Matthew Engel

Engels England Thirty Nine Counties One Capital And One Man:

Engel's England Matthew Engel, 2014-10-23 England says Matthew Engel is the most complicated place in the world And as he travels through each of the historic English counties he discovers that s just the start of it Every county is fascinating the product of a millennium or more of history still a unique slice of a nation that has not quite lost its ancient diversity He finds the well dressers of Derbyshire and the pyromaniacs of Sussex the Hindus and huntsmen of Leicestershire the goddess worshippers of Somerset He tracks down the real Lancashire hedonistic Essex and the most mysterious house in Middlesex In Durham he goes straight from choral evensong to the dog track As he seeks out the essence of each county from Yorkshire s broad acres to the microdot of Rutland Engel always finds the unexpected Engel s England is a totally original look at a confused country a guidebook for people who don t think they need a guidebook It is always quirky sometimes poignant and often extremely funny

That's The Way It Crumbles Matthew Engel, 2017-06-08 Are we tired of hearing that fall is a season sick of being offered fries and told about the latest movie Yeah Have we noticed the sly interpolation of Americanisms into our everyday speech You betcha And are we outraged Hell yes But do we do anything Too much hassle Until now In That s The Way It Crumbles Matthew Engel presents a call to arms against the linguistic impoverishment that happens when one language dominates another With dismay and wry amusement he traces the American invasion of our language from the early days of the New World via the influence of Edison the dance hall and the talkies right up to the Apple and Microsoft dominated present day and explores the fate of other languages trying to fend off linguistic takeover bids It is not the Americans fault more the result of their talent for innovation and our own indifference He explains how America s cultural supremacy affects British gestures celebrations and way of life and how every paragraph and conversation includes words the British no longer even think of as Americanisms Part battle cry part love song part elegy this book celebrates the strange the banal the precious and the endangered parts of our uncommon common language

Al-Britannia, My Country James Fergusson, 2018-08-23 Shortlisted for the British Academy Nayef Al Rodhan Prize for Global Cultural Understanding 2018 A SERIOUSLY NECESSARY BOOK ROWAN WILLIAMS FORMER ARCHBISHOP OF CANTERBURY A MUST READ MIQDAAD VERSI MUSLIM COUNCIL OF BRITAIN A COMPELLING AND COMPASSIONATE SURVEY OF BRITISH ISLAM THE GUARDIAN A TIMELY BOOK BARONESS WARSI HUGELY IMPORTANT PETER OBORNE HEARTENING DAVID ANDERSON QC In this groundbreaking book James Fergusson travels the length of Britain to explore our often misunderstood Muslim communities and to experience life on both sides of our increasingly segregated society The face of Britain is changing The Muslim population has more than doubled over the last twenty years and is projected to do so again over the next twenty A societal shift of this size and speed has inevitably brought growing pains with the impact on our communities becoming ever more profound as well as painful because in the eyes of many Islam has a problem the extremist views of a tiny minority which when translated into action can result in catastrophic violence The danger of this extremist threat or our response to it

is that we are collectively starting to lose faith in the cultural diversity that has glued our nation together for so long Our tolerance of others so often celebrated as a fundamental British value is at risk In this groundbreaking book James Fergusson travels the length of Britain to evaluate the impact these seismic shifts have had on our communities With the rise of nationalist movements growing racial tensions and an increasingly out of touch political elite what does it mean to be a Muslim in Britain What is life like on both sides of this growing religious divide And what can we do to heal the fractures appearing in our national fabric *Al Britannia My Country* is a timely and urgent account of life in Britain today a call to action filled with real life experience hard truths and important suggestions for our future *Routledge Handbook of Sports*

Journalism Rob Steen,Jed Novick,Huw Richards,2020-11-17 The Routledge Handbook of Sports Journalism is a comprehensive and in depth survey of the fast moving and multifaceted world of sports journalism Encompassing historical and contemporary analysis and case studies exploring best practice as well as cutting edge themes and issues the book also represents an impassioned defence of the skill and art of the trained journalist in an era of unmediated digital commentary With contributions from leading sports media scholars and practising journalists the book examines journalism across print broadcast and digital media exploring the everyday reality of working as a contemporary reporter editor or sub editor It considers the organisations that shape output from PR departments to press agencies as well as the socio political themes that influence both content and process such as identity race and gender The book also includes interviews with and biographies of well known journalists as well as case studies looking at the way that some of the biggest names in world sport from Lance Armstrong to Caster Semenya have been reported This is essential reading for all students researchers and professionals working in sports journalism sports broadcasting sports marketing and management or the sociology or history of sport *The Age of Urban Democracy* Donald Read,2014-06-17 This ambitious survey covers all aspects of the period in which English society acquired its modern shape industrial rather than agricultural urban rather than rural democratic in its institutions and middle class rather than aristocratic in the control of political power For this revised edition the footnotes and bibliography have been fully updated and the entire text has been reset in a larger and more attractive format An ideal introduction to the subject it masters a huge amount of material through its clear structure sensible judgements and approachable style
