, Kentucky, USA. Previously he worked in relief and development in North Africa. He is married and has two children.
