

POLICIES AND PROCEDURES

Church Calendar Scheduling

POLICY

The official church calendar is maintained by the Secretary. All requests and changes must be channeled through her. No one else may enter, delete, or change information on the official calendar.

Church program activities (meetings, fellowships, recreation, musical programs) may be scheduled by staff, organization and department directors, and committee chairpersons as coordinated by the Church Council.

The Pastor and the Church Council will coordinate the scheduled events for the church calendar.

Program activities and committee meetings will not conflict with the regularly scheduled services of the church (morning and evening worship, Sunday school, Discipleship Training, midweek prayer service).

Use of the building for other than church-sponsored activities is subject to the church policy on use and space available. When a conflict arises, church activities take priority over sponsored activities on a first-come, first-served basis.

PROCEDURE

Scheduling:

1. Each individual wishing to schedule an activity or emphasis must complete a Calendar Scheduling Form. Forms are kept in the church office.
2. The Schedule Request Form is submitted to the Secretary one week prior to the monthly Church Council meeting.
3. The Secretary shall check calendar for the availability of facilities and will make notation on form.
4. Pastor takes the request to Church Council meeting for approval.
5. Secretary enters the event on the church calendar in pencil.
6. Secretary notifies requesting person of approval.
7. Secretary distributes a weekly building use calendar to each staff member and to the person responsible for opening and closing the building.

Cancellations or Changes: To change the date, time, or cancel the event please contact the Secretary as soon as possible to note cancellation in the bulletin or newsletter.

Church Policies Procedures Manual:

Developing a Church Policies and Procedures Manual Kit J. Valentine, 1995 **Grace United Methodist Church Policies and Procedures Manual** Timothy Keen, National Association of Church Business Administrators, 2000 *Child Safety Guidelines for Local Churches* Roger N. McNamara, 2010-10

Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they serve.

ROGER MCNAMARA is a veteran pastor, missionary, and church planter with more than forty-six years of experience in local church ministry in Latin America and the United States. He has started and worked in half a dozen churches over the past four decades and now serves as the Church Planting Training Specialist for Baptist Mid-Missions. In this capacity, he works with churches and church planters throughout the United States and Canada, teaching, training, and mentoring church leaders. He also serves in a number of leadership positions within the Baptist Mid-Missions TEAM NORTH AMERICA, as well as the registrar for the School of Church Planting. He has published two other books and several leadership training manuals.

Broadman Church Manual Howard B. Foshee, 1973-04-13. A comprehensive guide to the nature and work of the church, including pastor, staff, members, and planning the total church program.

Developing a Personnel Policies and Procedures Manual for the Local Church Joseph E. Bailey, National Association of Church Business Administrators, 1983.

How to Lead a Church to Reach People and Grow Robert A. Young, 2009-05. This book presents a unique approach to church growth. It is written mainly to help churches that are declining but will help all churches. The underlying premise is that churches do not grow and reach new people because they do not know how or because they are so poorly structured and organized that they spend most of their time and efforts in conflict. This disrupts the fellowship and leaves very little time and energy for reaching new people. The subtitle could be *Fifteen Essential Steps To Growth: Basic growth and administrative principles*. The combining of these areas makes this a unique book. Young has brought together these basic elements from over 40 years of experience. The book is a practical guide for a local church to follow to function efficiently and effectively and reach people for Christ. When the steps are followed and in the proper order, the church can pretty well be assured of growth and effective ministry.

Dr. Robert A. Young is currently President of Samuelite Corp. Church Outreach and Consulting. He served as Associate Pastor, Administration of Walnut Street Baptist Church, Louisville, KY, and Park Cities Baptist Church, Dallas, TX, and President of the National Association of Church Business Administration. He has

conducted Total Church Consultations and Capital Fund Campaigns for churches of all sizes and denominations He is now available to serve churches as a consultant in these areas He is also the author of *The Development of A Church Manual of Administrative Policies* The Church Organization Manual Robert H. Welch, 2002-03-01 Effective organization and management can dramatically reduce the degree of confusion and uncertainty that exists when no specific guidance is provided in the operation of the church Three general areas of church function authority organization and administration are covered The Church Organization Manual provides job descriptions committee policies salary plans church use policies space utilization policies benevolence policies and forms which can be copied or purchased Because of The Church Organization Manual's comprehensiveness displaying a wide variety of policies and the requisite implementing procedures it can be used with appropriate local modification as an example by a church of any size

The Y-B-H Handbook of Church Planting (Yes, But How?) Roger N. McNamara, Ken Davis, 2005-05 This book is a practical step by step guide for church planters and their coaches It covers everything they need to know to start healthy growing churches that are biblically faithful and yet culturally relevant While addressing the who why and where of planting new congregations this comprehensive manual focuses primarily on the how tos The authors use a five stage life cycle conception pre natal development birth infancy adolescent growth and adult reproduction to flesh out the entire process of starting and growing a new church Under each of these stages a host of essential ministry and planning tasks is addressed so the planter can keep his baby church on course and can have the joy of watching the new church grow to maturity and eventually reproduce itself
