**Henrik Ibsen**

## **Enemy People Henrik Ibsen:**

**An Enemy of the People** Henrik Ibsen, 2001 The strongest man in the world is the one who stands most alone The plot of Ibsen's play is relevant more than 125 years after its 1882 publication Natural springs found in a little Norwegian village are about to put the town on the map until a physician outs a powerful area business that is poisoning the water Unfortunately the media is complicit with local government in suppressing the study and when the scientist himself offers to lecture no one will rent him a forum In short when the scientist bucks local interests he becomes a pariah to the lightly educated and easily manipulated majority in the town an enemy of the people Handier than the free PDFs on the web this you can hold bookmark highlight and shelve An inexpensive imperative for any history economics or political buff

**An Enemy of the People** Henrik Ibsen, 1998-02-26 An Enemy of the People concerns the actions of Doctor Thomas Stockmann a medical officer charged with inspecting the public baths on which the prosperity of his native town depends He finds the water to be contaminated When he refuses to be silenced he is declared an enemy of the people Stockmann served as a spokesman for Ibsen who felt that his plays gave a true if not always palatable picture of life and that truth was more important than critical approbation

**An Enemy of the People (a Classic Play)** Henrik Ibsen, 2011-01 An Enemy of the People is an 1882 play by Norwegian playwright Henrik Ibsen Ibsen wrote it in response to the public outcry against his play Ghosts which at that time was considered scandalous Ghosts had challenged the hypocrisy of Victorian morality and was deemed indecent for its veiled references to syphilis An Enemy of the People addresses the irrational tendencies of the masses and the hypocritical and corrupt nature of the political system that they support It is the story of one brave man's struggle to do the right thing and speak the truth in the face of extreme social intolerance The play's protagonist Dr Stockmann represents the playwright's own voice Upon completion of the play Ibsen wrote to his publisher in Copenhagen I am still uncertain as to whether I should call it a comedy or a straight drama It may have many traits of comedy but it also is based on a serious idea

**Henrik Ibsen** Henrik Ibsen, 2010-06-11 An Enemy of the People was one of Henrik Ibsen's more controversial works In the play Dr Stockmann discovers that the new baths built in his town are infected with a deadly disease that requires they should be closed for repair However the mayor of the town the Burgomaster who is Stockmann's brother Peter rejects the report and refuses to close the baths because it will bring about the financial ruin of the town When Dr Stockmann tries to make his case to the people of the town the mayor counters by pointing out how expensive it would be to repair the baths and dismisses the doctor for having wild fanciful ideas At the public meeting Dr Stockmann is declared an enemy of the people by the Burgomaster As is the case with most of Ibsen's classic works An Enemy of the People speaks to larger issues than those in conflict in the play The debate is over the bad water pipes at the new baths but the true conflict is over the clash of private and public morality Both of the Stockman brothers are flawed Dr Stockman's idealism is at odds with the practical realities of the world in which he lives while the Burgomaster ignores ethical concerns Still in the end we

have to favor the doctor over the mayor because his integrity is clearly stronger while still recognizing that his idealism is tragically flawed      An Enemy of the People Henrik Ibsen,2009-07-01 Norwegian playwright Henrik Ibsen wrote *An Enemy of the People* in 1882 as a response to the public outrage over his play *Ghosts* Part comedy part serious drama the play looks at Dr Thomas Stockmann's struggle to uphold the truth in the face of intolerance and willful ignorance as his entire community turns against him Branded an Enemy of the People Dr Stockmann can only take solace in the idea that the strongest man in the world is the man who stands most alone      An Enemy of the People (Esprios Classics) Henrik Ibsen,2022-05-02 *An Enemy of the People* an 1882 play by Norwegian playwright Henrik Ibsen followed his previous play *Ghosts* which criticized the hypocrisy of his society's moral code Ibsen Ellen Mortensen Ibsen Studies v 7 169 argues wrote *An Enemy of the People* in response to the public outcry against *Ghosts* which openly discussed adultery and syphilis That response included accusations of both *Ghosts* and its author being scandalous degenerate and immoral In *An Enemy of the People* a man dares to expose an unpalatable truth publicly and is punished for it However Ibsen took a somewhat skeptical view of his protagonist suggesting that he may have gone too far in his zeal to tell the truth      An Enemy of the People by Henrik Ibsen Henrik Ibsen,2020      **An Enemy of the People** Arthur Miller,Henrik Ibsen,1977-11-17 A Penguin Classic When Dr Stockmann discovers that the water in the small Norwegian town in which he is the resident physician has been contaminated he does what any responsible citizen would do reports it to the authorities But Stockmann's good deed has the potential to ruin the town's reputation as a popular spa destination and instead of being hailed as a hero Stockmann is labeled an enemy of the people Arthur Miller's adaptation of Henrik Ibsen's classic drama is a classic in itself a penetrating exploration of what happens when the truth comes up against the will of the majority This edition includes Arthur Miller's preface and an introduction by John Guare For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators      **An Enemy of the People ; The Wild Duck ; Rosmersholm** Henrik Ibsen,1999 The three plays in this volume all deal with the moral courage needed to tell the truth They are peopled by complex individuals pitted against or part of a society that Ibsen felt was morally abhorrent      **An Enemy of the People** Henrik Johan Ibsen,2018-04-03      *An Enemy of the People* Henrik Ibsen,2024-11-20 Amy Herzog's streamlined adaptation of the Ibsen classic is a vibrant and compelling theatrical experience A small town doctor considers himself a proud upstanding member of his close knit community When he discovers a catastrophe that risks the lives of everyone in town he raises the alarm But he is shaken to his core when those in power including his own brother try not only to silence him but to destroy him      **The Enemy of the People** Henrik Ibsen,1992-10-01      **An Enemy of the People** Henrik Ibsen,2018-11-06 *An Enemy of the*

People Large Print by Henrik Ibsen Dr Stockmann attempts to expose a water pollution scandal in his home town which is about to establish itself as a spa When his brother the mayor conspires with local politicians and the newspaper to suppress the story Stockmann appeals to the public meeting only to be shouted down and reviled as an enemy of the people Ibsen's explosive play reveals his distrust of politicians and the blindly held prejudices of the solid majority **An Enemy of the People: A play in five acts** Henrik Ibsen, 2013-11-10 An Enemy of the people is an 1882 play by Norwegian playwright Henrik Ibsen Ibsen wrote it in response to the public outcry against his play Ghosts which at that time was considered scandalous Ghosts had challenged the hypocrisy of Victorian morality and was deemed indecent for its veiled references to syphilis **An Enemy of the People ; The Wild Duck** Henrik Ibsen, 1929 *Ibsen and the Greeks* Norman Rhodes, 1995 Was Ibsen influenced by Greek culture Were allusions to the Greeks configured in the Norwegian playwright's works According to author Norman Rhodes whether consciously or unconsciously many of Ibsen's plays are encoded with veiled references to ancient Greek culture Rhodes also postulates that Ibsen's perception of the importance of the Greeks was most likely mediated to him through German Romanticism and Scandinavian culture According to Rhodes numerous echoes of Greek literature resonate in such early Ibsen plays as Catiline The Warrior's Barrow Olaf Liljekrans and Love's Comedy Ibsen's Brand and Peer Gynt are a dialectic pair which in key ways are suggestive of Homer's Iliad and Odyssey A Doll House has important parallels with Sophocles Antigone and An Enemy of the People correlates with both Plato's Apology and Sophocles Oedipus Tyrannos Moreover a Euripidean sense of fatal irrationality seems inscribed in Ibsen's final plays the protagonists John Rosmer Hedda Gabler Master Builder Solness John Gabriel Borkman and the sculptor Rubek all destroy themselves BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **An Enemy of the People** Henrik Ibsen, 2015-08-24 An Enemy of the people original Norwegian title En folkefiende is an 1882 play by Norwegian playwright Henrik Ibsen Ibsen wrote it in response to the public outcry against his play Ghosts which at that time was considered scandalous Ghosts had challenged the hypocrisy of Victorian morality and was deemed indecent for its veiled references to syphilis citation needed Upon completion of the play Ibsen wrote to his publisher in Copenhagen Denmark I am still uncertain as to whether I should call it a comedy or a straight drama It may have many traits of comedy but it also is based on a serious idea *Ibsen Plays: 2* Henrik Ibsen, 2014-03-20 This volume contains Ibsen's two most famous and frequently read studied and performed plays about women A Doll's House 1879 his first international success which exploded like a bomb into contemporary life and Hedda Gabler 1890 now one of his most popular plays but greeted at first with bewilderment and outrage The play is simply a bad escape of moral sewage gas Pictorial World Also included is An Enemy of the People 1883 whose central character was the actor Konstantin Stanislavski's favourite role Michael Meyer's translations are crisp and cobweb free purged of verbal Victoriana Kenneth Tynan **An Enemy of the People** Henrik Ibsen, 2020-11-12 An Enemy of the People by Henrik Ibsen The city in which the work is taking place has built a huge bath

complex that is crucial to the city's economy Dr Stockmann has just discovered that the bathroom drainage system is seriously contaminated Alert various community members including Hovstad and Aslaksen and receive generous support and thanks for making your discovery in time to save the city The next morning however his brother who is also the town's mayor tells him that he must retract his statements as the necessary repairs would be too expensive Furthermore the mayor is not convinced by Dr Stockmann's findings The brothers have a fierce argument but Dr Stockmann hopes that at least the Hovstad newspaper will support him However the mayor convinces Hovstad and Aslaksen to oppose Dr Stockmann The doctor holds a meeting in the city to give a lecture on the baths but Aslaksen and the mayor try to stop him from speaking Dr Stockmann then begins a long tirade in which he condemns the foundations of the people and the tyranny of the majority The audience finds his speech incredibly offensive and the next morning the doctor's house is vandalized He and his daughter are fired The mayor hints that the doctor's actions were simply a plan to inherit more of Morten Kiil's money and Kiil himself soon arrives to suggest that plan to Dr Stockmann However the doctor rejects all those suggestions and decides to defy authority and stay in town His family supports him and he says that the strongest man is the one who is alone

**THE ENEMY OF THE PEOPLE Henrik Ibsen** S M B, Henrik Ibsen, 2020-02-22 The Enemy of the people is an Original Norwegian play that was published in 1882 by Henrik Ibsen The play theme is around a man who dares to speak unsavory truths and is later punished for his actions This classic literary play was later translated into English that is widely ready and adapted around the world We have formatted the book for great reading for those who enjoy historic literary friction
