Warren Barhorst is an entertaining, straightforward, smart entrepreneur that has an impressive rare ability to teach you how to make your business and business relationships successful. Barhorst was not the best athlete but in 1988 he took down the Heisman Trophy Winner. He started his business career with practically nothing and today he has built an empire of insurance agencies. He simply utilized and perfected his skills. This is not an insurance book. It's an engaging, challenging, inspiring, and entertaining book that shows the importance of connecting with people on a deeper level can enhance your business. If you have a vision, grow your business and relationships to a new level. Game Plan will take you there. The principles in this book along with the continually updated and accompanying website www.gameplanbook.com have been tested in the real world.
