New Creation Rodney Clapp, 2018-08-15 *New Creation* introduces readers to the thrilling biblically based vision of a whole world created by and to be redeemed by God Written at an eminently accessible level it shows how endings or eschatologies animate our lives It rehearses the biblical story from an eschatological angle emphasizing that Christian eschatology entails a politics It then delves into how eschatology affects the priesthood of all believers peace making prayer and creation including the rocks and trees dogs and bees and maybe even sex With a light hand it provides biblical cultural background where needed Throughout it connects theological groundings to present day life Christian discipleship and contemporary issues Here is a view of eschatology that bypasses escapist Rapture theology and puts forward a robust exciting life now and in the age to come very different from New Yorker cartoons featuring the afterlife as a bland boring affair of strumming harps on clouds

The Spirit World in the Letters of Paul the Apostle Guy Williams, 2009-09-16 Guy Williams beleuchtet die Rolle der Geistwesen in den echten paulinischen Briefen Entgegen der weit verbreiteten Ansicht Geister und spirituelle Wesen seien für Paulus unbedeutend und trivial gewesen vertritt Williams die These dass diese inhärente Merkmale der Briefe darstellten Die Berücksichtigung ihres historischen und kulturellen Hintergrundes zeigt dass die Vorstellung von den Einwohnern der paulinischen Geistwelt den Engeln Dämonen Kräften und Satan denen des allgemeinen Gedankenguts entspricht Schließlich bezieht Williams die Ergebnisse seiner Untersuchung auf drei Bereiche Paulus Christologie seine Soteriologie und seine Vorstellung von Gemeinschaft Sein Ansatz erlaubt einen frischen Blick auf Ort und Bedeutung von spirituellen Wesen bei Paulus nicht im Sinne einer neuen Doktrin aber als allgemeines und kulturelles Idiom der paulinischen Texte

The Ritual World of Paul the Apostle Michael Lakey, 2018-12-27 Michael Lakey explores the theological significance of the rituals of Baptism and the Lord's Supper in Pauline theology with the argument culminating in an analysis of the significance of ritual dining in 1 Corinthians 10 14 22 and the Lord's Supper in 1 Corinthians 11 17 34 By contrast with social world forms of comparison between rituals in the Pauline communities and other communities in antiquity this study focuses primarily upon the theologically integrating function these rituals perform in relation to Paul's theology and ethics Lakey builds upon Clifford Geertz's systemic understanding of religion by showing how for Paul Baptism and the Lord's Supper facilitate specific connections between his metaphysics on the one hand and the form or pattern of life he enjoins upon his churches on the other This volume considers precisely what given his theological and ethical premises Paul's underlying beliefs regarding these ritual events may have been allowing for a preliminary discussion of specific lines of post interpretation in the early patristic period

Satan and the Problem of Evil Gregory A. Boyd, 2025-08-04 Where does evil come from If there is a sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God's sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God's providential oversight of all creation and history How does God interact with human intention and action If people act freely

does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in *God at War* with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition While all may not agree with Boyd s conclusions Satan and the Problem of Evil promises to advance the church s discussion of these critical issues *Retrieving the Tradition and Renewing Evangelicalism* Daniel H. Williams,1999 A learned and uniquely constructive book that gently urges suspicious Christians to reclaim the patristic roots of their faith This is the first book of its kind meant to help Protestant Christians recognize the early church fathers as an essential part of their faith Writing primarily to the evangelical independent and free church communities who remain largely suspicious of church history and the relationship between Scripture and tradition D H Williams clearly explains why every branch of today s church owes its heritage to the doctrinal foundation laid by postapostolic Christianity Based on solid historical scholarship this volume shows that embracing the catholic roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world **After Trump** Donald Heinz,2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism s distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy and massive inequalities grew and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be re called will the churches re live as social movements that bring good news to all the people will American Christianity re contest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto *Another Possible World* Ivan Petrella,2013-01-25 Liberation theology was the most important theological movement of the 20th century Its influence shook the Third and First world Born from an epistemological break from the whole of the Western theological tradition liberation theology was not one theological school among others in the canon Instead it sought a new understanding of theology itself The basis of that new understanding was the attempt to do theology from the perspective of the poor majority

of humankind Liberation theology whether Latin American U S Black African Feminist realized that theology had traditionally been done from the standpoint of privilege Western theology was the product of a minority of humankind living in a state of affluent exception poverty was the norm for the majority of the world s population By grounding itself in the perspective of the poor liberation theology came as close as possible to being the first truly global theology This series recovers the heart and soul of liberation theology by focusing on authors that ground their work in the perspective of the majority of the world s poor Another Possible World is the book resulting from the first World Forum on liberation theology that took place in 2005 in Brazil This international gathering discussed themes of liberation ecumenical differences inter religious commitments and historical and interdisciplinary methodologies from the perspective of the global poor The resulting chapters come from an internationally acclaimed group of contributors This collection brings the current debates within liberation theologies right up to date and allows readers to acquaint themselves with key thinkers on the most relevant topics within this discipline

America in God's World Kenneth L. Vaux, 2009-02-18 America in God s World argues that human injustice in social policy areas such as security economy and ecology can be traced to defective theology ethics abroad in the land Renewing biblical theology and ethics and finding new ways to appropriate this wisdom into public policy can bring renewal to our national life and help heal and reconcile our troubled world **Shalom - The Jesus Manifesto** Andrew Francis, 2016-04-01 Shalom is the motif of God s peace and well being Jesus is the embodiment of that In this extraordinarily liberating book Andrew Francis explores seven different once marginalized movements in their search for shalom in the life ministry and example of Jesus What would it look like to create a manifesto for Jesus shaped living What does it mean to say that the Spirit of the Lord is forming shalom through his church *Navigating Romans Through Cultures* Khiok-khng Yeo, 2004-11-05 Provides the first collective cross cultural reading of Romans *Beautiful upon the Mountains* Mary H. Schertz, Ivan Friesen, 2008-04-01 These essays by biblical scholars show that friction in the church between evangelism and peace activism is neither helpful nor biblical mission and peace are inseparable throughout the biblical canon Those who seek God s reign are called to proclaim the gospel of peace
