

A black and white photograph of Eleanor Roosevelt. She is seated at a desk, looking towards the camera with a slight smile. She has short, dark, wavy hair and is wearing a dark, high-collared jacket over a light-colored blouse. Her hands are clasped in front of her. To her right is a large, vintage-style microphone on a stand, with the call letters 'CBI' visible on its base. The background is dark and out of focus.

Eleanor Roosevelt Transformative First Lady Modern First Ladies:

Eleanor Roosevelt Maurine Hoffman Beasley, 2010 The first book devoted to Eleanor Roosevelt's 1933-1945 tenure in the White House the longest of any first lady Provides an insightful account of how she merged her private and public lives to transform the ambiguous role of first lady into an important institution of the American political system **Media Relations and the Modern First Lady** Lisa M. Burns, 2020-02-06 Media Relations and the Modern First Lady From Jacqueline Kennedy to Melania Trump examines the communication strategies first ladies and their teams have used to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image Starting with Jacqueline Kennedy who was the first to have a staffer with the title press secretary each chapter explores the relationship between a first lady and the media the role played by her press secretary and communication staff in cultivating this relationship and the first lady's media coverage Contributors exploring the following questions How effective were the media relations and communication strategies of this first lady and her team What worked and what did not Was the first lady a communication asset to her husband's administration And what can we learn from their media relations strategies Along with contributing to the scholarship on presidential spouses the contributions to this volume also highlight the important role media relations plays in strategic political communication Scholars of communication media studies gender and women's studies political science and public relations will find this book particularly useful **A Companion to First Ladies** Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U.S. history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands' legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady **Ellen and Edith** Kristie Miller, 2015-04-24 The wives of Woodrow Wilson were strikingly different from each other Ellen Axson Wilson quiet and intellectual died after just a year and a half in the White House and is thought to have had little impact on history Edith Bolling Wilson was flamboyant and confident but left a legacy of controversy Yet as Kristie Miller shows each played a significant role in the White House Miller presents a rich and complex portrait of Wilson's wives one that compels us to reconsider our understanding of both women Ellen comes into clear focus as an artist and intellectual who dedicated her talents to an ambitious man whose success enabled her to have a significant influence on the institution of the first lady Miller's assessment of Edith Wilson goes beyond previous flattering accounts and critical assessments She examines a woman who overstepped her role by hiding her husband's serious illness to allow him to remain in office But Miller concludes Edith was acting as she knew her husband would have wished Miller

explains clearly how these women influenced Woodrow Wilson's life and career. But she keeps her focus on the women themselves placing their concerns and emotions in the foreground. She presents a balanced appraisal of each woman's strengths and weaknesses. She argues for Ellen's influence not only on her husband but on subsequent first ladies. She strives for an understanding of the controversial Edith who saw herself as Wilson's principal advisor and some would argue acted as shadow president after his stroke. Miller also helps us better appreciate the role of Mary Allen Hulbert Peck whose role as Wilson's playmate complemented that of Ellen but was intolerable to Edith. Especially because Woodrow Wilson continues to be one of the most studied American presidents the task of recognizing and understanding the influence of his wives is an important one. Drawing extensively on the Woodrow Wilson papers and newly available material Miller's book answers that call with a sensitive and compelling narrative of how private and public emotions interacted at a pivotal moment in the history of first ladies.

Edith Kermit Roosevelt Lewis L. Gould, 2018-02-09. Few first ladies have enjoyed a better reputation among historians than Edith Kermit Roosevelt. Aristocratic and sophisticated, tasteful and discreet, she managed the White House with a sure hand. Her admirers say that she never slipped in carrying out her duties as hostess, mother, and adviser to her husband. Lewis Gould's path-breaking study, however, presents a more complex and interesting figure than the somewhat secularized saint Edith Roosevelt has become in the literature on first ladies. While many who knew her found her inspiring and gracious, family members also recalled a more astringent and sometimes nasty personality. Gould looks beneath the surface of her life to examine the intricate legacy of her tenure from 1901 to 1909. The narrative in this book thus uncovers much new about Edith Roosevelt. Far from being averse to activism, Edith Roosevelt served as a celebrity sponsor at a New York musical benefit and also intervened in a high-profile custody dispute. Gould traces her role in the failed marriage of a United States senator, her efforts to secure the ambassador from Great Britain that she wanted, and the growing tension between her and Helen Taft in 1908-1909. Her commitment to bringing classical music artists to the White House, along with other popular performers, receives the fullest attention to date. Gould also casts a skeptical eye over the area where Edith Roosevelt's standing has been strongest: her role as a mother. He looks at how she and her husband performed as parents and dissents from the accustomed judgment that all was well with the way the Roosevelt offspring developed. Most important of all, Gould reveals the first lady's deep animus toward African Americans and their place in American society. She believed that any mixture of races is an unmitigated evil. The impact of her bigotry on Theodore Roosevelt's racial policies must now be an element in any future discussion of that sensitive subject. On balance, Gould finds that Edith Roosevelt played an important and creative part in how the institution of the first lady developed during the twentieth century. His sprightly retelling of her White House years will likely provoke controversy and debate. All those interested in how the role of the presidential wife has evolved will find in this stimulating book a major contribution to the literature on a fascinating president. It also brings to life a first lady whose legacy must now be seen in a more nuanced and challenging light.

Jacqueline Kennedy Barbara A.

Perry,2018-03-31 In a mere one thousand days Jacqueline Bouvier Kennedy created an entrancing public persona that has remained intact for more than a half century Even now long after her death in 1994 she remains a figure of enduring and endearing interest Yet while innumerable books have focused on the legends and gossip surrounding this charismatic figure Barbara Perry s is the first to focus largely on Kennedys White House years portraying a First Lady far more complex and enigmatic than previously perceived Noting how Jackie s celebrity and devotion to privacy have for years precluded a more serious treatment Perry s engaging and well crafted story illuminates Kennedy s immeasurable impact on the institution of the First Lady Perry vividly illustrates the complexities of Jacqueline Bouvier s marriage to John F Kennedy and shows how she transformed herself from a reluctant political wife to an effective confident presidential partner Perry is especially illuminating in tracing the First Lady s mastery of political symbolism and imagery along with her use of television and state entertainment to disseminate her work to a global audience By offering the White House as a stage for the arts Jackie also bolstered the president s Cold War efforts to portray the United States as the epitome of a free society From redecorating the White House to championing Lafayette Square s preservation to lending her name to fund raising for the National Cultural Center she had a profound impact on the nation s psyche and cultural life Meanwhile her fashionable clothes and glamorous hairdos stood in stark contrast to the dowdiness of her predecessors and the drab appearances of Communist leaders spouses Never before or since have a First Lady and her husband sparkled with so much hope and vigor on the stage of American public life Perry s deft narrative captures all of that and more even as it also insightfully depicts Jackie s struggles to preserve her own identity amid the pressures of an institution she changed forever Grounded on the author s painstaking research into previously overlooked or unavailable archives at the Kennedy Library and elsewhere as well as interviews with Jacqueline Kennedy s close associates Perry s work expands and enriches our understanding of a remarkable American woman

Pat Nixon Mary C. Brennan,2023-08-18 Pat Nixon may be the least understood of modern first ladies Although public opinion polls rated her one of our nation s most admired women few Americans really knew much about her This first scholarly biography of Thelma Ryan Nixon the first biography in thirty five years and the first to access her papers goes further than any other book to show readers the real Pat Nixon Lester David s *The Lonely Lady of San Clemente* painted her as a tragic figure while Julie Nixon Eisenhower s adoring *Pat Nixon The Untold Story* fell short of offering an objective portrait Now Mary Brennan moves beyond the oversimplified appraisals of this neglected first lady to provide a powerful study of a complex and fascinating presidential spouse Drawing on Mrs Nixon s recently opened papers as well as on recollections of both friends and adversaries Brennan debunks the myth of Plastic Pat and fleshes out the real woman behind the stories and stereotypes The Nixons had more in common with small town Americans than with Washington society and Brennan shows that part of Pat s difficulty in dealing with the political world was that she never quite left the normal Pat behind Political and social upheaval during her husband s presidency further complicated her role as first lady as she had to

confront a shifting cultural terrain with the whole world watching Brennan emphasizes Pat's activism the first presidential wife to serve as official government representative as well as the most traveled and examines her complicated relationship with her husband Often seen as a good soldier Pat in reality engaged in constant warfare with her husband and his advisers as she tried to protect her own schedule from interference from the West Wing Blending empathy and objectivity Brennan shows that Pat Nixon was a strong woman caught up in circumstances beyond her control who did as her ancestors had done gritted her teeth and got the job done as best she could This account of an embattled first lady opens a new window on the Nixon years and finally allows Pat Nixon to take center stage in her own life **First Ladies** Susan

Swain,C-SPAN,2015-04-14 A look inside the personal life of every first lady in American history based on original interviews with major historians C SPAN's yearlong history series First Ladies Influence and Image featured interviews with more than fifty preeminent historians and biographers In this informative book these experts paint intimate portraits of all forty five first ladies their lives ambitions and unique partnerships with their presidential spouses Susan Swain and the C SPAN team elicit the details that made these women who they were how Martha Washington intentionally set the standards followed by first ladies for the next century how Edith Wilson was complicit in the cover up when President Wilson became incapacitated after a stroke and how Mamie Eisenhower used the new medium of television to reinforce her and her husband's positive public images This book provides an up close historical look at these fascinating women who survived the scrutiny of the White House sometimes at great personal cost while supporting their families and famous husbands and sometimes changing history Complete with illustrations and essential biographical details it is an illuminating entertaining and ultimately inspiring read *The 2012 Presidential Campaign* Robert E. Denton Jr.,2013-07-29 Presidential campaigns are our national

conversations the widespread and complex communication of issues images social reality and personas Political communication specialists break down the 2012 presidential campaign and go beyond the quantitative facts electoral counts and poll results of the election to make sense of the political bits of communication that comprise our voting choices The contributors look at the early campaign period the nomination process and conventions the social and political contexts the debates the role of candidate spouses candidate strategies political strategies and the use of the Internet and other technologies **Bess Wallace Truman** Sara L. Sale,2010 Sale shows how Bess Truman remade the office of the first lady to suit her own personality and along the way earned the admiration and respect of the American people Publisher

Defenseless Under the Night Matthew Dallek,2016-06-02 In his 1933 inaugural address Franklin D Roosevelt declared that the only thing we have to fear is fear itself Yet even before Pearl Harbor Americans feared foreign invasions air attacks biological weapons and conversely the prospect of a dictatorship being established in the United States To protect Americans from foreign and domestic threats Roosevelt warned Americans that the world has grown so small and eventually established the precursor to the Department of Homeland Security an Office of Civilian Defense OCD At its head Roosevelt appointed

New York Mayor Fiorello La Guardia First Lady Eleanor Roosevelt became assistant director Yet within a year amid competing visions and clashing ideologies of wartime liberalism a frustrated FDR pressured both to resign In Defenseless Under the Night Matthew Dallek reveals the dramatic history behind America's first federal office of homeland security tracing the debate about the origins of national vulnerability to the rise of fascist threats during the Roosevelt years While La Guardia focused on preparing the country against foreign attack and militarizing the civilian population Eleanor Roosevelt insisted that the OCD should primarily focus on establishing a wartime New Deal what she and her allies called social defense Unable to reconcile their visions both were forced to leave the OCD in 1942 Their replacement James Landis would go on to recruit over ten million volunteers to participate in civilian defense ultimately creating the largest volunteer program in World War II America Through the history of the OCD Dallek examines constitutional questions about civil liberties the role and power of government propaganda the depth of militarization of civilian life the quest for a wartime New Deal and competing liberal visions for American national defense questions that are still relevant today The result is a gripping account of the origins of national security which will interest anyone with a passion for modern American political history and the history of homeland defense

The Politics of the Presidency Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2019-12-20 The most up to date coverage and analysis of the presidency Never losing sight of the foundations of the political office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In the highly anticipated Tenth Edition of this bestseller Pika Maltese and Rudalevige thoroughly analyze the change and continuity in the presidency during President Trump's first term his relations with Congress and the judiciary the outcomes of the 2018 midterm election and the competitive setting for the 2020 presidential race

Robertson, 2001 Takes a brief look at what life is like for the president and first lady in the White House and features biographies and photographs of all the presidents first ladies and vice presidents from 1789 through 2001

Beyond Burning Bras Laura L. Finley, Emily Reynolds Stringer, 2010-04-09 This book offers a practical guide to the

everyday actions and decisions that anyone can take to promote gender equality and social justice in their own life and the world around them *Beyond Burning Bras Feminist Activism for Everyone* is an antidote to the poison of shock jocks who caricature the women's movement as a radical fringe of man haters and paint activists as spoiled hooligans Two real life feminist activists Laura Finley and Emily Stringer focus on the mainstream of everyday feminism explaining what feminism is really all about and fanning out a spectrum of simple imaginative user friendly ways in which ordinary readers can promote gender equality and social equity in their own lives and in the world around them *Beyond Burning Bras* taps the life stories and first person accounts of 50 ordinary individuals of every age sex sexuality class nationality race ethnicity and learning style All of them tell how they found within themselves the courage to take a stand on the front lines of feminist activism whether in subtle private ways or in life changing public ways After a survey of the history of feminism in the United States the authors and contributors show in successive chapters how feminism today meshes with other forms of activism relating to the workplace sexual violence the environment politics human bodies the arts youth empowerment and mothering

Modern American Political Dynasties Kathleen Gronnerud, Scott J. Spitzer, 2018-10-18 This collection offers a front seat view of the rise reign and fall of powerful modern political families and examines the effects they have had on political social and economic issues in American society *Modern American Political Dynasties A Study of Power Family and Political Influence* is a unique research resource and fascinating read that explores the dynamics and modern America's most influential political families It provides a thorough study of approximately 20 of the best known surnames in 20th century American politics More than just a biography it highlights how these families dynamics have influenced political practice and thought providing a holistic context for the evolution of political dynasties in the United States The text includes a historically grounded examination of the crossroads of family and politics as it charts the origins development peak strength and decline of each family It is the only published volume to include biographical and contextual information on major political dynasties in addition to fascinating research on high profile personalities

Heroic Leadership Scott T. Allison, George R. Goethals, 2024-12-30 *Heroic Leadership* is a celebration of our greatest heroes from well known legends to the legions of unsung heroes who transform our world quietly behind the scenes Now in its second edition this book offers a compelling conceptual framework for understanding heroism and heroic leadership drawing from theories of great leadership and heroic action With over 50 revised heroic leader profiles and 30 new profiles of individuals that have transformed the world the book explores the many counterintuitive ways that heroes lead shape and mobilize their followers The authors offer a definition of heroic leadership that explains how people easily misconstrue both leadership and heroism and provide an innovative take on why people are drawn to heroic leaders and why this can be considered a fatal attraction Incorporating the latest theory and research the authors unpack the following ten categories of heroism trending heroes transitory heroes transparent heroes transitional heroes tragic heroes transposed heroes transitional heroes traditional heroes transforming

heroes and transcendent heroes From within these categories the authors identify 100 exceptional individuals describing their lives and how they exemplify the characteristics of the category they have been assigned Suggesting that our most cherished heroes make for our most transforming leaders this is a vital resource for students and scholars of leadership studies organizational behaviour and social psychology Presenting valuable insights into the lives of both historical and modern leaders the book is also a fascinating read for casual readers *Storica (2022) vol. 82* Autori
