**Coming Clean** Nick Warburton, 2005      **Coming Clean** C. L. Parker, 2016-09-20 The steamy conclusion of C L Parker's Monkey Business Trio. They have been rivals who fought until the bitter end and lovers who know every sensual inch of each other's bodies. Now sports agents Cassidy Whalen and Shaw Matthews are about to become the one thing they never expected to be parents. But this new dynamic to their relationship threatens to fizzle the sizzling desire that once held them in thrall to each other. If salvation is only a forbidden fantasy away, then Shaw and the woman he loves must embark on the adventure of their lives. Cassidy is aching to reignite their connection. In steamy assignations in strange places, she and Shaw live out their most intimate desires and reveal their deepest secrets. But as Shaw works overtime to sign a superstar athlete, a corporate reshuffling could be a game changer. Can Cassidy and Shaw save their relationship and have it all: a career, family, and passion that never quits? **Coming Clean** is intended for mature audiences. Praise for **Coming Clean** Parker's witty, insightful, and inventive Monkey Business Trio finale. After *Getting Rough*, packs an emotional punch as a couple in present-day San Diego grapple with being true to themselves and demystifying family legacies. Spunky and charismatic characters and riveting banter make this hard-fought-for romance irresistible. Publishers Weekly. In the final installment of the Monkey Business trio, Parker puts obstacles in the couple's way that propel the story into a compelling read. RT Book Reviews. **Coming Clean** provides a realistic, sometimes heartbreaking glimpse at the simultaneous frailty and strength in a relationship. Heroes and Heartbreakers. I cried, laughed, was hot and bothered, and I loved every bit of this installment. I couldn't ask for a better ending to this trilogy. Under the Covers Book Blog. The ending was perfect. Fiction Fan Girls.      **Coming Clean** Liz Fraser, 2021-09-30 Raw, unflinching, incredibly brave. BBC Woman's Hour. Visceral and gripping. Amy Liptrot, author of *The Outrun*. **Coming Clean** is a searingly honest memoir of loving an alcoholic both through the heaviest drinking years and into recovery. When Liz Fraser's partner fell into a catastrophic vortex of depression and alcoholism, Liz found herself in a relentless hailstorm of lies, loneliness, and fear, looking after their young child on her own, heartbroken, mentally shattered, and with no idea what was happening or what to do. As she and her family moved between Cambridge, Venice, and Oxford, she kept the often shocking truth entirely to herself for a long time, trying in vain to help her partner find a path to sobriety until she herself finally broke from the trauma and started to speak out, only to find she was one of hundreds experiencing similar things, also living in silence and fear. Part diary, part travel journal, and part love letter, **Coming Clean** is the true story of addiction of many kinds, mental collapse, and heartbreak. Above all, it offers a voice of deep human compassion, strength, and hope for recovery. I hope that in sharing this story, it might change the way addiction is talked about and understood, from both sides, encourage open, trusting, and supportive dialogue between addicts and those their addiction affects, and provide some solace and help for those who need it, as I did.      **Coming Clean** Greg Fox, 2013-07-16 DailyConfession.com was created as an outlet where people could confess their sins and unburden their souls in complete anonymity, as well as receive

**Coming Clean** Tom Gunn,2010-09-22 If you think you have a drinking problem you probably do If you think you can handle it without any outside help you re probably wrong In fact I ll bet you ve tried And still have a problem Thus begins Tom Gunn s Coming Clean a handbook disguised as a memoir a small book with a big message a book that cuts through the excuses and puts a spotlight on the path to recovery In this Gunn is an expert a well practiced substance abuser from the age of fifteen who spent more than twenty years living in a self induced fog before confronting his disease He s been sober now for almost thirty years and has stories to tell While readers will learn something about Tom Gunn they will learn more about themselves Gunn trained as a lawyer became a super salesman and served as head of international sales for one of the world s largest aerospace companies and as president of a helicopter company For too many years he avoided getting straight and thought he was doing just fine As he writes I always was very good at my job in spite of the fact that I was using After I came clean I was very good at my job I always thought that booze and pills made me super creative helping me write speeches and position papers and marketing plans and I was on top of the world Truth was I was very good at faking it Call it style over substance It was not until I got sober that I learned how creative I really could be Advance praise for Coming Clean In more than three decades specializing in the assessment and treatment of addiction I ve read many books written by and for substance abusers Some are technical some anecdotal some conversational and each makes a contribution in one way or another but I ve never before read a book that so effectively targets men and women who know they have a problem but are not yet comfortable with the idea of doing something about it Ronald B Dicker PhD Licensed Clinical Psychologist St Louis Missouri
