Steve Brown's Bunyip, and Other Stories John Arthur Barry & Rudyard Kipling ill. Sir Lionel Lindsay,2024-01-05 Excerpt There have been occasions when after long rest as a hulk lying in some land locked cove with little of its past history except the name left in people s memories that once again the old ship has been brought forth staunch as ever to perform it is hoped faithful service

on the outer seas Something of this kind has happened in the case of Steve Brown s Bunyip The book has been so long out of print as to perhaps render any apology for its re appearance needless All the more so as from many quarters through the years that have elapsed since its retirement there have been frequent and kindly enquiries after its welfare Also numerous requests have reached the author that the book might again be allowed to test the weather of popular opinion and if possible hold its own as it did aforetime Thus in a new guise and in a new land the old Bunyip rejuvenated and embellished with so to speak colours flying and band playing leaves its long rest at moorings and once more sets sail in modest confidence that age will not have rendered its timbers less seaworthy but rather have preserved and toughened them in such wise as may enable the old vessel to successfully compete with the modern craft of her class that have since appeared The Sword Of Welleran And Other Stories Edward John Moreton Drax Plunkett Baron Dunsany,2019-11-22 An influential fantasy writer and a key figure in the Irish literary renaissance Edward J M D Plunkett the eighteenth Baron Dunsany 1878 1957 produced a trove of gems of the imagination The 12 stories here are some of his best They will take you on a remarkable journey to places that sometimes seem soft and pleasant sometimes bleak and ominous but always surprising Ten magnificent illustrations by S H Simes perfectly reflecting Dunsany s mood accompany such inventive tales as The Highwayman In the Twilight The Ghosts The Lord of Cities The Doom of La Traviata and the title piece A delight for lovers of fantasy the volume will enchant readers of folk tales and science fiction as well **The Gentleman from San Francisco, and Other Stories** Ivan Alekseyevich Bunin,2017-12-31 The Gentleman from San Francisco Gospodin iz San Frantsisko is a short story by a Nobel Prize winning Russian author Ivan Bunin Translated into English by D H Lawrence with Samuil Koteliansky the story is one of Bunin s best known and regarded as classic Wikipedia **The Praying Skipper, and Other Stories** Ralph Delahaye Paine,2020-01-11 A great Sea Story Excerpt A fortnight later the Suwannee was steaming across the sapphire Gulf Before her bow flying fish skittered and splashed like flights of shrapnel bullets on deck sailors were stretching awnings fore and aft and wind sails bellied in the open hatches Men in flannels and women in trim white freshness leaned along the rail and watched the sparkling play of colour overside There was the air of a yachting cruise in these pleasant aspects of the day s routine yet the season was the dead of winter and the Suwannee was hurrying as fast as twin screws could drive her toward bitter latitudes
