Managing Technology for Business Value Stephen McLaughlin,2020-05-07 This book will appeal primarily to

postgraduate business studies students who seek to better understand how to use technology to improve organizational performance. It provides insights into how technology can both positively and negatively influence the way we create, share and act upon information and knowledge. Taking as a starting point the premise that we now live and operate in a knowledge intensive information driven world where data is arguably the most valuable resource any organization possesses, it argues that we cannot see technology simply as a commodity or a cost to the business. Therefore every organizational decision maker must be more aware of the impact technology can have on the knowledge practices and habits of employees, building and sustaining collaborative relationships and the ability to realise strategic goals in a dynamic and highly competitive environment.

Organizational Culture Jolita Vveinhardt, 2018-11-28. It is stated that the concept of organizational culture reveals that the behavior of people in organizations is highly influenced by the established attitudes and values of their members and objective characteristics of organizational culture are everything that exists regardless of its members' thoughts. A lot of researchers of organizational culture continue to look for answers about these relationships. Thus organizational culture is a phenomenon that constantly receives both researchers' and practitioners' attention. This book supplies the reader with a comprehensive overview of the latest results of studies carried out by scientists from different countries. A lot of attention is given to the role of national cultures, organizational culture as a determinant of competitiveness, organizational structures, model of culture for innovation, transformational leadership, leadership competencies, project activity etc.

Sport Management Karen Bill, 2009-04-27. This is a core text for all those on Sport Management and Sports Studies courses. It examines both traditional business elements and the new functional areas of management in sport. Key chapters on marketing, finance, entrepreneurship and event management are included and the book as a whole provides a critical understanding of the complex and dynamic relationship between sport business and management. The reader is supported through accessible theoretical explanation, real life examples and case studies, learning activities and guidance on further study.

The Jossey-Bass Handbook of Nonprofit Leadership and Management David O. Renz, 2016-08-10. The go to nonprofit handbook, updated and expanded for today's leader. The Jossey-Bass Handbook of Nonprofit Leadership and Management is the bestselling professional reference and leading text on the functions, processes and strategies that are integral to the effective leadership and management of nonprofit and nongovernmental organizations.
