Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's *The Encyclopedia of the Cold War A Political Social and Military History* offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union *The Encyclopedia of the Cold War* provides authoritative information on all

military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time **The Cold War** Spencer Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Encyclopedia of Cold War Politics Brandon Toropov, 2000 There are many reference works on the cold war including The Cold War Encyclopedia 1996 and the recent Historical Dictionary of the Cold War 2000 These works put a crucial period of the twentieth century into perspective They share an international focus driven in part by the global nature of the cold war the events that defined it and the people who fought it This new encyclopedia takes a different tack focusing almost exclusively on American domestic events and issues and touching on international themes only when they are relevant to the U S scene More than 700 entries are arranged alphabetically beginning with Acheson Dean secretary of state from 1949 to 1953 and ending with Yippies an anti establishment DEGREESB radical element of the hippie movement In between are entries on presidents and their opponents civil rights groups and leaders phrases and definitions The length of each entry ranging from 100 2 500 words reflects the importance of the subject or the depth of coverage needed Acheson s boss Harry Truman earns just over four columns while Truman s opponent in the infamous 1948 general election Thomas Dewey barely rates one column Each entry is factual and concise The entry on Martin Luther King Jr mentions his early life and education his adherence to Gandhi s policy of nonviolence the March on Washington and his assassination in Tennessee avoiding the various controversies surrounding both King s life and death Sometimes the generally objective tone of the work is missing as when for example it defines communism as paradoxical and self defeating Black and white photographs enhance the text

and the index is detailed This volume is a worthy addition to the cold war reference shelf Its coverage of people places and events that might be ignored in works with a more international perspective makes it a good starting point for anyone interested in an American focus Recommended for high school public and academic libraries RBB Copyright r American Library Association All rights r

Encyclopedia Of The Cold War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Encyclopedia Of The Cold War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Encyclopedia Of The Cold War has opened up a world of possibilities. Downloading Encyclopedia Of The Cold War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Encyclopedia Of The Cold War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Encyclopedia Of The Cold War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Encyclopedia Of The Cold War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Encyclopedia Of The Cold War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Encyclopedia Of The Cold War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
