**The Story of Jesus** William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus' original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history

**Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment** John Weldon, 2013-02-09 Edgar Cayce 1877-1945 was one of the most famous trance mediums in the world and the best known psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping

prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil s playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings     *Authentic Healing* Kathi J. Kemper, M.D., M.P.H. ,2016-03-08 Whether you are a health professional or a lay person caring for a family member or friend *Authentic Healing* offers essential practical wisdom Combining ancient practices with modern science Dr Kemper brings her wealth of experience as a physician into this practical step by step easy to read handbook It answers common questions such as What s the difference between healing and curing Who can heal How do I prepare Does it work How does this compare with traditional healing from China and India Can healing be done in teams Can healing occur at a distance What can recipients do between sessions Book jacket     **The Healing Power of the Sacred Woman** Christine R. Page,2012-11-16 How to enhance well being by reconnecting to sacred womanhood Shares ways to embody the power wisdom and compassion of the Great Mother Reveals a woman s purpose is to give birth not only to new life but also to new levels of consciousness Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago women were seen as living representatives of the Great Mother whose cyclical and potent energy gave birth to all existence Today this sacred awareness has been lost or distorted causing a collective amnesia among women around the world However there is one symbol of the Great Mother s loving presence that has remained unchanged for tens of thousands of years the physical body Its curves sensuality softness and monthly flow are constant reminders of this deep loving connection When illness appears especially within the breasts and fertility organs a woman is being reminded to return to her pure and sacred identity where death and birth are essential for growth and love flows without expectations Combining more than 30 years experience in health care with in depth research into the history and mythology of the divine feminine Christine R Page M D reveals that women are the foundation of the birth of new levels of consciousness without which the evolution of humanity will become barren and dry Yet such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity Through a fascinating journey into the body Dr Page shows the importance of self love and self respect and explains how sex is a natural process of unification where women take the lead similar to the ancient sacred priestesses Dr Page reminds women to reconnect to the potent and creative energy of Mother Earth which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb     Complementary and Alternative Medicine Robert A Roush,2016-05-06 Learn about
