Encontro entre culturas, tempos e espaços de um povo sempre fiel a si mesmo. Mas em constante reinvenção. Contribuindo também para que outras se reinventam e aprendam lições de convívio, tolerância e valorização da identidade na diversidade e vice versa. Numa época como a atual em que a luta pela abolição dos preconceitos entre os humanos e em simultâneo o respeito ao diferente. Um livro assim um convite reflexivo a um mergulho inclusive de autocrítica na história comum do Brasil, Portugal, Espanha e dos judeus e seus descendentes. Leitura importante para antropólogos e historiadores, professores e pesquisadores, estudantes de todos os níveis. Para quem conhecer o passado ajuda a errar menos no presente e estruturar um futuro melhor. Uma aposta a mais em novas formas de iluminismo. MARIO HELIO

Although the three authors studied Ana María Matute, Carmen Martín Gaité and Esther Tusquets are sophisticated intellectuals, they have chosen fairy tales and texts from other marginalized genres originally for female consumption, such as the novel *Rosa* and the Hollywood women's picture, as the major intertexts in their novels for adults as well as in their fictions for children. Against the backdrop of feminist theory and recent critical studies of fairy tales and children's literature, Soliño studies the works of these authors as gendered texts. Soliño's book opens with a chapter that traces the historical development of the fairy tale genre, examines their didactic intent and critiques the images of women in fairy tales.

The second chapter explores the manners by which fairy tales were used as a tool for indoctrination during the formative years of the three authors under consideration. These introductory chapters are followed by individual chapters devoted to Martín Gaité Matute and Tusquets in which Solino explores the connections between the literature these authors published for children and the novels they penned for an adult readership. **La conclusión del Amadís de Gaula** Eloy González Argüelles, 2001 *Arca de sabiduría*, 1994 **Los engarces de la sabiduría**, 2023-05 **El libro del ingenio y la sabiduría** Ana María Shua, 2003-01-01 **Begin.
