**Australian Literature** Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society

*Victorian Prism* James Buzard, Joseph W. Childers, Eileen Gillooly, 2007 From the moment it opened on the first of May in the Crystal Palace in Hyde Park London the Great Exhibition of 1851 was one of the defining events of the Victorian period It stood not only as a visible symbol of British industrial and technological progress but as a figure for modernity a figure that has often been thought to convey one coherent message and vision of culture and society This volume examines the place occupied both materially and discursively by the Crystal Palace and other nineteenth and twentieth century exhibitions in the struggle to understand what it means to be modern Initiated in part by a number of conferences held in 2001 to commemorate the 150th anniversary of the Crystal Palace *Victorian Prism* provides new perspectives to historians literary critics art historians and others interested in how a large glass building in a London park could refract meaning from Caracas to Calcutta In its investigations of the ways of knowing and shaping the world that emerged during the planning and execution of this first world's fair *Victorian Prism* not only restores the multiplicity of experiences and other determining factors to our picture of the Great Exhibition it makes reevaluation of the exhibition and its legacies the occasion for reevaluating modernity itself in its broadest sense as the cultures potentialities and liabilities of the Enlightenment With essays by a number of leading scholars in their fields the collection as a whole focuses on how these exhibitions in attempting to define the cultures of their day incorporated a range of conflicting ideologies and agendas In doing so it offers a richer more complex understanding of the experience of modernity than we have previously acknowledged The volume also addresses the ways in which the cultural processes and tendencies brought together in these exhibitions have been refracted down to the present thus informing and complicating our own relationship to both modernity and postmodernity

**The Magic Phrase** Margaret Harris, 2000 This is the first volume of essays by various hands on the work of the great Australian novelist Christina Stead 1902-83 It provides an overview of Stead criticism including pioneering classic essays together with a selection from the burgeoning critical literature of the 1980s and 90s and several articles not previously published

*Missions of Interdependence*, 2021-11-01 At the beginning of the twenty first century it is necessary to combine into a productive programme the striving for individual emancipation and the social practice of humanism in order to help the world survive both the ancient pitfalls of particularist terrorism and the levelling tendencies of cultural indifference engendered by the renewed imperialist arrogance of hegemonial global capital In this book thirty five scholars address and negotiate in a spirit

of learning and understanding an exemplary variety of intercultural splits and fissures that have opened up in the English speaking world Their methodology can be seen to constitute a seminal field of intellectual signposts They point out ways and means of responsibly assessing colonial predicaments and postcolonial developments in six regions shaped in the past by the British Empire and still associated today through their allegiance to the idea of a Commonwealth of Nations They show how a new ethic of literary self assertion interpretative mediation and critical responsiveness can remove the deeply ingrained prejudices silences and taboos established by discrimination against race class and gender Neo-Victorianism on Screen Antonija Primorac,2017-11-17 This book broadens the scope of inquiry of neo Victorian studies by focusing primarily on screen adaptations and appropriations of Victorian literature and culture More specifically this monograph spotlights the overlapping yet often conflicting drives at work in representations of Victorian heroines in contemporary film and TV Primorac s close analyses of screen representations of Victorian women pay special attention to the use of costume and clothes revealing the tensions between diverse theoretical interventions and generic often market oriented demands The author elucidates the push and pull between postcolonial critique and nostalgic often Orientalist spectacle between feminist textual interventions and postfeminist media images Furthermore this book examines neo Victorianism s relationship with postfeminist media culture and offers an analysis of the politics behind onscreen treatment of Victorian gender roles family structures sexuality and colonial space **Fabulating Beauty** ,2005-01-01 Peter Carey is one of Australia s finest creative writers much admired by both literary critics and a worldwide reading public While academia has been quick to see his fictions as exemplars of postcolonial and postmodern writing strategies his general readership has been captivated by his deadpan sense of humour his quirky characters the outlandish settings and the grotesqueries of his intricate plots After three decades of prolific writing and multiple award winning Carey stands out in the world of Australian letters as designated heir to Patrick White *Fabulating Beauty* pays tribute to Carey s literary achievement It brings together the voices of many of the most renowned Carey critics in twenty essays sixteen commissioned especially for this volume an interview with the author as well as the most extensive bibliography of Carey criticism to date The studies represent a wide range of current perspectives on the writer s fictions Contributors focus on issues as diverse as the writer s biography his use of architectural metaphors his interrogation of narrative structures such as myths and cultural master plots intertextual strategies concepts of sacredness and references to the Christian tradition and his strategies of rewriting history Amidst predictions of the imminent death of postist theory the essays all attest to the ongoing relevance of the critical parameters framed by postmodernism and postcolonialism **Encyclopedia of the British Novel** Virginia Brackett,Victoria Gaydosik,2015-04-22 Praise for the print edition comprehensive Recommended **Contemporary Australian Literature** Nicholas Birns,2015-12-01 Australia has been seen as a land of both punishment and refuge Australian literature has explored these controlling alternatives and vividly rendered the landscape on which they transpire Twentieth century writers left Australia

to see the world now Australia's distance no longer provides sanctuary But today the global perspective has arrived with a vengeance In Contemporary Australian Literature A World Not Yet Dead Nicholas Birns tells the story of how novelists poets and critics from Patrick White to Hannah Kent from Alexis Wright to Christos Tsiolkas responded to this condition With rancour concern and idealism modern Australian literature conveys a tragic sense of the past yet an abiding vision of the way forward Birns paints a vivid picture of a rich Australian literary voice one not lost to the churning of global markets but in fact given new life by it Contrary to the despairing of the critics Australian literary identity continues to flourish And as Birns finds it is not one thing but many In this remarkable bold and fearless book Nicholas Birns contests how literary cultures are read how they are constituted and what they stand for In examining the nature of the barriers between public and private utterance and looking outside the absurdity of the rules of genre Birns has produced a redemptive analysis that leaves hope for revivifying a world not yet dead John Kinsella     **Telling Stories** ,2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research     The Complete Poems of A. R. Ammons A. R. Ammons,2018-12-18 An essential volume from a master maker Richard Howard If you will sit with me in the light of speech I will sit with you Readers who accept that invitation will find themselves in extraordinary company The Complete Poems of A R Ammons Volume II presents the second half of Archie Randolph Ammons's long career including the complete texts of his two book length poems from that period Garbage for which he won his second National Book Award and Glare which drew special praise from the Academy of American Poets as it bestowed on him its highest honor the Wallace Stevens Award In addition two appendices offer over one hundred and twenty previously uncollected poems dating from the 1950s to the late 1990s Among this volume's many highlights are celebrations of the natural world such as Hermit Lark and Lofty Calling poems of remembrance as in Chinaberry and Keeping Track prayers Singling Doubling Together and Autonomy and compelling meditations on loss and mortality such as Easter Morning and In View of the Fact As in Volume I the variety of scale is remarkable ranging from the massiveness of Glare to the haiku like brevity of Pebble's Story The text of each poem has been

established after careful consideration of Ammons's manuscripts and other prepublication materials. Endnotes detail the poems' composition and publication histories and also helpfully annotate references made within the poems. Celebrated poetry critic Helen Vendler's introduction both humanizes Ammons and traces the growth of his outsized stature as a major poet unquestionably among the best loved poets of our time. David Lehman     *Portable Prose* Jarrad Cogle, N. Cyril Fischer, Lydia Saleh Rofail, Vanessa Smith, 2018-11-09 *Portable Prose: The Novel and the Everyday* examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space. This collection interrogates the relationships between these differing aspects of the novel's existence, negotiating the boundaries between the material world, subjective experience, and strategies of representation. This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth-century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices. While mimetic qualities of prose remain an integral consideration for literary interpretation, this collection argues for more diverse frameworks, ones that see aesthetic components of the novel in close connection with reading practices, shared structures of feeling, and the corporeal. In this capacity, this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re-make it new.
