

Multiple-choice with multiple answers (1)

Task guide

- ▶ This task requires you to choose correct answers from a list of possible answers.
- ▶ You get one mark for each correct answer.
- ▶ It's very important to read the instructions carefully. They will tell you what to listen for. You will probably hear something connected with all the options. The instructions will tell you the reason for choosing some of the options on the list.
- ▶ The options are usually listed in alphabetical order.
- ▶ The order of the options in the list will probably differ from the order of the recording.
- ▶ You may hear exactly the same words as appear in the options, or you may hear alternative phrases that have the same meaning.
- ▶ You can write the correct answers in any order.
- ▶ See also pages 10 and 16 for other types of multiple-choice tasks.

Step-by-step guide

▶ Step 1 – Think first

Look at the instructions. You are listening for things that are 'included for free' in 'every property for rent'.

Think about ways of giving this information.

▶ Step 2 – Check what you hear

Look at this part of the tapescript, which relates to options B and C.

Tapescript

Man: That depends on the flat, to a certain extent, although some

things are standard in all flats. For example, every flat has kitchen equipment provided for your use. **Woman:** Good. Does that also mean tableware, cups, glasses, plates?

Man: In some flats, but not all.

B is a correct answer. C is not a correct answer, although it is clearly mentioned. Plates and glasses are 'included for free', but not in 'every flat'.

▶ Step 3 – Listen and do the task
